inter stellar commerce all the highly developed industries have stopped man turns to the primitive sources of animal fat and wood for light and heat With civilization waning the young scientist Kleon sentenced to death for using precious conserves of power in an attempt to generate vast energy from dead matter makes a spectacular bid for the freedom of the whole universe

*Prison of Night* E.C. Tubb,2011-09-29 ZAKYM World of the night rulers and the day people A world teetering on the edge of nightmare The Cyclan orders were clear Find Dumarest Find him before war erupts on ZAKYM But Zakym could hold the key to Dumarest s search for his lost home planet and for that he would risk everything First published 1977 **The**

**Terridae** E.C. Tubb,2011-09-29 Zabul was no ordinary world It was a private religious sanctuary location secret visitors unwelcome It was a world fanatically dedicated to one belief and to one goal The belief that mankind originated on a single world the goal was to find it To find Earth was a goal that Earl Dumarest shared But how much did he really have in common with the zealot Terridae who slept in caskets decorated with the zodiacs and dreamed of soaring towers of crystal and floating cities And what were their despotic Guardians really after First published 1981 *The British Library General Catalogue of Printed Books 1976 to 1982* British Library,1983 **The Freedom Army** E.C. and suffering humanity had allowed itself to take a drug that killed all emotion But a small number of insurgents including the returning astronauts from a mission to Mars had refused to take the drug and waged an armed rebellion The last survivors of the Freedom Army were holed up in a besieged bunker when one of their number the physicist Burges constructed a gateway to another dimension an alternate existence Ex space pilot Lanson leads the remnants of his Freedom Army in escaping through the gateway only to find themselves in an alternate world where humanity has been enslaved for the last 30 years by a toad like alien race the Zytlen **Derai** E.C. Tubb,2011-09-29 Still driven by his search for Man s fabled birthplace Earl Dumarest accepts a commission to guard the Lady Derai heiress to the proud House of Caldor on the feudal world of Hive On Derai s home planet Dumarest had hoped to meet a living witness to Earth But instead he finds himself in the lists of the deadly Contest on Folgone with the Lady of Caldor as prize And on Folgone for the first time Dumarest

confronts the Cybers ruthless emotionless tools of a great Gestalt which holds the mighty of the universe in its grip a power which may yet provide him with the key to his quest for Earth *The Sleeping City* E.C. Tubb,2011-09-29 From the opening

reared a head wide flat huge Below it stretched a body beautiful with iridescent scales of gold edged with ruby Nictitating membranes lifted over enormous eyes deep limpid pools of ancient wisdom catching and reflecting the light of the miniature sun turning the glowing orb into a scatter of stars shimmering in an ebon sea From open jaws a forked tongue flickered with a soft susurrant Its scent was dry acrid tinged with that of living fur on a summer s day The head rose higher swaying over the three men on the ledge the sinuous length of the body almost filling the passage through which it had come From it radiated an impression of incredible age A serpent whispered Thagamista A creature from the beginning of time Somehow surviving to find this place and feast on those who well here It was inevitable they should think it a god THE SLEEPING CITY continues the dynamic saga of the Chronicles of Malkar E C Tubb s newest fantasy hero **World in Torment** E.C. Tubb,2014-01-30 Atomic war Men had started the war overriding the desires of their women and plunging the world into an orgy of destruction Finally when the vast armies of men had finally been shattered women took over as rulers Under successive Matriarchs the world was slowly recovering diverting the vast war potential to peaceful purposes To keep the world free of war the Matriarch employed official assassins under the chief of Security Police It was felt that the death of one person was an acceptable price to preserve the lives of many But when the Matriarch ordered the assassination of Don Burgarde an apparently harmless young man her personal secretary Lyra decided to intervene The seeds of rebellion had been sown The Galactiad E.C. Tubb,2011-09-29 The things from beyond the Milky Way galaxy found the intelligent races of our universe amusingly slight To them possessors of vast cosmic power the strivings of various humanoids to outdo each other were a source of contemptuous entertainment They established a contest between the worlds It would be an Olympiad of the whole galaxy a Galactiad Let these puny interstellar intelligences meet each other in contest Pit one against the other and let the losers beware Earth had its team a mixed group of powerful athletes and genius scientists Because other worlds did not always believe in the ideal of good sportsmanship they had to confront the reality Win at all costs or goodbye to humanity *Haven of Darkness* E.C. Tubb,2011-09-29 As guardian of the Universe s freedom from the domination by the Cyclan Earl Dumarest is ruthlessly hunted by their agent Cyber Broge as he searches for the fortune necessary to finance his epic quest for Terra the planet of his birth Hunter and fugitive predator and victim Earl Dumarest lands on the planet Zakym ZAKYM a cadaverous twin sunned world where the spectres of the dead daily claim the lives of the living a decadent world that threatens to explode with the unparalleled violence of civil war and broken taboos ZAKYM home of the beautiful haunted Lavinia whose soul is claimed and condemned by a power crazed madman Both Lavinia and her planet are doomed until a man appears who promises to be their saviour Dumarest is the only person capable of challenging the terrifying menace of the Cyclan and the terrors of Zakym But can even he triumph against such foes First published 1977 The Gholan Gate E.C. Tubb,2011-09-29 DOORWAY TO UTOPIA Beyond that curtain of darkness lies paradise That was the promise of the doorway known as the Gholan Gate a doorway so ancient that its makers had vanished millions of years before the first

Earthly life crawled out of the primeval oceans It was still functioning in the possession of its discoverers To go through it was to enter a universe where all your dreams came true where your every wish was obeyed every fantasy became reality where you could play God to your heart's content But there was a price for once beyond the Gholan Gate you would live only in hopes for a second visit and a third And to get the right for that return to paradise a man would sell his soul his people his world Cap Kennedy entered THE GHOLAN GATE once and the result became cosmic history Stardeath E.C.

Tubb,2014-01-30 Ships occasionally disappeared in hyperspace regrettable sacrifices to the luxury of faster than light travel But now one of the lost ships has been found and the wreckage is enough to terrify even the most cold blooded witness The lucky ones on the lost ship are dead The others have been turned inside out in gruesome parody of human beings and they are still alive The disgraced Captain Kurt Varl is chosen to command a suicide mission to discover the cause of these disasters The enemy is unknown and the only way Varl can solve the mystery is to use himself as bait **Fighting the Slave**

**Trade** Sylviane A. Diouf,2003-10-24 While most studies of the slave trade focus on the volume of captives and on their ethnic origins the question of how the Africans organized their familial and communal lives to resist and assail it has not received adequate attention But our picture of the slave trade is incomplete without an examination of the ways in which men and women responded to the threat and reality of enslavement and deportation Fighting the Slave Trade is the first book to explore in a systematic manner the strategies Africans used to protect and defend themselves and their communities from the onslaught of the Atlantic slave trade and how they assaulted it It challenges widely held myths of African passivity and general complicity in the trade and shows that resistance to enslavement and to involvement in the slave trade was much more pervasive than has been acknowledged by the orthodox interpretation of historical literature Focused on West Africa the essays collected here examine in detail the defensive protective and offensive strategies of individuals families communities and states In chapters discussing the manipulation of the environment resettlement the redemption of captives the transformation of social relations political centralization marronage violent assaults on ships and entrepôts shipboard revolts and controlled participation in the slave trade as a way to procure the means to attack it Fighting the Slave Trade presents a much more complete picture of the West African slave trade than has previously been available **Dead Weight**
