**The Logic of Hungarian Political Development (1990-2022)** Ervin Csizmadia, 2024-01-22 The Logic of Hungarian Political Development 1990 2022 Historical and Political Perspectives is a departure from most of the works focused on contemporary Hungarian politics Most tend to focus on describing the transition from democracy to autocracy with a focus on Viktor Orbán and the construction of an illiberal regime Ervin Csizmadia's book differs from this literature in its approach How it could have happened in Hungary in the first place To understand the essence of this you must recognize the whole process of Hungarian political development Csizmadia
