**Andrew Benjamin**

## **Georg Trakl And The Brenner Circle:**

**Georg Trakl and the Brenner Circle** Richard Detsch, 1991 This controversial study places the work of the Austrian poet Georg Trakl 1887 1914 within the context of the intellectual and cultural milieu surrounding Ludwig von Ficker 1880 1966 the editor of one of the most significant avant garde periodicals at the time of German expressionism In contrast to many studies which see Trakl as the literary heir of Rimbaud and Hlderlin among others this study concentrates on his heretofore unexamined relationships to other contributors to the Brenner It uncovers an atmosphere of repressed and tormented sexuality which seems to have been characteristic of provincial Austria at the turn of the century and which erupts menacingly in Trakl's poetry

**Georg Trakl's Poetry** Richard Detsch, 1991-01-18 The chaotic mixture of elements in Trakl's poems is more apparent than real this book argues thus challenging the Orphic view of Walther Killy and his followers A dream of unity one of the most ancient dreams in human history is in fact reflected in all of Trakl's work The recurring themes in Trakl's poetry are brought into focus through Dr Detsch's literary psychological and philosophical analysis the union of male and female in incest from the Jungian standpoint the union of life and death from the Heideggerian standpoint and that of German Romanticism as represented by Novalis the union of good and evil from the Dostoyevskian or Nietzschean standpoint the mixture of images from the Goethean definition of symbolism Trakl 1887 1914 is presented as a poet whose lyric voice sounded a cry of hope in its deepest despair As Dr Detsch's generous quotations from the poet's work in the original German make clear Georg Trakl sought poetic expression for a union of opposites

*The Oxford Critical and Cultural History of Modernist Magazines* Peter Brooker, Andrew Thacker, 2009 The first full study of the role of little magazines and their contribution to the making of artistic modernism and the avant garde across Europe this volume is a major scholarly achievement of immense value to those interested in material culture of the twentieth century

**Dialogue on the Threshold** Ian Alexander Moore, 2022-11-01 In the early 1950s German philosopher Martin Heidegger proclaimed the Austrian expressionist Georg Trakl to be the poet of his generation and of the hidden Occident Trakl a guilt ridden lyricist who died of a cocaine overdose in the early days of World War I thus became for Heidegger a redemptive successor to Hlderlin Drawing on Derrida's *Geschlecht* series and substantial archival research *Dialogue on the Threshold* explores the productive and problematic tensions that pervade Heidegger's reading of Trakl and reflects more broadly on the thresholds that separate philosophy from poetry gathering from dispersion the same from the other and the native from the foreigner Ian Alexander Moore examines why Heidegger was reluctant to follow Trakl's invitation to cross these thresholds even though his encounter with the poet did compel him to take up in astounding ways many underrepresented topics in his philosophical corpus such as sexual difference pain animality and Christianity A contribution not just to Heidegger and Trakl studies but also more modestly to the old quarrel between philosophy and poetry *Dialogue on the Threshold* concludes with new translations of eighteen poems by Trakl

**Adorno and Existence** Peter E. Gordon, 2016-11-14 From the beginning to

the end of his career the philosopher Theodor W Adorno sustained an uneasy but enduring bond with existentialism His attitude overall was that of unsparing criticism verging on polemic In Kierkegaard he saw an early paragon for the late flowering of bourgeois solipsism in Heidegger an impresario for a jargon of authenticity cloaking its idealism in an aura of pseudo concreteness and neo romantic kitsch Even in the straitened rationalism of Husserl s phenomenology Adorno saw a vain attempt to break free from the prison house of consciousness Gordon in a detailed sensitive fair minded way leads the reader through Adorno s various usually quite vigorous rhetorically pointed attacks on both transcendental and existential phenomenology from 1930 on A singularly illuminating study Robert Pippin Critical Inquiry Gordon s book offers a significant contribution to our understanding of Adorno s thought He writes with expertise authority and compendious scholarship moving with confidence across the thinkers he examines After this book it will not be possible to explain Adorno s philosophical development without serious consideration of Gordon s reactions to them Richard Westerman Symposium

Wittgenstein's Vienna Revisited Allan Janik, 2018-04-17 Fin de siecle Vienna was once memorably described by Karl Kraus as a proving ground for the destruction of the world In the decades leading to the World War that brought down the Austro Hungarian empire the city was at once an operetta dream world masking social and political problems and tension as well as a center for the far reaching explorations and innovations in music art science and philosophy that would help to define modernity One of the most powerful critiques of the retreat into fantasy was that of the philosopher Ludwig Wittgenstein whose early career in Vienna has helped frame debates about ethical and aesthetic values in culture In Wittgenstein s Vienna Revisited Allan Janik expands upon his work Wittgenstein s Vienna co authored with Stephen Toulmin to amplify a number of significant points concerning the genesis of Wittgenstein s thought the nature of Viennese culture and criticism of contemporary culture Although Wittgenstein is the central figure in this volume Janik places considerable emphasis on other influential figures both Viennese and non Viennese in order to break down some of the persistent stereotypes about the philosopher and his surrounding culture especially the myths of carefree Vienna and Wittgenstein the positivist The persistence of these myths in Janik s view stems in part from the inability of many historians to differentiate past from present in the evaluation of intellectual currents Janik reviews a number of figures overlooked in assessing Wittgenstein Otto Weininger Kraus Schoenberg Nietzsche Wagner Ibsen Offenbach and Georg Trakl All of these Janik demonstrates are absolutely necessary to understand what was at stake in the debates on aestheticism and the critique of a modern culture Wittgenstein s efforts to recognize the limits of thought and language and thus to be fair to science religion and art account for his place of honor among critical modernists These essays elucidate Wittgenstein s perspective on our culture *The Gentle Apocalypse* Richard Millington, 2020 Like much German language poetry of the years preceding the First World War the poems of Georg Trakl 1887 1914 are imbued with a sense of historical crisis but what sets his work apart is the mildness and restraint of his images of universal disintegration Trakl typically couched his vision of the end of days in

images of migrating birds abandoned houses and closing eyelids making his poetry at once apocalyptic rustic and intimate The argument made in this study is that this vision amounts to a unitary worldview with tightly interwoven affective ethical social historical and cosmological dimensions Often termed hermetic and obscure Trakl's poems become more accessible when viewed in relation to the evolution of his methods and concerns across different phases and the idiosyncrasies of his strangely beautiful later works make sense as elements of a sophisticated system of expression committed to truth as a transcendental order Through close readings of poems covering the span of his lyric output this study traces the evolution of Trakl's distinctive style and themes while attending closely to biographical and cultural contexts Richard Millington is Senior Lecturer in German at Victoria University of Wellington Aotearoa New Zealand He is the author of *Snow from Broken Eyes* *Cocaine in the Lives and Works of Three Expressionist Poets* 2012

**Georg Trakl. - New York: Twayne (1971). 166 S.**

**8°** Herbert Lindenberger, 1971 [Encyclopedia of German Literature](#) Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings

**Heidegger and Literary Studies** Andrew Benjamin, 2023-11-23 Martin Heidegger is one of the most influential philosophers of the 20th Century and a key philosophical resource for literary critics Not only has he written about poetry generations of poets have engaged his writings And yet for Heidegger poetry and literature are separate An essential part of the project of this book therefore is to show how both the distinction and connection between literature and poetry is staged within Heidegger's thought It offers Heidegger's perspective on a range of key themes topics poets and writers including Poetry and Poetics Ancient Greek theatre and tragedies and then specifically Friedrich Hölderlin Thomas Mann Paul Celan Euripides and Sophocles As the Chapters comprising this book make clear Heidegger's work remains indispensable for any serious engagement with either literature or poetry today

**Webern and the Lyric Impulse** Anne Chatoney Shreffler, 1994 This study provides a new view of a composer long considered to be one of the century's most rigorously intellectual creators Anton Webern By examining a central pre twelve tone work the Trakl cycle Op 14 in the context of the Viennese intellectual and artistic climate Professor Shreffler shows how Webern's responses to Trakl's complex verse enabled him to expand his musical vocabulary The author's emphasis on Webern's compositional process is of particular importance whether because of the anxiety of creating a new musical language or because of an innate hyper perfectionism or both Webern rejected most of what he

composed A close examination of the manuscript sources fragments sketches and fair copies of Webern's comparatively neglected middle period lieder enables her to shed light on Webern's musical language and his working methods A focus on the sources also helps to modify the view that his music progressed steadily in the direction of the twelve tone technique The works reveal instead a concern with expressing the essence of the text this lyricism rather than articulating a substantially different aesthetic from the later works provides a better understanding of the consummate lyricism of all his music however compressed or fragmented its utterance in the classic twelve tone works Modern Austrian Literature, 2000 Includes the index to the Journal of the International Arthur Schnitzler Research Association 1961-67 *Tractatus in Context* James C. Klagge, 2021-10-01 Ludwig Wittgenstein's brief *Tractatus Logico Philosophicus* 1922 is one of the most important philosophical works of the twentieth century yet it offers little orientation for the reader The first time reader is left wondering what it could be about and the scholar is left with little guidance for interpretation In *Tractatus in Context* James C Klagge presents the vital background necessary for appreciating Wittgenstein's gnomic masterpiece *Tractatus in Context* contains the early reactions to the *Tractatus* including the initial reviews written in 1922-1924 And while we can't talk with Wittgenstein we can do the next best thing hear what he had to say about the *Tractatus* Klagge thus presents what Wittgenstein thought about germane issues leading up to his writing the book in discussions and correspondence with others about his ideas and what he had to say about the *Tractatus* after it was written in letters lectures and conversations It offers you might say Wittgenstein's own commentary on the book Key Features Illuminates what is at stake in the *Tractatus* by providing the views of others that engaged Wittgenstein as he was writing it Includes Wittgenstein's earlier thoughts on ideas in the book as recorded in his notebooks letters and conversations as well as his later retrospective comments on those ideas Draws on new or little known sources such as Wittgenstein's coded notebooks Hermine's notes Frege's letters Hensel's diary Ramsey's notes and Skinner's dictations Draws connections between the background context and specific passages in the *Tractatus* using a proposition by proposition commentary *Wittgenstein and the Vienna Circle* Friedrich Stadler, 2023-03-03 This book offers a critical update of current Wittgenstein research on the *Tractatus logico philosophicus* TLP and its relation to the Vienna Circle The contributions are written by renowned Wittgenstein scholars on the occasion of the Wittgenstein Years 1921-1922 with a special focus on its origin reception and interpretation then and now The main topic is the mutual relation between Wittgenstein and the Vienna Circle esp Schlick Waismann Carnap G del but also Russell and Ramsey In addition included in this volume are new studies on Wittgenstein's life and work on the philosophy of the TLP and on the Wittgenstein family in philosophical and historical context Furthermore unpublished documents on Wittgenstein and Waismann from the archives are provided in form of edited and commented primary sources As per the book series usual format a general part of this Yearbook covers a study on Neurath's economy as well as reviews of related publications

**Georg Trakl und die literarische Moderne** Károly Csúri, 2009-10-16 Bekanntlich gehört Georg Trakl 1887-1914 zu den

bedeutendsten deutschsprachigen Lyrikern des 20. Jahrhunderts. Wegen ihrer faszinierenden Schönheit lassen sich manche seiner Gedichte zu den Spitzenleistungen der europäischen Lyrikgeschichte der Moderne überhaupt rechnen. Doch haben die Rezeptionsschwierigkeiten Traklscher Lyrik nicht nur positive Resonanz ausgelöst, sondern von Anfang an auch negative Qualifizierungen wie Dunkelheit, Schwermüdigkeit oder gar Unsinn hervorgerufen. Im Mittelpunkt der Untersuchungen steht diese grundlegende Spannung: Es wird danach gefragt, ob und in welchem Sinne zwischen schön und unverstündlich eine unauflösbare Interdependenz bei Trakl und in der modernen Dichtung allgemein besteht, oder ob sich das Theorem der Unverständlichkeit m. glicherweise in der Entschlüsselung der zugrunde liegenden Strukturen selbst aufhebt und die poetische Schönheit gerade durch die erschlossenen Strukturen das heißt das zugeordnete Erklärungsmodell selbst erzeugt. Entsprechend den verschiedenen methodischen Ansätzen wird dieses Problem in den einzelnen Beiträgen unterschiedlich beantwortet. Eine einheitliche und eindeutige Antwort zu bekommen konnte auch nicht das Ziel sein. Vielmehr sollte erreicht werden, dass die Vielfalt der Betrachtungsweisen hermeneutische, konstruktivistisch-strukturalistische, semiotische, psychogenetische und poststrukturalistisch-antihermeneutische Interpretationsverfahren sowie die intertextuellen Forschungen oder die literaturkultur-rezeptions- und wirkungsgeschichtlichen Kontextanalysen die Trakl-Philologie mit neuen Einsichten bereichern und zu einem differenzierteren Verständnis der spezifischen Charakteristika von Trakls Lyrik beitragen.

**Kierkegaard's International Reception** Jon Stewart, 2009. Tome I covers the reception of Kierkegaard in Northern and Western Europe. The articles on Denmark, Norway, Sweden, Finland and Iceland can be said to trace Kierkegaard's influence in its more or less native Nordic Protestant context. Since the authors in these countries, with the exception of Finland, were not dependent on translations or other intermediaries, this represents the earliest tradition of Kierkegaard reception. The early German translations of his works opened the door for the next phase of the reception, which expanded beyond the borders of the Nordic countries. The articles in the section on Western Europe trace his influence in Great Britain, the Netherlands and Flanders, Germany and Austria, and France. All of these countries and linguistic groups have their own extensive tradition of Kierkegaard reception.

Karl Kraus and the Critics Harry Zohn, 1997. Karl Kraus and the Critics, the first study devoted entirely to a century of critical reactions to this controversial satirist who was both deified and vilified in his lifetime and in the six decades since his death, attempts to reduce an enormous amount of criticism to manageable dimensions and to give a typology of this commentary. By means of copious quotation from both major and minor studies as well as reliable translation, it provides some access to criticism that has been published only in German. A chronology of Kraus's life and works and an extensive bibliography of both primary and secondary writings are intended to enhance the reference value of this book and to stimulate further reading and research.

The Germanic Review, 1961

Otto Weininger Chandak Sengoopta, 2000-07. Sengoopta shows that Weininger's misogynist and anti-Semitic views did not stem solely from his private prejudices but were part of a comprehensive and quite typically Viennese analysis of

masculinity and femininity and a critique of modernity in general and of feminist activism in particular BOOK JACKET

Sadness and Melancholy in German-language Literature and Culture Mary Cosgrove, Anna Richards, 2012 Focusing on Sadness and Melancholy in German language Literature and Culture volume 6 investigates the often subversive function and meaning of sadness and melancholy in German language literature and culture from the seventeenth century to the present where arguably it has fallen from the heights of melancholy genius and artistic creativity of earlier epochs to become the embarrassing other of a Western civilization that prizes happiness as the mark of successful modern living Interrogating the distinction between sadness as an anthropological constant and melancholy as a shifting cultural discourse the contributions explore how different authors use established literary and cultural topoi from melancholy discourses to comment on topics as diverse as war religion gender inequality and modernity As well as essays on canonical figures including Goethe and Thomas Mann the volume features studies of sadness in lesser known writers such as Betty Paoli and Julia Schoch From publisher s website

Eventually, you will utterly discover a new experience and feat by spending more cash. yet when? complete you believe that you require to get those every needs past having significantly cash? Why dont you try to get something basic in the beginning? ### **Georg Trakl And The Brenner Circle Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Georg Trakl And The Brenner Circle PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Georg Trakl And The Brenner Circle PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Georg Trakl And The Brenner Circle free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Georg Trakl And The Brenner Circle Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Georg Trakl And The Brenner Circle is one of the best book in our library for free trial. We provide copy of Georg Trakl And The Brenner Circle in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Georg Trakl And The Brenner Circle. Where to download Georg Trakl And The Brenner Circle online for free? Are you looking for Georg Trakl And The Brenner Circle PDF? This is definitely going to save you time and cash in something you should think about.
