A History of American Biography, 1800-1935 Edward H. O'Neill, 2015-09-30 A survey and evaluation of the whole range of American biography from the earliest important lives to book of the present day. **George Rogers Clark** William Nester, 2012-11-20 George Rogers Clark 1752-1818 led four victorious campaigns against the Indians and British in the Ohio Valley during the American Revolution but his most astonishing coup was recapturing Fort Sackville in 1779 when he was only twenty-six. For eighteen days in the dead of winter Clark and his troops marched through bone-chilling nights to reach the fort. With a deft mix of guile and violence Clark led his men to triumph without losing a single soldier. Although historians have ranked him among the greatest rebel commanders Clark's name is all but forgotten today. William R. Nester resurrects the story of Clark's triumphs and his downfall in this the first full biography of the man in more than fifty years. Nester attributes Clark's successes to his drive and daring, good luck, charisma, and intellect. Born of a distinguished Virginia family, Clark wielded an acute understanding of human nature both as a commander and as a diplomat. His interest in the natural world was an inspiration to lifelong friend Thomas Jefferson who asked him in 1784 to lead a cross-country expedition to the Pacific and back. Clark turned Jefferson down. Two decades later his youngest brother William would become the Clark celebrated as a member of the Corps of Discovery. By the beginning of the nineteenth century though George Rogers Clark may not have been fit to command any expedition. After the revolution he raged against the government and pledged fealty to other nations leading to his arrest under the Sedition Act. The inner demons that fueled Clark's anger also drove him to excessive drinking. He died at the age of sixty-five, bitter, crippled, and alcoholic. He was Nester shows a self-destructive hero, a volatile multidimensional man whose glorying in war ultimately engaged him in conflicts far removed from the battlefield and against himself.
