

George C Marshall

Carole Marsh

George C Marshall:

George C. Marshall: Soldier-Statesman of the American Century Mark A. Stoler, 2021-06-25 In a career that paralleled the emergence of the United States as an international power Marshall was a participant in every significant event contributing to the nation's status as a superpower From his first combat duty in the Philippines at the turn of the century through both World Wars into the cold war and the Korean conflict Marshall was a key figure in devising and implementing US military strategies and foreign policies Stoler emphasizes the years 1939 1951 when Marshall served as World War II army chief of staff special presidential representative to China secretary of state at the beginning of the cold war and Korean War secretary of defense The book is unique in its merging of military and diplomatic history with biography It includes a chronology and a bibliographic essay Drawing on more detailed works supplemented by his sound judgments based on his own careful research Stoler has successfully caught the spirit of the man and his work Forrest C Pogue official biographer of Marshall former director of the George C Marshall Foundation Useful fascinating and very informative Stoler illuminates many historical debates and events David Eisenhower author of Eisenhower at War 1943 1945 A very readable book based on the most recent scholarship and presented in a way that students can understand Michael J Hogan Ohio State University In a skillful work of compression and synthesis Mark A Stoler sets himself an ambitious dual task to render comprehensible the life of an individual almost no one knew well and to ground this life firmly in the context of the revolution in American foreign relations during the first half of the twentieth century The enterprise succeeds admirably partly because Marshall's career lends itself to such treatment and partly because Stoler demonstrates a flair for selecting the essential from the immaterial H W Brands *The American Historical Review* This is the best available one volume biography of this distinguished man Stoler demonstrates Marshall's intellectual growth as he came to understand international politics and the limits of power Daniel R Beaver *The Historian* A richly researched and balanced assessment Stoler's insights into Marshall are many and valuable He perfectly captures his sterling integrity and the extent of his exemplary nonpartisanship this is the best single volume about a true hero Barry F Machado *The Journal of Military History* An excellent book There have been short one volume biographies of Marshall before but this is the best of the lot Among the strengths of Stoler's treatment are his careful exposition of the factors in Marshall's youth crucial to the formation of his character the importance of his various experiences with the National Guard the Plattsburg volunteers and the Civilian Conservation Corps in conditioning his faith in citizen soldiers and the formative role of his professional education at the Command and General Staff School at Fort Leavenworth and the Infantry School at Fort Benning I B Holley Jr *The Journal of American History* Stoler is able to present the issues faced by the new chief of staff lucidly and with great insight In sum Professor Stoler with style and verve has produced an excellent summary volume on George C Marshall and his times the book is insightful readable provocative and manageable I highly recommend it Douglas Kinnard *Naval War College Review* The book breaks through the general's deliberately cultivated

stoic persona and demonstrates the humanity that made him so admired in public and private Stoler's work stands as a model of its genre a concise study that incorporates themes from the large body of current scholarship in the field without ever losing sight of its central character Stoler captures the complexity of the man and his times in a book that is a pleasure to read Donald A Ritchie *The Oral History Review* This is a useful volume for those who lack the time to read all four volumes of Forrest Pogue's biography Gaddis Smith *Foreign Affairs* **George C. Marshall and the Early Cold War** William A.

Taylor, 2020-07-09 Though best known for his central part in the American war effort from 1939 to 1945 George C Marshall's critical role in the early Cold War was probably at least as important in shaping the policies and politics of the postwar western world and in cementing his place as a pivotal figure in twentieth century American history This book places Marshall squarely at the center of the story of the American century by examining his tenure in key policymaking positions during this period including army chief of staff special presidential envoy to China secretary of state and secretary of defense among others George C Marshall and the Early Cold War brings together a diverse and accomplished group of scholars including military diplomatic and institutional historians to explore how Marshall Time magazine's Man of the Year in both 1943 and 1947 and the 1953 Nobel Peace Prize winner molded debates on all the major issues of his day such as universal military training China's civil war an independent air force the National Security Act of 1947 nuclear weapons European Recovery Program North Atlantic Treaty Korean War and racial integration of the U S military With a focus on Marshall's public service at the intersection of American policy politics and society the authors provide a comprehensive historical account of his central role in shaping America during a tumultuous yet formative period in the nation's history Their work fills a void in the scholarship of American military history and American history generally providing context for the consideration of broader questions about American power and the place of the military within American society **George C. Marshall**

Robert H. Ferrell, 1966 **George C. Marshall: Ordeal and Hope, 1939-1942** Forrest C. Pogue, 2020-05-26 Covering the period between George C Marshall becoming Chief of Staff in September 1939 and the first military successes in 1942 Guadalcanal El Alamein Northwest Africa this volume describes how Marshall built up an army and air corps of fewer than 200 000 in 1939 with key players such as Harry Hopkins FDR's confidant Secretary of the Treasury Henry Morgenthau Secretary of War Henry Stimson President Roosevelt and Congress This work on Marshall continues to be the fine scholarly product that one expects from its author C P Stacey *International Journal* Dr Pogue has written a splendid account of the army high command in World War II It makes an important contribution to the history of our times and complements previously published memoirs and official histories The military specialist will be impressed by the systematic coverage Dr Pogue gives to the way in which Marshall used his staff and managed the war General readers will be fascinated by the new information provided about the characters and wartime actions of such leaders as Roosevelt Churchill MacArthur and Eisenhower This is a thoroughly satisfying book and a splendid companion to the first volume H A De Weerd *The Virginia*

Quarterly Review The United States Sir John Dill told General Brooke has not repeat not the slightest conception of what the war means and their armed forces are more unready for war than it is possible to imagine Mr Pogue has as his subject the movement of the country from such material and spiritual limitation to the landings in North Africa and as his special thesis the contribution of General George C Marshall in the production of this remarkable transition What General Marshall did was to plan negotiate organize and above all decide Mr Pogue s narrative is lean clear and well controlled What so often he is dealing with in these pages is the resolution of endless conflicts of prejudice and interest His capacity to recognize and define the issues in debate to expose with clinical balance the motives and feelings of the debaters to weigh out honestly the merits and defects of the conclusions reached is impressive and a valuable aid to fuller understanding Mr Pogue succeeds as well in giving the reader a good feeling for the administrative situation in which General Marshall spent most of his time how policies were developed officers selected for special tasks decisions taken and all the rest of it A solidly constructed carefully developed book Elting E Morison The Journal of Southern History This second volume of Forrest Pogue s long awaited authorized biography of General George C Marshall has reached the period of Marshall s first three years as Chief of Staff when he initiated the vast expansion of the US Army for World War II Excellent footnotes and detailed appendixes interviews and bibliographical notes will ensure Pogue s Marshall a permanent place in US military history and biography Trumbull Higgins The American Historical Review

The Marshall Story Robert Payne, 2017-02-07 Originally published in 1951 this is the story of the life and mind of George C Marshall soldier and statesman as told by a distinguished writer whose own background makes him particularly qualified to discuss some of the more controversial aspects of General Marshall s work since World War II Robert Payne carefully places George Marshall against the Virginia background from which he came and takes him from there through his education at V M I his experiences as a young officer the first indications of his genius in World War I his work between the wars his colossal achievement as one of the architects of victory in World War II his ill fated mission in China his contribution to the Marshall Plan and his present work in the military effort Showing in quite an extraordinary way how Marshall represents the strengths and weaknesses of the American tradition this book s study of the life of a great contemporary American illuminates the American scene with an insight rarely equalled in a biographical work This book will shatter some illusions about George C Marshall but it will also place him in the perspective of his time and demonstrate that he may be even greater than many of us have thought him to be

George C. Marshall: Education of a General, 1880-1939 Forrest C. Pogue, 2020-05-10 Born in Uniontown Pennsylvania George Catlett Marshall 1880 1959 attended the Virginia Military Institute and was named VMI s First Captain in his senior year because of his character and sense of duty more than scholastic achievement In 1902 while a second lieutenant Marshall married Elizabeth Carter Coles During World War I Marshall demonstrated his superior skill for organization and leadership on the staff of General John J Pershing commander of the American Expeditionary Force in France Between World Wars I and II Marshall served as

Pershing's aide in Washington DC with troops in China as an instructor at Fort Benning Georgia and at other posts throughout the United States Marshall married Katherine Boyce Tupper Brown in 1930 after the death of his first wife in 1927 He commanded the Vancouver Barracks in Vancouver Washington between 1936 and 1938 and was appointed Army Chief of Staff by President Franklin D Roosevelt on September 1 1939 Pogue and Harrison show admirably how Marshall's early life prepared him for his later responsibilities his beginning as a second lieutenant in the Philippines his service on Pershing's staff in the First World War three years in China in the Twenties his exceptionally influential term at the Infantry Training School at Fort Benning a period organizing CCC camps a time in exile when MacArthur sent him to the Illinois National Guard thereby as Marshall thought ending his career until Pershing's insistent pressure brought him back to Washington and Harry Hopkins impressed by his cool efficiency urged him on Roosevelt Education of a General is carefully researched well composed and judiciously written The portrait of Marshall is sympathetic but by no means worshipful Arthur Schlesinger Jr New York Review of Books A highly readable and thoroughly satisfactory biography that provides as full and definitive an account of the general's career to 1939 as is likely to appear for a long time The portrait that emerges from these pages is clearly that of an outstanding officer in both staff and command with wide experience in a variety of posts and a record for performing the tasks assigned to him superlatively well an outstanding work of scholarship and a definitive record of George Marshall's early years Louis Morton The Journal of Modern History This book will be interesting to the professional historian for its insights into the early career of a great soldier for much new material on the development of the military profession in the first half of the twentieth century and also for its methodology No effort was spared to make the work truly definitive a well written volume that is and will likely remain the best thing on Marshall's formative years Harry L Coles The Journal of American History Simplicity of tactics training for the unexpected regarding as more important knowing when to make a decision than what the decision should be these and the ability to command by obtaining assent rather than by exacting formal obedience were qualities characteristic of Marshall's own disposition And they were tied up with the conviction that American Army officers must know how to command a citizen army the present volume can help to explain why Marshall was a great war leader Kent Roberts Greenfield Political Science Quarterly The volume traces in a superb and detailed manner the progress of the General from childhood to the time he assumed the duties as Chief of Staff U S Army in 1939 This book is a most scholarly account of the trials and tribulations of an exceptional Army officer during the period prior to 1939 and clearly demonstrates how the right man got to the right place at the right time Naval War College Review A provocative history of the Army during the years of Marshall's rise Because this is a book rich in research and information it raises questions as well as answers them It promises to be one of the few indispensable works on the modern American Army Russell F Weigley The Annals of the American Academy of Political and Social Science Pogue presents logically the development of a junior officer The annotations are bountiful and explicit the bibliography of great value to historians the

persuasive rebuttal of widely circulated views of a decade ago most welcome This well organized and solidly written volume is good in itself and a welcome herald of the post 1939 volumes dealing with periods of great personal national and international controversy Mark S Watson *The American Historical Review* A work very much worth attention Mr Pogue's book is a fascinating story it gives a detailed account of the way in which this rather cold and self contained person became a gifted leader and master of men Bruce Catton *American Heritage* This is a vastly thorough piece of research a careful picture of the life and problems of an able American regular officer in the first third of the twentieth century C P Stacey *International Journal* A book which resembles its subject in simplicity directness and thoroughness This is an excellent example of military historical writing and an important contribution to the history of our times H A De Weerd *The Virginia Quarterly Review*

George C. Marshall Forrest C. Pogue, 1963 **George Marshall** Debi Unger, Irwin Unger, Stanley Hirshson, 2014-10-21 A full scale biography of this great soldier statesman that is both comprehensively researched and highly readable Publishers Weekly Here is the first biography to offer a complete picture of the life of George C Marshall chief of staff of the U S Army from 1939 to 1945 and the military leader who actually ran World War II for America as he oversaw all personnel and logistics Following Marshall from his childhood in western Pennsylvania and his training at the Virginia Military Institute to his role during and after World War II and his death in 1959 at the age of seventy eight this biography casts light on the inspiration he took from historical role models such as George Washington and Robert E Lee and his relationships with military brass the Washington political establishment and world leaders from Harry Truman to Chiang Kai shek It also explores Marshall's triumphs and defeats during World War II and his contributions through two critical years of the emerging Cold War including the transformative Marshall Plan which saved Western Europe from Soviet domination and his failed attempt to unite China's Nationalists and Communists Based on exhaustive research and filled with rich detail George Marshall is sure to be hailed as the definitive work on one of the most influential figures in American history Elegant and iconoclastic refreshing persuasive *New York Times Book Review* A grand but judicious biography of a fascinating man Evan Thomas author of *Ike's Bluff* *General of the Army* Ed Cray, 2000 A captivating and fanatically thorough reevaluation of Marshall's life and times **George C. Marshall: Statesman, 1945-1959** Forrest C. Pogue, 1987 Biography of George C Marshall general and statesman **George C. Marshall** Catherine A. Welch, 2004-12-30 Recounts the life and achievements of the Nobel Peace Prize winning United States Army general **George C. Marshall** C. Brower, 2011-06-06 Bringing together a who's who of Marshall scholars this volume examines the major roles assumed by Marshall over his five decade career soldier statesman and peacemaker and leader and manager to illuminate key issues and themes surrounding the man and his era **George C. Marshall** Alan Saunders, 1996 Recounts the life and achievements of the Nobel Peace Prize winning United States Army general **George C. Marshall, Soldier of Peace** James Barber, Larry I. Bland, *National Portrait Gallery (Smithsonian Institution)*, 1997 George C Marshall served as chairman of the U S Joint Chiefs of Staff during

World War II and as secretary of state during the rebuilding of Europe A master of mobilization and organization he did as much as any national leader in achieving Allied victory in the war afterward as architect of the Marshall Plan he won the Nobel Peace Prize for that massive and highly effective effort on behalf of Western European economic recovery Winston Churchill called him the noblest Roman of them all This colorful collection of Marshall portraiture and memorabilia commemorates and humanizes this giant of a man about whom comparatively little beyond his career achievements is known The book will accompany an exhibit on Marshall that will open at the National Portrait Gallery in November 1997 He was certainly no flamboyant general he was not a character there were no pearl handled revolvers or corncob pipes of crusty anecdotes to spice up the legend of Marshall He never wrote a book to tell his story He never ran for election to public office He never sought popularity He never exploited his fame He never asked for recognition or favors He was a man driven more than anything else by a sense of duty by the powerful overpowering obligation of service To him it was never George C Marshall that was important it was the task at hand Colin Powell Distributed for the National Portrait Gallery General George C. Marshall John T. Nelsen,1993 The study of strategic leadership as a formal analytical concept is relatively new Therefore concrete historical examples of leaders who have wrestled with the width and breadth of strategic level challenges are of inestimable value Marshall s contributions were no accident of history They resulted from the exercise of effective strategic leadership consciously and consistently applied across a broad spectrum of activities and interests This study analyzes the nature and effects of that leadership and captures the magnitude of Marshall s achievements as a strategic leader during what were frequently regarded as the unglamorous prewar years *A General's Last Call* Wayne C Thompson,2020-08-20 The opportunity to retire evaded George Marshall In September 1950 General Marshall as he was called by everyone left his office at the American Red Cross and was driven across the Potomac River to the Pentagon to be sworn into his new post as Secretary of Defense If you did not know that the General of the Army George Marshall s last official office was Secretary of Defense you would not be alone For most people his story ends with the Marshall Plan and there has not been a biography dedicated to George Marshall in his final official role until now *George C Marshall* Carole Marsh,2002-09-30 George Catlett Marshall was the only professional soldier to ever win the Nobel Prize for Peace He spent most of his life serving in the United States Army He is most remembered for the plan to help rebuild a war torn Europe after World War II These popular readers include easy to read information fun facts and trivia humor activities and a whole lot more They are great for ages 7 12 grades 2 6 because although simple these readers have substance and really engage kids with their stories They are great for social studies meeting state and national curriculum standards individual and group reading programs centers library programs and have many other terrific educational uses Get the Answer Key for the Quizzes Click [HERE](#) *George C. George C Marshall Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free George C Marshall PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and

professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free George C Marshall PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of George C Marshall free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About George C Marshall Books

1. Where can I buy George C Marshall books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
