George C Marshall Education Of A General 1889 1939:

George C. Marshall: Education of a General, 1880-1939 Forrest C. Pogue, 2020-05-10 Born in Uniontown Pennsylvania George Catlett Marshall 1880 1959 attended the Virginia Military Institute and was named VMI's First Captain in his senior year because of his character and sense of duty more than scholastic achievement In 1902 while a second lieutenant Marshall married Elizabeth Carter Coles During World War I Marshall demonstrated his superior skill for organization and leadership on the staff of General John J Pershing commander of the American Expeditionary Force in France Between World Wars I and II Marshall served as Pershing's aide in Washington DC with troops in China as an instructor at Fort Benning Georgia and at other posts throughout the United States Marshall married Katherine Boyce Tupper Brown in 1930 after the death of his first wife in 1927 He commanded the Vancouver Barracks in Vancouver Washington between 1936 and 1938 and was appointed Army Chief of Staff by President Franklin D Roosevelt on September 1 1939 Pogue and Harrison show admirably how Marshall's early life prepared him for his later responsibilities his beginning as a second lieutenant in the Philippines his service on Pershing's staff in the First World War three years in China in the Twenties his exceptionally influential term at the Infantry Training School at Fort Benning a period organizing CCC camps a time in exile when MacArthur sent him to the Illinois National Guard thereby as Marshall thought ending his career until Pershing's insistent pressure brought him back to Washington and Harry Hopkins impressed by his cool efficiency urged him on Roosevelt

Education of a General is carefully researched well composed and judiciously written The portrait of Marshall is sympathetic but by no means worshipful Arthur Schlesinger Jr New York Review of Books A highly readable and thoroughly satisfactory biography that provides as full and definitive an account of the general's career to 1939 as is likely to appear for a long time The portrait that emerges from these pages is clearly that of an outstanding officer in both staff and command with wide experience in a variety of posts and a record for performing the tasks assigned to him superlatively well an outstanding work of scholarship and a definitive record of George Marshall's early years Louis Morton The Journal of Modern History This book will be interesting to the professional historian for its insights into the early career of a great soldier for much new material on the development of the military profession in the first half of the twentieth century and also for its methodology No effort was spared to make the work truly definitive a well written volume that is and will likely remain the best thing on Marshall's formative year Harry L Coles The Journal of American History Simplicity of tactics training for the unexpected regarding as more important knowing when to make a decision than what the decision should be these and the ability to command by obtaining assent rather than by exacting formal obedience were qualities characteristic of Marshall's own disposition And they were tied up with the conviction that American Army officers must know how to command a citizen army the present volume can help to explain why Marshall was a great war leader Kent Roberts Greenfield Political Science Quarterly The volume traces in a superb and detailed manner the progress of the General from childhood to the time he assumed the duties

as Chief of Staff U S Army in 1939 This book is a most scholarly account of the trials and tribulations of an exceptional Army officer during the period prior to 1939 and clearly demonstrates how the right man got to the right place at the right time Naval War College Review A provocative history of the Army during the years of Marshall s rise Because this is a book rich in research and information it raises questions as well as answers them It promises to be one of the few indispensable works on the modern American Army Russell F Weigley The Annals of the American Academy of Political and Social Science Pogue presents logically the development of a junior officer The annotations are bountiful and explicit the bibliography of great value to historians the persuasive rebuttal of widely circulated views of a decade ago most welcome This well organized and solidly written volume is good in itself and a welcome herald of the post 1939 volumes dealing with periods of great personal national and international controversy Mark S Watson The American Historical Review A work very much worth attention Mr Pogue s book is a fascinating story it gives a detailed account of the way in which this rather cold and self contained person became a gifted leader and master of men Bruce Catton American Heritage This is a vastly thorough piece of research a careful picture of the life and problems of an able American regular officer in the first third of the twentieth century C P Stacey International Journal A book which resembles its subject in simplicity directness and thoroughness This is an excellent example of military historical writing and an important contribution to the history of our times H A De Weerd The Virginia Quarterly Review

Bourque, 2024-11-15 Entering West Point from central Oklahoma Raymond O Barton's prowess on the football field and wrestling team earned him the nickname Tubby an appellation used by his friends and fellow officers for the rest of his life Based on personal letters and documents this biography explores Barton's military career from his days as a cadet through thirty seven years of military service culminating with his command in World War II of the 4th Infantry Division during the US Army's campaign in France From the inside readers have a picture of officership during the intense days of training and expansion on the eve of World War II Finally thanks to the discovery of his war diary we have a close up view of his senior leadership as he trained in England for the landing on Utah Beach on June 6 1944 Through 204 days of continuous combat Barton led the 4th Infantry Division as it fought through German defenses on its way into Cherbourg His division led the VII Corps breakthrough on Operation COBRA and then held the north shoulder during the German counterattack at Mortain Now assigned to the V Corps the 4th Infantry Division liberated Paris alongside the French 2nd Armored Division On September 12 he became the first American general to cross the border into Nazi Germany In November he moved his

command to the Hürtgen Forest and for two weeks fought through some of the most inhospitable terrain in Europe. In December Barton's exhausted soldiers moved to Luxembourg to a more restful portion of the front lines only to face the southern flank of the German Ardennes Offensive. By the time the Ivy Division stopped the enemy outside of Luxembourg, Barton was exhausted and physically unable to continue in command. He returned home to live the rest of his life as a distinguished citizen of Augusta, Georgia.
