George Moore, O. M. Brack, 1988 Through the letters and commentary in this volume the Irish writer George Moore is revealed as a man and artist far more complex and important than most works on him suggest one who played a significant role in the Irish Literary Renaissance George Moore and the Autogenous Self Elizabeth Grubgeld, 1994 Moore's work exhibits a profound recognition of the forces of heredity gender culture and history while simultaneously declaring his belief in an autogenous self In early novels like *A Drama in Muslin* and *Esther Waters* there is a notable conflict between his postulation of the pure instinctive individual and the emphasis upon the shaping power of heredity and economics inherent in the traditions of social realism that he adopts In *The Untilled Field* *The Lake* and later works Moore perfects a narrative technique that in highlighting the power of subjective memory allows his characters to work out a new relation with the forces of history

Selected Plays of George Moore and Edward Martyn George Moore, 1995 Best known as a novelist and man of letters George Moore 1852 1933 is the author of such works as *Esther Waters* *A Drama in Muslin* *The Untilled Field* *The Brook Kerith* and his masterpiece *Hail and Farewell* Edward Martyn 1859 1923 was a distant cousin of Moore's and for a time the two were close friends Martyn a man of considerable wealth devoted his energies to a wide variety of activities particularly the Church and political activism His interest in playwriting like Moore's was of a secondary nature Nevertheless the two pooled and concentrated their talents to make important contributions at a critical juncture of the Irish literary renaissance In 1899 aiming to provide a platform for the work of serious native dramatists Martyn W. B. Yeats and Lady Gregory together founded the Irish Literary Theatre Martyn soon brought Moore on board to lend his experience and notoriety to the venture The great success of the Theatre's first season was Martyn's *The Heather Field* republished here which later enjoyed brief revivals in England Germany and the United States Top billing in the second season was to have gone to Martyn's fast paced caustic satire *The Tale of the Town* but Yeats thought the play crude and not at all suitable for a serious literary theater When Moore reluctantly agreed Martyn turned the play over to them to do with as they wished Moore then rewrote it as *The Bending of the Bough* Here the plays are published together for the first time This volume also

includes Moore's *The Strike at Arlingford*, *The Passing of the Essenes* and *The Coming of Gabrielle*. This last is based on his correspondence with an Austrian countess he never met and much of the dialogue in the play is taken directly from her letters. Martyn's *Maeve* written for the Irish Literary Theatre and *An Enchanted Sea* a short lyrical play first produced in 1904 are also found here. The plays in this volume were selected by David B Eakin and Michael Case who have contributed a critical introduction. Helpful bibliographical checklists of Moore's and Martyn's works both published and unpublished are also included. Irish nationalism Virginia Woolf with modern distraction and Ford Madox Ford with the Great Depression Adam Parkes argues that we must answer such questions if we are to appreciate the full impact of impressionist aesthetics on modern British and Irish writers Complicating previous accounts of the influence of painting and philosophy on literary impressionism *A Sense of Shock* highlights the role of politics uncovering new and deeper linkages In the hands of such practitioners as Conrad Ford James Moore Pater and Woolf literary impressionism was shaped by its engagement with important social issues and political events that defined the modern age As Parkes demonstrates the formal and stylistic practices that distinguish impressionist writing were the result of dynamic and often provocative interactions between aesthetic and historical factors Parkes ultimately suggests that it was through this incendiary combination of aesthetics and history that impressionist writing forced significant change on the literary culture of its time *A Sense of Shock* will appeal to students and scholars of nineteenth and twentieth century literature as well as the growing readership for books that explore problems of literary history and interdisciplinarity
