George Washington, Vignettes and Memorabilia George Washington Nordham,1977 **George Washington on Coins and Currency** Heinz Tschachler,2020-07-27 George Washington is the most popular subject on coins medals tokens paper money and postage stamps in America Attempts to eliminate one dollar bills from circulation replacing them with coins have been unsuccessful Americans reluctance to part with their Georges are beyond rational considerations but tap into deep felt emotions To discard one dollar bills means discarding the metaphorical Father of His Country Alexander Hamilton the nation s first Secretary of the Treasury said that monetary tokens were vehicles of useful impressions This numismatic history of George Washington traces the persistence of his image on American currency These images are mostly from the late 18th century This book also offers a close look at the pictorial tradition in which these images are rooted *George Washington and Political Fatherhood* Heinz Tschachler,2020-02-20 More than two hundred years after his death George Washington is still often considered the metaphorical father of the United States He was first known as the Father of His Country during his lifetime when the American people bestowed the title upon him as a symbolic act of resistance and rebirth Since then presidents have stood as paternal figureheads for America often serving as moral beacons This book tracks political fatherhood throughout world history from the idea of the pater patriae in Roman antiquity to Martin Luther s Bible translations and beyond Often using George Washington as a paradigm the author explores presidential iconography in the U S propaganda and the role of paternal rhetoric in shaping American sociopolitical history including the results of the 2016 presidential election Illustrated Catalog of Relics and Memorabilia of George Washington American Art Association,1922

The ^AFirst of Men John E. Ferling,2010-02-04 Written by John Ferling one of America s leading historians of the Revolutionary era The First of Men offers an illuminating portrait of George Washington s life with emphasis on his military and political career Here is a riveting account that captures Washington in all his complexity recounting not only his familiar sterling qualities courage industry ability to make difficult decisions but also his less well known character flaws This superb paperback makes available once again an honest and compelling biography of the father of our country **Catalog of Copyright Entries.
