An Arctic Diary

Georgia An Arctic Diary

Julia Schneider

Georgia An Arctic Diary:

Georgia, an Arctic Diary Georgia, 1982 A diary of one arctic year which is an amalgam of the many years lived in Igloolik and Repulse Bay Canada and the Idea of North Sherrill E Grace, 2002-04-15 Canada and the Idea of North examines the ways in which Canadians have defined themselves as a northern people in their literature art music drama history geography politics and popular culture From the Franklin Mystery to the comic book superheroine Nelvana Glenn Gould's documentaries the paintings of Lawren Harris and Molson beer ads the idea of the north has been central to the Canadian imagination Sherrill Grace argues that Canadians have always used ideas of Canada as North to promote a distinct national identity and national unity In a penultimate chapter The North Writes Back Grace presents newly emerging northern voices and shows how they view the long tradition of representing the North by southern activists artists and scholars With the recent creation of Nunavut increasing concern about northern ecosystems and social challenges and renewed attention to Canada's role as a circumpolar nation Canada and the Idea of North shows that nordicity still plays an urgent and central role in Canada at the start of the twenty first century **Bibliographic Guide to North American History**, 1984

Breaking the Ice Barry Scott Zellen, 2008-01-01 Breaking the Ice is a comparative study of the movement for native land claims and indigenous rights in Alaska and the Western Arctic and the resulting transformation in domestic politics as the indigenous peoples of the North gained an increasingly prominent role in the governance of their homeland This work is based on field research conducted by the author during his nine year residency in the Western Arctic Zellen discusses the major conflicts facing Alaskan Natives from the struggle to regain control over their land claims to the Native alienation from the corporate structure and culture and the resulting resurgence in tribalism He shows that while the forces of modernism and traditionalism continued to clash these conflicts were mediated by the structures of co management corporate development and self government created by the region's comprehensive land claims settlements Breaking the Ice gives testimony to the achievements of Alaskan Natives through peaceful negotiation and argues that the age of land claims has transmuted this same tribal force into something else altogether in the North a peaceful force to spawn the emergence of new structures of Aboriginal self governance **In the Empire of Ice** Gretel Ehrlich, 2010 Paints human caused climate change as a mirror of the culture abuse first people have been suffering for 250 years *Arctic Doom, Arctic Boom* Barry Scott Zellen, 2009-10-13 An expert examination of the way climate change is transforming the Arctic environmentally economically and geopolitically and how the challenges of that transformation should be met A growing number of scientists estimate that there will be no summer ice in the Arctic by as soon as 2013 Are we approaching the End of the Arctic as journalist Ed Struzik asked in 1992 or fully entering the Age of the Arctic as Arctic expert Oran Young predicted in 1986 *Arctic Doom Arctic Boom* The Geopolitics of Climate Change in the Arctic looks at the uncertainty at the top of the world as the shrinking of the polar ice cap opens up new sea lanes and the vast hydrocarbon riches of the Arctic seafloor to

commercial development and creates environmental disasters for Arctic biota and indigenous peoples Arctic Doom Arctic Boom explores the geopolitics of the Arctic from a historical as well as a contemporary perspective showing how the warming of the Earth is transforming our very conception of the Arctic In addition to addressing economic and environmental issues the book also considers the vital strategic role of the region in our nation s defenses **The Musk-ox** ,1992 *On Thin Ice* Barry Scott Zellen,2009-11-12 *On Thin Ice* explores the relationship between the Inuit and the modern state in the vast but lightly populated North American Arctic It chronicles the aspiration of the Inuit to participate in the formation and implementation of diplomatic and national security policies across the Arctic region and to contribute to the reconceptualization of Arctic Security including the redefinition of the core values inherent in northern defense policy With the warming of the Earth s climate the Arctic rim states have paid increasing attention to the commercial opportunities strategic challenges and environmental risks of climate change As the long isolation of the Arctic comes to an end the Inuit who are indigenous to the region are showing tremendous diplomatic and political skills as they continue to work with the more populous states that assert sovereign control over the Arctic in an effort to mutually assert joint sovereignty across the region Published on the 50th anniversary of Ken Waltz s classic *Man the State and War* Zellen s *On Thin Ice* is at once a tribute to Waltz s elucidation of the three levels of analysis as well as an enhancement of his famous Three Images with the addition of a new Fourth Image to describe a tribal level of analysis This model remains salient in not only the Arctic where modern state sovereignty remains limited but in many other conflict zones where tribal peoples retain many attributes of their indigenous sovereignty **Bibliographie Internationale D'anthropologie Sociale Et Culturelle** International Committee for Social Science Information and Documentation,1986-11-20 First published in 1986 Routledge is an imprint of Taylor Francis an informa company *The ... Nunavut Handbook* ,1999 Canadian Literary Landmarks John Robert Colombo,1984-01-01 Canadian Literary Landmarks Middlebury College Magazine ,1981 Eskimo ,1977 **Recent Polar and Glaciological Literature** ,1986 **Rencontre** ,1979 **Canadian Book Review Annual** ,1982 *The News at the Ends of the Earth* Hester Blum,2019-04-04 Hester Blum examines the rich offbeat collection of printed ephemera created by nineteenth and early twentieth century polar explorers showing how ship newspapers and other writing shows how explores wrestled with questions of time space and community while providing them with habits to survive the extreme polar climate Carved from the Land Eskimo Museum,Lorraine E. Brandson,Catholic Church. Diocese of Churchill-Hudson Bay,1994 Facts about Canada, Its Provinces and Territories Jean Weihs,1995 A reference of information on the ten provinces and two territories of Canada compiled from federal and provincial sources Entries discuss the geography population climate government politics history and culture of each region list political leaders from the 19th century to the present and contain chronologies of key events Includes a bibliography of fiction and nonfiction works for each province and territory plus an introductory chapter on Canada No index Annotation copyright by Book News Inc Portland OR Arts &

Culture of the North ,1976
