strugglin' Robert L.W Gant,2010-03-26 Black ideology and black political thoughts were a direct out growth from the civil rights movement and struggle during the early 60 s In 1963 I was invited into the civil rights movement by Dick Gregory At this time I was living on the westside of Chicago I was born in Augusta GA and raised by my grand parents Rawbean Rawbean It s time to get up boy my grandmother yelled Mrs Annie Gant It was 5 00 a m and still dark outside and I was still asleep I could barely hear her yelling At first I just laid there not fully aware of life and then my nose alerted my taste buds that it must be breakfast time As the smell of fresh bacon and hot homemade biscuits perfumed the air in my bedroom again my grandmother called Rawbean if you haven t gotten up and in here in one minute I m gonna come and get you and you ain t gonna like it I got up and immediately began my morning chores because I knew what grandmother meant and I sure wasn t in the mood for that especially so early in the morning When I finally arrived to the kitchen table my grand dad and my cousins James and Francis were already tasting breakfast The thought made my mouth water something awful Our kitchen was like any other country style kitchen of the 30 s for a poor black family We had a wood burning stove that was in fairly good shape An ice box which wasn t electric but rather one which held a solid block of ice with compartments for food We had a solid oak kitchen table with six chairs and the kitchen was beautifully decorated with what was not of my grandmother s choosing My grandmother was a beautiful African lady And my grand dad was Indian They were a very beautiful couple They had eight children and my mother was the baby and very spoiled and very beautiful She was what every one called a Georgia peach My dad was a Williams and the Williams family was an upper middle class family My dad worked for one of Augusta s leading brick companies and operated his own business a fruit and vegetable stand The weekend was upon us and everyone was busy getting things ready for Sunday There appears to be something big going on at our family church I noticed my grandmother taking out my Sunday best Grandmother am I goin to church with you No Rawbean Come here baby I m going to try to explain this to you the best way that I can Rawbean your grand dad isn t your real dad He s not No your real dad name is Albert Williams and he would like to see you Your step dad will be by later to visit with you and I m going to dress you now and please don t get your clothing dirty I had never seen my real dad or my step dad All of this was new and exciting Also very sad because in my mind grand dad was my real father Grandfather and I worked together played together He was my best friend and there was nothin that could come between us However I was thrilled to meet my real father That afternoon my step dad arrived on time and my grandmother invited him in He was tall dark and handsome with alikeable personality My mother had remained at their apartment with two brothers and a sister whom I had

never seen before William Jr Daniel and Flora Bell I was really thrilled To know I had brothers and sisters to play with It was truly a beautiful day Mr Johnson introduced himself to me and said Robert I m a friend to your dad and he asked me if I would bring you out to his home to visit him Would you like to go visit with him Yes My grandmother kissed me and said for me to hurry back Mr Johnson please take care of the baby I had no idea how far my dad really lived However once on the outside there was a beautiful automobile awaiting us My step dad picked me up and sat me inside I was thrilled Mr Johnson started the motor and began to pull off I looked back to see grandmother standing in the doorway with a v e r y serious look on her face It was a very lovely Sunday afternoon On our way to visit wit *Gainesville Green* Dolphus Cue,2012-06-27 This book began as a ode to the oak trees of Gainesville The city was so surrounded by these monstrous oaks it looked as if it sat in the lap of a forest But as the city grew more and more the developers moved in and began uprooting the trees There was a hue and cry about saving the trees and keeping Gainesville green among the concerned I took photos of the mighty oaks as a multi media project which I entiled Gainesville Green and repeated throughout the project Mother nature made her healthy and clean but only you and I can keep Gaineville green Later I learned that Gaineville Green also referred to home grown Marijuana **Greed Deceit and Murder** Ray M. Green,2011-03 George Harvey was a bright young man with the world at his feet With wealthy parents and an adoring fiance George had the perfect life As an intelligent Columbia law school student he had a promising legal career ahead of him But his perfect life soon comes crashing down on him Just before graduation George s father is taken into custody by the IRS for tax evasion and the family s assets are all frozen Though George perseveres his perseverance is marred by tragedy Not a month later on the night of his graduation a drunk driver slams into his car killing his mother and fiance George closes himself off from the rest of the world and enters a deep depression He decides he needs to get away from the only world he knows and drives south to Florida and begins practicing law there throwing himself into every case He rose through the ranks quickly and now serves as a judge of the Thirteenth Judicial Circuit But George s illustrious professional career is all just a faade By day he s the Honorable Judge George Harvey but what others don t know is that he dabbles in all manner of vices including drugs gambling and prostitution And soon those vices will catch up to him Discover just how corrupt the law can be in *Greed Deceit and Murder* Ray M Green is a retired police detective who works in Tampa Florida as a forensic document examiner specializing in handwriting identification He is a member of the International Association for Identification and the American Board of Forensic Examiners He and his wife Violeta have three children *Peanut King* Zee Avery,2016-11-22 Ascending into power supernatural occurrences transforms this man into the new super evil villain known as the Peanut King This scary villain displays powers and unique abilities that other villains do not have allowing this villain to inflict havoc mayhem and death on anyone that has unfortunate encounters with him He can attack you at anytime of the year day or night **Alfie and Papa'S Other Boys** Henry A. Buchanan,2011-12-19 The book Alfie and Papas Other Boys is the fourth in a series which began with Alfies Story Little Boy

Growing Up After that the exciting story of Alfie and the Moonshiners Next came And the Rest of Alfies Story I really thought that was the rest of the story It wasnt Now we have these tales beginning with Papas Missing Toe and ending with Tis a Mark of Distinction There is not a dull moment in between these two fascinating pictures of Papas role in the lives of his four boys Willie is the oldest the ring leader in all their mischief and the embodiment of primogeniture because Margaret died There is Cliff Granma characterized him when she said Give that boy a wheel and he will roll it off the edge of the world And Junior is Alfies nemesis he is just enough bigger than Alfie to taunt him and not bigger enough to control him Lastly there is Alfie the Baby impulsive irrepressible and curious beyond belief But always the Baby until the arrival of Jody ten years late for this book of Alfie tales

McDonald, 2006-01-24 Erskine Caldwell has been compared to literary giants like Faulkner and Hemingway yet he has also been reviled as peddler of pop trash Was he a genius or just a shooting star whose brilliance faded long before he stopped writing Caldwell began his career in the late 1920s and gained fame for revealing the gritty backwoods South in novels such as his seminal Tobacco Road He wrote prolifically sometimes as much as a book a year As the editor of this book maintains perhaps anyone who wrote so much would inevitably stumble These 12 essays explore a variety of issues They discuss Caldwell as humorist social commentator modernist and revolutionary novelist They examine his themes and tropes political images social injustice the environment ideological struggles and his use of artistic devices short stories cubist strategies repetition A generous bibliography includes not only books on Caldwell but also chapters and forewords journal articles essays news items and obituaries The reader is encouraged to look at Caldwell with fresh eyes to press beyond his controversial image and to compare his works especially his early ones to those of any of the top names in literature **The People's Writer** Wayne Mixon, 1995 Most critics have considered Caldwell to be only a minor southern writer often associating him with his worst writing Yet Saul Bellow suggested he deserved the Nobel Prize and William Faulkner once characterized him as one of the five best writers of his time alongside himself Thomas Wolfe Ernest Hemingway and John Dos Passos
