Richard W. Bevis, 2014-06-06 *What were the causes of Restoration drama's licentiousness How did the elegantly turned comedy of Congreve become the pointed satire of Fielding And how did Sheridan and Goldsmith reshape the materials they inherited In the first account of the entire period for more than a decade Richard Bevis argues that none of these questions can be answered without an understanding of Augustan and Georgian history The years between 1660 and 1789 saw considerable political and social upheaval which is reflected in the eclectic array of dramatic forms that is Georgian theatre's*

essential characteristic Manners, Morals and Class in England, 1774-1858 M. Morgan, 1994-03-15 This book analyses English social and occupational behavioural ideals from the courtesy book's demise in 1774 to the Medical Act's passage in 1858. Ideals from conduct and etiquette books mix gracefully with those displayed by professional groups particularly medical practitioners in an analysis that challenges conventional thinking about class and social change in early industrial England. Dr Morgan's study will be essential reading for British historians as well as for all those interested in how individuals establish personal identity and infuse confidence into human relations in an impersonal urban society *R. H. Cromek, Engraver, Editor, and Entrepreneur* Dennis M. Read, 2016-12-05 Based on meticulous archival research Dennis M Read's study offers the most accurate and thorough account to date of the engraver editor and arts enthusiast R H Cromek. Though he is best known today as William Blake's nemesis, Cromek made significant contributions to the vitality of the arts in nineteenth century Britain. Read traces Cromek's early years as an accomplished engraver, his collaborations and falling out with Blake and his editing and publishing ventures showing him to be a pioneer who recognized the opportunities of the emerging market economy. Read's descriptions of Cromek's disastrous associations with the Chalcographic Society, his publication of Robert Burns's unpublished works and his duping by the perpetrator of a literary hoax make for fascinating reading and tell us much about the commercial art and publishing scenes in England and Scotland. Perhaps most important, Read salvages Cromek's reputation as an unscrupulous exploiter of Blake and others. A fuller and more balanced portrait emerges that shows Cromek's efforts to bring the arts to emerging cities of the midlands and beyond, describes his friendships and associations with luminaries of the fine arts and literature such as Leigh Hunt and Benjamin West and challenges more biased reports of his successes and failures as an entrepreneur **Georgette Heyer's Regency World** Jennifer Kloester, 2010-08 Georgette Heyer fans are sure to delight in Kloester's definitive guide to Heyer's Regency world: the people, the shops, clubs and towns they frequented, the parties and seasons they celebrated, how they ate, drank, dressed, socialized, voted, shopped and drove **A Science of Impurity** Christopher Hamlin, 1990-01-01 **Health for Sale** Roy Porter, 1989

Articulate Images Richard Wendorf, 1983-10-01 *Articulate Images* was first published in 1983. Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions. Twenty five years ago Jean Hagstrum published a pioneering study *The Sister Arts* showing how the visual arts influenced the imagination of seventeenth and eighteenth century English poets. Hagstrum's book suggested the intimate and sometimes troubled relationship between poetry and painting and more than any other on the subject provided a basis for subsequent development and refinement within this field of comparative studies. The nine original essays in *Articulate Images* address the central issues Hagstrum raised; they serve as an introduction to current approaches to the sister arts. Fully illustrated, *Articulate Images* will be enjoyed by readers entering the field as well as by seasoned votaries of the sister arts **Stitches in Time** Lucy Adlington, 2015-10-08 Riffing through the wardrobes of years

gone by costume historian Lucy Adlington reveals the rich stories underlying the clothes we wear in this stylish tour of the most important developments in the history of fashion from ancient times to the present day Starting with underwear did you know Elizabeth I owned just one pair of drawers worn only after her death she moves garment by garment through Western attire exploring both the items we still wear every day and those that have gone the way of the dodo sugared petticoats farthingales and spatterdashers to name but a few Beautifully illustrated throughout and crammed with fascinating and eminently quotable facts Stitches in Time shows how the way we dress is inextricably bound up with considerations of aesthetics sex gender class and lifestyle and offers us the chance to truly appreciate the extraordinary qualities of these our most ordinary possessions

Majestic Indolence Willard Spiegelman, 1995 Majestic Indolence examines the theme of indolence in both its positive and negative forms as it appears in the work of four canonical Romantic poets Wordsworth's wise passiveness Coleridge's dejection and numbing torpor Shelley's experiments with pastoral dolce far niente and Keats's figures of delicious diligent indolence are treated as individual manifestations of a common theme Spiegelman pursues the trope of indolence to its origins in the economic medical philosophical psychological religious and literary discourses from the middle ages to the late eighteenth century Offering an alternative to recent politically and ideologically motivated literary theory Spiegelman looks closely at how the poems work He argues for renewed appreciation of poetic style literary formalism and aesthetics as the best gauge to the Romantic treatment of nature and the sublime The book concludes by examining the transformation of English Romanticism at the hands of two American heirs Walt Whitman and Robert Frost

Women, Popular Culture, and the Eighteenth Century Tiffany Potter, 2012-01-01 Top scholars in eighteenth century studies examine the significance of the parallel devaluations of women's culture and popular culture by looking at theatres and actresses novels magazines and cookbooks and populist politics dress and portraiture

Statesmen in Caricature N. G. Howe, 2019-02-21 The years 1780 to 1820 have long been seen as the Golden Age of the English satirical print This period witnessed a number of changes in style which had far reaching consequences including an increase in the

effectiveness of the caricature as visual propaganda William Pitt the Younger and Charles James Fox were the leading politicians of the age continuing a family rivalry begun by their fathers They were amongst the most caricatured men of their time and became emblems of the two sides of the political debate whilst gathering personal followings based upon personality rather than filial or political patronage Fox and Pitt the Younger came to represent a more modern notion of the party leader in an age before formalized political parties and structures Neil Howe here shows how stock images came to the fore and examines the central role they played within the visual representation of politicians during the late eighteenth century His book also chronicles how the biggest political rivalry of the age played out within contemporary caricature from the emergence of Fox and Pitt as big political beasts in the wake of the American Revolution through the East India Bill Crisis Regency Crisis and French Revolution to the death of both men in 1806 *Literature of Travel and Exploration* Jennifer Speake, 2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website *The Annotated Emma* Jane Austen, David M.
