Gerard Manley Hopkins A Tribute:

Gerard Manley Hopkins, a Tribute William Antonius Maria Peters,1984 **Gerard Manley Hopkins, Priest and Poet** John Cowie Reid,1999 **The Sacramental Vision of Gerard Manley Hopkins** J. Robert Barth,Campion College,1989 **Gerard Manley Hopkins** Angus Easson,2010-12-14 Hopkins was an experimental and idiosyncratic writer whose work remains important for any student of Victorian literature This guidebook offers extensive introductory comments on the contexts critical history and interpretations of his work Part of the Routledge Guides to Literature series this volume cross references thoroughly between sections and presents useful suggestions for further reading **Gerard Manley Hopkins** William Van Etten Casey,1990 Gerard Manley Hopkins William A. M. Peters,1982 *Gerard Manley Hopkins* Wilhelmus Antonius Maria Peters,1948 **Gerard Manley Hopkins** Wilhelmus Antonius Maria Peters,1970 Reading the Underthought Kinereth Meyer,Rachel Salmon Deshen,2010-06-27 Reading the Underthought explores the question of how readers from one tradition can approach the poetry of another Rereading Hopkins Francis L. Fennell,1996

David Jones on Religion, Politics, and Culture David Jones,2018-06-28 David Jones author of In Parenthesis the great poem of World War I is increasingly recognized as a major voice in the first generation of British modernist writers Acclaimed by the likes of T S Eliot W B Yeats and W H Auden his writing was deeply informed by his Catholic faith and Welsh blood This book makes available for the first time a number of previously unpublished statements by Jones that open new perspectives on his own work and the religious political and cultural engagements of British modernism more broadly Annotated throughout with detailed commentaries exploring the historical context of each document the volume presents the restored text of Jones s essay on Hitler and includes a letter to Neville Chamberlain an unfinished essay on Gerard Manley Hopkins and the transcript of an interview with Jones a year before his death These reveal an unknown side of Jones and give fresh insight into the influences and assumptions of 20th century British literary culture **English Literature, 1832-1890** Paul Turner,1989 This volume continues the story of English literature through most of the Victorian period a period that in religion and politics science and technology sociology social life and its physical environment witnessed the often painful development of modern England Paul Turner studies not only traditional genres like poetry drama and history but also scientific and technical writing art criticism and religious controversy biography autobiography travel books and books for children With over 170 authors discussed the book is a complete survey of the field as seen in the light of present day scholarship and against the context of classical and established precedents Also included is a chronological table of contemporary events historical background and a bibliography **North Cape** Robert M. Ellis,2011-04-01 North Cape is the relic of a gradual change in one man s life over a period of more than twenty years from aspiring poet to philosopher Robert M Ellis is more intent today on developing a philosophy of the Middle Way but the roots of this philosophical drive are found in earlier creative work much of it written as a Cambridge student or when on Buddhist retreats The poems in this collection

record varying experiences of travel observation emotional struggle and meditation The influences include Buddhist iconography Gerard Manley Hopkins and Renaissance art

Apostle of Peace John Dear, 2021-09-10 One of the most influential Catholic figures of the twentieth century Jesuit priest and activist Daniel Berrigan has inspired countless people of faith and conscience to pursue the gospel vision of a world without war In 1968 he made national headlines as one of the Catonsville Nine who destroyed draft files to protest the Vietnam War In the nearly thirty years since then he has continued to challenge the conscience of both his country and the church by his uncompromising manner of Christian witness In *Apostle of Peace* reflective essays by forty fellow travelers celebrate Berrigan's life and gifts as a peacemaker prophet poet priest and keeper of the word These essays by distinguished friends and colleagues from every walk of life are written in honor of Berrigan's seventy fifth birthday Contributors include Berrigan's brother and fellow archivist Philip Berrigan Benedictine Joan Chittister former Attorney General Ramsey Clark psychiatrist Robert Coles Bishop Thomas Gumbleton writer and activist Joyce Hollyday poets Denise Levertov and Thich Nhat Hanh activist Elizabeth McCallister columnist Colman McCarthy historian Howard Zinn author and storyteller Megan McKenna Franciscan Richard Rohr theologian Rosemary Radford Ruether actor Martin Sheen fellow Jesuits Jon Sobrino and Richard McSorley Sojourners founder Jim Wallis Superior General of the Society of Jesus Peter Hans Kolvenbach Plus many others

The Environmental Vision of Thomas Merton Monica Weis, 2011-06-24 Delightful a superb guide to the ecological themes of Merton's life and writings The Christian Century Nature was always vital in Thomas Merton's life from the long hours he spent as a child watching his father paint landscapes in the fresh air to his final years of solitude in the hermitage at Our Lady of Gethsemani where he contemplated and wrote about the beauty of his surroundings Throughout his life Merton's study of the natural world shaped his spirituality in profound ways and he was one of the first writers to raise concern about ecological issues that have become critical in recent years In *The Environmental Vision of Thomas Merton* Monica Weis suggests that Merton's interest in nature which developed significantly during his years at the Abbey of Gethsemani laid the foundation for his growing environmental consciousness Tracing Merton's awareness of the natural world from his childhood to the final years of his life Weis explores his deepening sense of place and desire for solitude his love and responsibility for all living things and his evolving ecological awareness Explains how Merton evolved from a nature enthusiast to one of the world's most respected ecological stewards Louisville Courier Journal

Victorian Poetry, 1985

Music Ministry Donald Clark Measels, 2004 This work is an introduction to church music administration that provides insight into the responsibilities and demands placed on the person who heads the music program of a church The chapters are written by various experts in their fields and address the topics of weekly worship planning choir rehearsal preparation recruitment church staff relationships financial management working with children and youth choirs and leading orchestras and handbell choirs This addition to the Smyth Helwys Help series is a must have for those just beginning a church music ministry or for seasoned professionals

looking to improve the administration of their music programs **The Jazz Loft Project** Sam Stephenson,2023-06-27

Reissue of an acclaimed collection of images from photographer W Eugene Smith s time in a New York City loft among jazz musicians In 1957 Eugene Smith walked away from his longtime job at Life and the home he shared with his wife and four children to move into a dilapidated five story loft building at 821 Sixth Avenue in New York City s wholesale flower district The loft was the late night haunt of musicians including some of the biggest names in jazz Charles Mingus Zoot Sims Bill Evans and Thelonious Monk among them Here from 1957 to 1965 he made nearly 40 000 photographs and approximately 4 000 hours of recordings of musicians Smith found solace in the chaotic somnambulistic world of the loft and its artists and he turned his documentary impulses away from work on his major Pittsburg photo essay and toward his new surroundings Smith s Jazz Loft Project has been legendary in the worlds of art photography and music for more than forty years but until the publication of this book no one had seen his extraordinary photographs or read any of the firsthand accounts of those who were there and lived to tell the tales *The Library Chronicle of the University of Texas at Austin* ,1989 **Sport, Militarism and the Great War** Thierry Terret,J. A. Mangan,2013-09-13 The Great War has been largely ignored by historians of sport However sport was an integral part of cultural conditioning into both physiological and psychological military efficiency in the decades leading up to it It is time to acknowledge that the Great War also had an influence on sport in post war European culture Both are neglected topics Sport Militarism and the Great War deals with four significant aspects of the relationship between sport and war before during and immediately after the 1914 1918 conflict First it explores the creation and consolidation of the cult of martial heroism and chivalric self sacrifice in the pre war era Second it examines the consequences of the mingling of soldiers from various nations on later sport Third it considers the role of the Great War in the transformation of the leisure of the masses Finally it examines the links between war sport and male socialisation The Great War contributed to a redefinition of European masculinity in the post war period The part sport played in this redefinition receives attention Sport Militarism and the Great War is in two parts the Continental Part I and the Anglo Saxon Part II No study has adopted this bilateral approach to date Thus in conception and execution it is original With its originality of content and the approaching centenary of the advent of the Great War in 2014 it is anticipated that the book will capture a wide audience This book was originally published as a special issue of The International Journal of the History of Sport

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, Experience Loveis Journey in **Gerard Manley Hopkins A Tribute** .
