Ute Planert, James Retallack

German Influence In France After 1870 The Formation Of The French Republic:

The German Influence in France after 1870 Allan Mitchell, 2018-06-15 Mitchell believes that the history of the French Third Republic remains incomplete until one understands the German impact on France after the Franco Prussian War. As the French groped unsteadily toward a redefinition of their national identity, they were constantly under the influence of the victorious German Reich, indicating that the creation of a republican mentality cannot be explained in strictly French terms nor can its origins be traced solely from French sources. Originally published in 1979. A UNC Press Enduring Edition. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value.

The Divided Path Allan Mitchell, 2018-02-01 With *The Divided Path*, Allan Mitchell completes his superb trilogy on the German influence in France between the wars of 1870 and 1914. Mitchell's focus here is on the French response to the pathbreaking social legislation passed during the 1880s in imperial Germany under Otto von Bismarck. Operating under a liberal republican regime, France tended to reject the interventionist policies of its imposing neighbor and to seek a distinctly French solution to the many social problems that became more pressing as the nineteenth century reached its climax in the First World War. Mitchell's carefully researched study investigates a number of specific issues that remain of direct relevance today, such as gender relationships, health care, including the treatments and prevention of infectious disease, labor conflicts, taxation policy, social security measures, and international tensions on the eve of a major war. He shows that certain key problems of public health and welfare found different solutions in France and Germany and he explains why the differences emerged and how they defined the two major competitors of continental Europe. The nineteenth-century epidemic of tuberculosis provides a case in point: the German state intervened to combat the dreaded disease with vigorous measures of public hygiene and popular sanatoria, but the French republic moved more cautiously to limit interference in the private sphere, even though *laissez faire* often meant *laissez mourir*. Mitchell's book is the first full-scale study of French social reform after 1870 that is based on documentation in both France and Germany. The first hesitant steps of the French welfare state are thrown into sharp relief by comparison with developments in Germany. No other work on modern France presents such a broad panorama of social reform, and none draws together such a rich tableau of telling detail about the development of the French health and welfare system after 1870. In a lucid conclusion, Mitchell places this story in the general context of his three volumes, thereby offering a summary of the Franco-German encounter that has come to dominate the history of Europe in the twentieth century. Originally published in 1991. A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value.

The French-German Dynamic in an Age of Conflict, 1925-1963 Elana Passman, 2025-02-04 This book investigates the radical transformation of the relationship between Germany and France neighbors whose border constituted one of the deepest fault lines of European history For generations the French and the Germans believed they were eternal enemies and this myth of primordial hatred was the lens through which they interpreted each other's every move Yet today a Franco German war is unimaginable Passman locates the reshaping of the French German dynamic in the civic organizations that made the very notion of cooperation credible After World War I and in the decades to follow Franco German associations kept calling for an end to their animus Through journals cultural exchanges events and charitable ventures activists opened up the possibility of imagining friendship with the enemy The pursuit of French German cooperation did not begin with politicians after World War II It took flight in the 1920s and persisted through decades of turmoil In anchoring the history of collaboration in a longer arc of French German cooperation Passman illuminates how entangled were the histories of 1920s rapprochement Nazi era collaborationism and postwar reconciliation This volume will appeal to scholars students and general readers interested in the histories of modern France and modern Germany European integration and peace studies

A History of Franco-German Relations in Europe C. Germond, H. Türk, 2008-11-10 This book surveys Franco German relations from the French Revolution to the 1990s collecting the most current research from area specialists

France at Bay, 1870-1871 Douglas Fermer, 2011-07-12 The Franco Prussian War did not end with the catastrophic French defeat at Sedan on 1 September 1870 when an entire French army surrendered the Emperor Napoleon III was captured and his regime collapsed The war went on for another five agonizing months and resolved itself into a contest for Paris for while Paris held out France was undefeated The story of this dramatic final phase of the war is the subject of Douglas Fermers masterly account the sequel to his Sedan 1870 He weaves this story of military victory and defeat into a gripping narrative and it sets the extraordinary events of nearly 150 years ago in the wider context of European history

Bismarck and the Development of Germany, Volume II Otto Pflanze, 2014-07-14 The Period of Consolidation 1871 1880 Volume II opens at a time when Bismarck had become the dominant figure in German and European politics and the new German Reich the most formidable power on the continent Questions arose What new goals would the man of blood and iron now pursue What new conquests might be necessary to satiate a people steeped in the history and legends of medieval empire Pflanze offers a comprehensive treatment of the years of consolidation when in reality German unification introduced not a new era of conquest and bloodshed but a period of international order that lasted despite many crises for more than forty years Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books

published by Princeton University Press since its founding in 1905 **State** ,1981 **The French Secret Services**

Douglas Porch,2003-11 Chronicles the development of the French secret services in the modern era asks some fundamental questions about what France expected and expects from them and offers a assessment of their role and influence in the state and the military **Post-Imperial Democracies** Stephen E. Hanson,2010-07-05 This book examines the causal impact of ideology through a comparative historical analysis of three cases of post imperial democracy the early Third Republic in France 1870 86 the Weimar Republic in Germany 1918 34 and post Soviet Russia 1992 2008 Hanson argues that political ideologies are typically necessary for the mobilization of enduring independent national party organizations in uncertain democracies By presenting an explicit and desirable picture of the political future successful ideologues induce individuals to embrace a long run strategy of cooperation with other converts When enough new converts cooperate in this way it enables sustained collective action to defend and extend party power Successful party ideologies thus have the character of self fulfilling prophecies by portraying the future polity as one organized to serve the interests of those loyal to specific ideological principles they help to bring political organizations centered on these principles into being *Defeated Flesh* Bertrand Taithe,1999 Defeated Flesh is a compelling study of the French defeat of 1870 and the socialist uprising of the Commune of Paris a crucial turning point in the making of modern France By examining the history of the body and medicine Taithe shows how the French mobilized for the war effort and how their ultimate defeat had devastating cultural and social consequences that led to the fin de si_cle spirit Reinterpreting the siege of Paris the physical suffering caused by the war and rationing in an exceptionally harsh period of French history the author challenges current debates on citizenship centralism and modern warfare TaitheOs original approach and the wide range of previously untouched source material he draws upon cast a new light on the social aspirations behind the worldOs first socialist uprising and on the fears of national decline so common in Western Europe before 1914 This intriguing and highly original study will be of interest to all readers of French history and of European and French culture as well as to specialists on the history of war and medicine Origins of the First World War Gordon Martel,2016-10-04 Origins of the First World War summarizes the policies issues and crises that brought Europe to war in 1914 Examining the strategic and political problems that confronted each of the great powers and the way in which social and economic factors influenced the decision making process Martel discusses the position of each power and their place in the system of alliances which dominated international politics The fourth edition has been revised and updated throughout to incorporate the body of new scholarship that has appeared since the hundredth anniversary of the outbreak of war In a clear and accessible manner it explains how and why the alliance system was created how alliances led to a network of complicated strategic commitments how an escalating series of international crises from the turn of the century fuelled preparations for war why the peculiarities of the Balkan situation are essential in understanding the outbreak of war in 1914 This book also includes an updated Guide to Further Reading Who s Who of important figures and Glossary of

key terms and the selection of documents has been expanded to include the key treaties as well as evidence of popular militarism and nationalism Concise accessible and analytical it is essential introductory reading for all students interested in the origins of the First World War **Conservatism and British Foreign Policy, 1820-1920** Geoffrey Hicks, 2016-05-23

The Derbys of Knowsley Hall have been neglected by historians to an astonishing degree In domestic political terms the legacies of Disraeli and his Conservative successors have long obscured their Lancastrian aristocratic predecessors As far as foreign policy is concerned twentieth century politics and scholarship have often suggested crude polarities for example the idea of appeasement versus Churchillian belligerence has its nineteenth century equivalent in Aberdeen's apparent rivalry with Palmerston The subtleties of other views such as those represented by the Derbys have either been overlooked or misunderstood In addition the fact that much crucial archival and editorial work has only been carried out in the last two decades has had a significant impact Examining a range of topics in domestic and foreign policy this collection brings a fresh approach to the political history of the nineteenth and early twentieth centuries through a series of innovative essays It will appeal to those with an interest in the decline of the aristocracy Victorian high politics and the politics of the regions as well as the Conservative tradition in foreign policy In Search of Stability Charles S. Maier, 1987 In Search of Stability

Explorations in Historical Political Economy ponders the issue of how Western industrial societies overcame major challenges to political and economic stability in the twentieth century Successive essays ask what ideological messages did American influence transmit to Europe after World War I then again after World War II Did Nazis and Italian fascists share an economic ideology or impose a unique economic system in the interwar period and during World War II How do their accomplishments stack up comparatively against those of the liberal democracies After 1945 what was the relationship between concepts of productivity and class division How have the major experiences of twentieth century inflation arisen out of class and interest group rivalry Most generally what has been the representation of interests in capitalist political economies The Hypocrisy of Justice in the Belle Epoque Benjamin F. Martin, 1999-03-01 The Dreyfus Affair of the 1890s and the violent controversies that surrounded it appeared to pass two very different judgments on the France of the Third Republic The outcome of the trial Captain Dreyfus convicted without guilt and the real traitor acquitted despite guilt demonstrated without question the extraordinary hypocrisy of the military justice system But the furor raised by Dreyfus conviction and the agitation for his release suggested that the injustice of the courts verdict was uncharacteristic of French society that for France as a nation the rendering of justice was paramount even at the expense of disgracing both the military and a conspiring government In The Hypocrisy of Justice in the Belle Epoque Benjamin Martin examines the events of three sensational criminal cases to reveal that the willful mangling of justice that occurred in the Dreyfus trial was far from rare in the Third Republic France He finds in fact that justice in the Belle Epoque was hypocritical in the extreme with the outcome of trials easily tainted by the power and influence of politics money and illicit sex At times justice deviated so far from the

ideal that its goal was not the strict application of the law or even the discovery of the truth but rather the imposition of a system of rewards and punishments meted out in accordance with a capricious vision of social utility Martin begins with the case of Marguerite Steinheil the wife of an artist of only middling talent A strikingly beautiful woman she presided over a famous salon and was the lover of influential politicians When she was tried for the brutal murders of her husband and her mother Marguerite defended herself with a flurry of extravagant stories and unlikely counter accusations Even so she was found innocent of all charges and the crimes were left unsolved The second trial considered is that of Thérèse Humbert a young woman who used an apparently innate talent for elaborate deception in rising from poverty to the upper reaches of Parisian society With the aid of her husband and her brothers Thérèse created a series of specious lawsuits over an illusory American legacy Then playing on the greed of dozens of investors she skillfully manipulated the French courts to perpetrate a fraud that would last for twenty years yield millions and make her salon one of the most dazzling in Europe until the day when the ruse was finally found out The third case is that of Henriette Caillaux the wife of an important leader in the Radical party She admitted shooting Gaston Calmette the influential newspaper editor who had been carrying out a campaign of vilification against her husband But when she was tried for the murder in 1914 Henriette was found innocent and allowed to go free The sensational trials of Marguerite Steinheil Thérèse Humbert and Henriette Caillaux mirrored in many the stalemated society of the Belle Époque itself By examining the hypocrisy of justice in the Third Republic Benjamin Martin uncovers the vast extent of that society's corruption the amorality and sordidness that were cloaked only partially by the mantle of respectability

Decades of Reconstruction Ute Planert, James Retallack, 2017-06-13 As wars and other conflicts increase on a worldwide scale the alleged new wars of the present day have taught that military victory does not necessarily result in a sustained state of peace Rather societies in conflict experience a status mixtus a transformative period that includes substantial changes in economy politics society and culture Focusing on these decades of reconstruction in Europe and North America this book examines the transformation of state systems international relations and normative principles in international comparison By putting the postwar decade after 1945 into a long term historical perspective the chapters illuminate new patterns of transition between war and peace from the eighteenth to the twentieth century Experts in the field show that states and societies are never restituted from a zero hour They also demonstrate that foreign and domestic policy are intermixed before and after peace breaks out

The Rise and Fall of the Great Powers Paul Kennedy, 2010-10-27 About national and international power in the modern or Post Renaissance period Explains how the various powers have risen and fallen over the 5 centuries since the formation of the new monarchies in W Europe

Macrohistory Randall Collins, 1999 Explores the accomplishments of the golden age of macrohistory the sociologically informed analysis of long term patterns of political economic and social change The topics range from the Marxian inspired theory of revolutions to the roots of the Holocaust

The Mechanics of Internationalism Martin H. Geyer, Johannes Paulmann, 2001 This collection of essays

traces the origins of modern internationalism and the emergence of global society in the nineteenth century. It offers a fresh approach to the study of international history by looking at the structural prerequisites of the thriving internationalism before the First World War. Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama. Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day, including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate. Additionally, the Encyclopedia includes some 200 essays treating the development of national, regional, and topical historiographies from the Ancient Near East to the history of sexuality. In addition to the Western tradition, it includes substantial assessments of African, Asian, and Latin American historians and debates on gender and subaltern studies.

Diffusion in Franco-German Relations Eric Sangar, 2020-02-05 This book analyses and compares instances of the diffusion of political norms and ideas in the history of Franco-German relations. While this relationship is often described as a history evolving from enmity over reconciliation to friendship, the book uses the concept of diffusion as a complementary analytical perspective to emphasize how political norms and ideas originating in one society have influenced the other, especially in periods of intergovernmental conflict. Established in International Relations to explain transnational normative change in contemporary contexts, the framework of diffusion is heuristically useful to explore how various types of actors have contributed using analytically different mechanisms to normative change across the Rhine. The book presents eight case studies featuring various contents and mechanisms of ideational diffusion taken from three contexts of Franco-German history: including the French Revolution, the Franco-Prussian War, and Franco-German rapprochement after 1945. Arguing that phenomena that are often seen as genuinely national evolutions, such as German nationalism or the French system of primary education, cannot be understood without taking into account the reception and emulation of norms from across the Rhine, the book should help students and scholars to overcome the limits of methodological nationalism when studying bilateral relationships in the Franco-German context and elsewhere.

German Influence In France After 1870 The Formation Of The French Republic Introduction

In today's digital age, the availability of German Influence In France After 1870 The Formation Of The French Republic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Influence In France After 1870 The Formation Of The French Republic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Influence In France After 1870 The Formation Of The French Republic books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Influence In France After 1870 The Formation Of The French Republic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Influence In France After 1870 The Formation Of The French Republic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Influence In France After 1870 The Formation Of The French Republic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Influence In France After 1870 The Formation Of

The French Republic books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Influence In France After 1870 The Formation Of The French Republic books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Influence In France After 1870 The Formation Of The French Republic books and manuals for download and embark on your journey of knowledge?

FAQs About German Influence In France After 1870 The Formation Of The French Republic Books

What is a German Influence In France After 1870 The Formation Of The French Republic PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a German Influence In France After 1870 The Formation Of The French Republic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a German Influence In France After 1870 The Formation Of The French Republic PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a German Influence In France After 1870 The Formation Of The French Republic PDF to another file format?** There are multiple ways to

convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a German Influence In France After 1870 The Formation Of The French Republic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
