Operation Fall Weiss Stephan Janzyk, 2017-08-30 While the fledgling German paratroop operations in Belgium and the Netherlands in 1940 and on Crete in 1941 attracted worldwide attention what is not as well known is that the use of paratroopers was planned for the invasion of Poland in 1939 in an act that began the Second World War This has given rise to the myth that Adolf Hitler wanted to keep this new and hitherto little known branch of the armed services secret for future projects However on several occasions the men of Parachute Regiment 1 were sat ready in their Ju52 transport planes fully equipped and ready to go Operation Fall Weiss describes the role of the German paratroopers in the Polish campaign using war diaries maps contemporary documents and photographs including those from various private collections around the world

**Fallschirmjäger: German Paratroopers, 1942-1945** François Cochet, 2019-01-30 The second volume following the World War II exploits of the famed German parachute unit from the battle of Crete to the surrender of the Third Reich As elite troops the German Fallschirmjäger paratroopers were regularly engaged in front line combat during the Second World War Their famed actions such as the fighting in Scandinavia the taking of the Belgian fortress Eben Emael in May 1940 and the Battle for Crete just a year later have given them the reputation of being determined courageous and loyal soldiers This book continues the pictorial history of the Fallschirmjäger focusing on the period following the bloody Battle for Crete Used as elite infantry first in the USSR and then in Africa the Fallschirmjäger were able to reconnect with their glorious past whether in Italy or on the Greek Islands as they jumped from their Ju 52s to engage the enemy Their hard fighting in Italy helped to cement the legend of the Green Devils with the British General Harold Alexander describing them as tenacious highly trained men hardened by their many actions and combats However during the fighting in Normandy the Ardennes and on the Eastern Front the number of veterans decreased meaning it was the young German paratroopers who finally surrendered the Third Reich on 8 May 1945 François Cochet's two volumes in the Images of War series are not only an excellent introduction to this force and its combat history in the war but also much much more Avon Napoleonic Fellowship
