Paul Weindling

German Strategy Against Russia 1939 1941:

German Strategy Against Russia, 1939-1941 Barry A. Leach, 1973 En beskrivelse og vurdering af den tyske strategi overfor Sovjetunionen 1939 1941 herunder den tyske generalstabs OKW planlægning af Operation BARBAROSSA

Operation Barbarossa and Germany's Defeat in the East David Stahel, 2009-09-10 This book is an important reassessment of the failure of Germany's 1941 campaign against the Soviet Union

Paradoxes of Strategic Intelligence Richard K. Betts, Thomas Mahnken, 2004-08-02 Part of a three part collection in honour of the teachings of Michael I Handel one of the foremost strategists of the late 20th century this collection explores the paradoxes of intelligence analysis surprise and deception from both historical and theoretical perspectives

World War II in Europe David T. Zabecki, 2015-05-01 World War II defined the 20th century and shaped many events from the decolonization of Africa to the rise and fall of the Berlin Wall This encyclopedia offers a focused overview of this complex and volatile era the circumstances that led up to war the underlying causes its unfolding and consequences Organized for quick and precise access More than 1300 entries by 150 experts are arranged in six sections for easy reference and consultation All the key ideas events actions weapons individuals and organizations that played vital roles in the war are covered from the Axis Pact to the Arab League from the OSS to the Africa Korps from the Chetniks to the Jedburghs from the battle of Kursk to Operation Mincemeat from Bill Donovan to Otto Skorzeny from Gestapo to SMERSH from Georgi Zhukov to Jean Leclerc from the 88 gun to the Norden Bombsight Covers important neglected subjects The Encyclopedia puts special emphasis on the often neglected operations in Eastern Europe and Russia A key section inspects and rates all the major weapons with handy tables for easy comparison And in recognition of the first large scale participation of women in the war the volume thoroughly documents their individual and unit contributions to the Allied effort Finally the encyclopedia discusses battlefield realities that explain for example why the airborne drops at Normandy succeeded and the ones at Arnheim failed A bibliography glossary maps photographs and weapons and data tables enhance the coverage Also includes 16 maps

Epidemics and Genocide in Eastern Europe, 1890-1945 Paul Weindling, 2000-02-03 During the First World War delousing became routine for soldiers and civilians following the recent discovery that the louse carried typhus germs But how did typhus come to be viewed as a Jewish disease and what was the connection between the anti typhus measures during the First World War and the Nazi gas chambers in the Second World War In this powerful book Professor Weindling draws upon wide ranging archival research throughout East and Central Europe to the United States to provide valuable new insight into the history of German medicine from its response to the perceived threat of typhus epidemics from its Eastern borders He examines how German experts in tropical medicine took an increasingly racialised approach to bacteriology regarding supposedly racially inferior peoples as carriers of the disease So they came to view typhus as a Jewish disease By the Second World War as migrants and deportees had become conditioned to expect the ordeal of delousing at border crossings ports railway junctions and on entry to camps so

sanitary policing became entwined with racialisation as the Germans sought to eradicate typhus by eradicating the perceived carriers Typhus had come to assume a new and terrifying genocidal significance as the medical authorities sealed the German frontiers against diseased undesirables from the east and gassing became a favoured means of disease eradication

Intelligence Success and Failure Uri Bar-Joseph, Rose McDermott, 2017 Machine generated contents note Contents Introduction Part One The Theoretical Framework Chapter I Surprise Attack A Framework for Discussion Chapter II Examining the Learning Process Part Two The Empirical Evidence The First Dyad Barbarossa and the Battle for Moscow Case Study I The Failure Case Study II Success The Battle for Moscow The Second Dyad The USA in the Korean War Case study I Failing to Forecast the War Case Study II Failure II The Chinese Intervention of Fall 1950 The Third Dyad Intelligence Failure and Success in the War of Yom Kippur Case Study I The Failure Case Study II The Success Chapter VI Conclusions

Liddell Hart and the Weight of History John J. Mearsheimer, 2010 This troubling book offers a striking illustration of how history can be used and abused how a gifted individual can create their own self serving version of the past

Oil and the Great Powers Anand Toprani, 2019-04-04 The history of oil is a chapter in the story of Europe's geopolitical decline in the twentieth century During the era of the two world wars a lack of oil constrained Britain and Germany from exerting their considerable economic and military power independently Both nations efforts to restore the independence they had enjoyed during the Age of Coal backfired by inducing strategic over extension which served only to hasten their demise as great powers Having fought World War I with oil imported from the United States Britain was determined to avoid relying upon another great power for its energy needs ever again Even before the Great War had ended Whitehall implemented a strategy of developing alternative sources of oil under British control Britain's key supplier would be the Middle East already a region of vital importance to the British Empire whose oil potential was still unproven As it turned out there was plenty of oil in the Middle East but Italian hostility after 1935 threatened transit through the Mediterranean A shortage of tankers ruled out re routing shipments around Africa forcing Britain to import oil from US controlled sources in the Western Hemisphere and depleting its foreign exchange reserves Even as war loomed in 1939 therefore Britain's quest for independence from the United States had failed Germany was in an even worse position than Britain It could not import oil from overseas in wartime due to the threat of blockade while accumulating large stockpiles was impossible because of the economic and financial costs The Third Reich went to war dependent on petroleum synthesized from coal domestic crude oil and overland imports primarily from Romania German leaders were confident however that they had enough oil to fight a series of short campaigns that would deliver to them the mastery of Europe This plan derailed following the victory over France when Britain continued to fight This left Germany responsible for Europe's oil requirements while cut off from world markets A looming energy crisis in Axis Europe the absence of strategic alternatives and ideological imperatives all compelled Germany in June 1941 to invade the Soviet Union and fulfill the Third Reich's ultimate ambition of becoming a world power a decision that ultimately

sealed its fate **The Pursuit of Power** William H. McNeill, 2024-05-31 Reminds us that all humankind has a shared past and particularly with regard to its choice of weapons and warfare a shared stake in the future Stuart Rochester The Washington Post Book World In this magnificent synthesis of military technological and social history William H McNeill explores a whole millennium of human upheaval and traces the path by which we have arrived at the frightening dilemmas that now confront us McNeill moves with equal mastery from the crossbow banned by the Church in 1139 as too lethal for Christians to use against one another to the nuclear missile from the sociological consequences of drill in the seventeenth century to the emergence of the military industrial complex in the twentieth His central argument is that a commercial transformation of world society in the eleventh century caused military activity to respond increasingly to market forces as well as to the commands of rulers Only in our own time suggests McNeill are command economies replacing the market control of large scale human effort The Pursuit of Power does not solve the problems of the present but its discoveries hypotheses and sheer breadth of learning do offer a perspective on our current fears and as McNeill hopes a ground for wiser action Mr McNeill's comprehensiveness and sensitivity do for the reader what Henry James said that Turgenev's conversation did for him they suggest all sorts of valuable things This narrative of rationality applied to irrational purposes and of ingenuity cannibalizing itself is a work of clarity which delineates mysteries The greatest of them to my mind is why human beings have never learned to cherish their own species Naomi Bliven The New Yorker *Challenging the United States Symmetrically and Asymmetrically: Can America Be Defeated?* Lloyd J. Matthews, *Red Phoenix Rising* Von Hardesty ,Ilya Grinberg, 2021-07-01 A groundbreaking account of the Soviet Air Force in World War II the original version of this book Red Phoenix was hailed by the Washington Post as both brilliant and monumental That version has now been completely overhauled in the wake of an avalanche of declassified Russian archival sources combat documents and statistical information made available in the past three decades The result Red Phoenix Rising is nothing less than definitive The saga of the Soviet air force one of the least chronicled aspects of the war marked a transition from near annihilation in 1941 to the world's largest operational tactical air force four years later Von Hardesty and Ilya Grinberg reveal the dynamic changes in tactics and operational art that allowed the VVS to bring about that remarkable transformation Drawing upon a wider array of primary sources well beyond the uncritical and ultra patriotic Soviet memoirs underpinning the original version this volume corrects updates and amplifies its predecessor In the process it challenges many official accounts and revises misconceptions promoted by scholars who relied heavily on German sources thus enlarging our understanding of the brutal campaigns fought on the Eastern Front The authors describe the air campaigns as they unfolded with full chapters devoted to the monumental victories at Moscow Stalingrad and Kursk By combining the deeply affecting human drama of pilots relentlessly confronted by lethal threats in the air and on the ground with a rich technical understanding of complex military machines they have produced a fast paced riveting look at the air war on the Eastern Front as it has never been seen before

They also address dilemmas faced by the Soviet Air Force in the immediate postwar era as it moved to adopt the new technology of long range bombers jet propulsion and nuclear arms Drawing heavily upon individual accounts down to the unit level Hardesty and Grinberg greatly enhance our understanding of their story's human dimension while the book's more than 100 photos many never before seen in the West vividly portray the high stakes and hardware of this dramatic tale In sum this is the definitive one volume account of a vital but still underserved dimension of the war surpassing its predecessor so decisively that no fan of that earlier work can afford to miss it

Hitler's Charisma Laurence Rees, 2013-04-16 Fuelled by hate incapable of forming normal human relationships unwilling to listen to dissenting voices Adolf Hitler seemed an unlikely leader and yet he commanded enormous support and was able to exert a powerful influence over those who encountered him How did Hitler become such an attractive figure to millions of people That is the question at the core of Hitler's Charisma Acclaimed historian and documentary filmmaker Laurence Rees examines the nature of Hitler's appeal and reveals the role his supposed charisma played in his success Here is a fascinating social psychological and historical investigation into the formation of a personality whose determination and vision would at the outset convince a small group of like minded political and social outcasts but would eventually win over an entire nation and plunge the rest of the world into a cataclysm unlike any that had ever been seen before Hitler's Charisma is a natural culmination of twenty years of writing and research on the Third Reich and a remarkable examination of the man and the mind at the heart of it all With 16 pages of black and white illustrations

Combat and Morale in the North African Campaign Jonathan Fennell, 2011-02-17 Military professionals and theorists have long understood the relevance of morale in war Montgomery the victor at El Alamein said following the battle that the more fighting I see the more I am convinced that the big thing in war is morale Jonathan Fennell in examining the North African campaign through the lens of morale challenges conventional explanations for Allied success in one of the most important and controversial campaigns in British and Commonwealth history He introduces new sources notably censorship summaries of soldiers mail and an innovative methodology that assesses troop morale not only on the evidence of personal observations and official reports but also on contemporaneously recorded rates of psychological breakdown sickness desertion and surrender He shows for the first time that a major morale crisis and stunning recovery decisively affected Eighth Army's performance during the critical battles on the Gazala and El Alamein lines in 1942

Stalingrad V.E Tarrant, 1992-11-01 By November 1942 the empire of Adolf Hitler had reached its zenith It stretched from North Africa to the Arctic from the English Channel to Stalingrad deep inside the Russian interior The German Army seemed invincible but then in a matter of only five days from 19th to 23rd November 1942 the seemingly impossible happened During a massive Russian counter offensive involving over a million men 1 560 tanks 16 261 field guns and mortars and 1 327 aircraft not only were two Rumanian armies wiped off the Axis order of battle but more decisively the crack German 6th Army under the command of General Friedrich Paulus was encircled at Stalingrad Despite being cut off from the remainder of the Eastern Front in a

huge cauldron Der Kessel the 269 000 troops of the 6th army continued to resist against impossible odds for 72 blood soaked days Devoid of adequate winter clothing enduring temperatures of minus 35 degrees centigrade on a bare blizzard swept steppe with nothing to eat but scraps of bread and watery soup the doomed army suffered an infinity of agonies including frostbite dysentery and typhus While they slowly froze and starved to death they were constantly pounded by Russian artillery and bomber sorties When the 6th Army finally surrendered on 2nd February 1943 only 91 000 of the original force remained alive to be herded into Siberian prison camps Surrendering to the Russians however proved to be only an alternative way of dying for only 5 000 survived the captivity to see Germany again The author has drawn on German and Russian sources to write this commemoration of the battle which broke the back of the Germany Army and turned the tide of the war in the Allies favour This book aims to give a balanced account of Stalingrad from both the German and the Russian perspectives

Operation Barbarossa and its Aftermath Dr. Grzegorz Rossoliński-Liebe, 2024-11-01 The 1941 invasion of the Soviet Union codenamed Operation Barbarossa remains one of Nazi Germany's most significant military campaigns Executed by Hitler's Wehrmacht army this event saw troops from all over Europe defeat the Red Army and temporarily colonize large swathes of Eastern Europe ultimately laying the groundwork for the Holocaust In this illuminating re-examination of this multifaceted event Operation Barbarossa and its Aftermath refocuses our attention on the multiethnic nature of the campaign shedding light on the role of soldiers from Slovakia Italy Romania and Spain as well as other important issues This volume highlights how viewing Operation Barbarossa as a multiethnic campaign rather than a strictly German Russian conflict offers new ways of understanding the Holocaust World War II and the history of European collaboration

War and Society Volume 1 Brian Bond, Ian Roy, 2015-10-05 Originally published in 1975 this volume filled a gap in existing scholarship by providing a comprehensive group of essays on the historical study of war and armed forces and their relationship with society These volumes include articles ranging from the Renaissance to the era of total war

Strategic Intelligence Douglas H. Deearth, R. Thomas Goodden, 1995

The Tragedy of Great Power Politics John J. Mearsheimer, 2001 A decade after the cold war ended policy makers and academics foresaw a new era of peace and prosperity an era in which democracy and open trade would herald the end of history

Eastern Europe David Turnock, 2002-11

Hitler and Stalin Laurence Rees, 2021-02-02 Laurence Rees brilliantly combines powerful eye witness testimony vivid narrative and compelling analysis in this superb account of how two terrible dictators led their countries in the most destructive and inhumane war in history Professor Sir Ian Kershaw author of Hitler Hubris and Hitler Nemesis Two 20th century tyrants stand apart from all the rest in terms of their ruthlessness and the degree to which they changed the world around them Briefly allies during World War II Adolph Hitler and Josef Stalin then tried to exterminate each other in sweeping campaigns unlike anything the modern world had ever seen affecting soldiers and civilians alike Millions of miles of Eastern Europe were ruined in their fight to the death millions of lives sacrificed Laurence Rees has met more people who had direct experience of working for Hitler and Stalin

than any other historian Using their evidence he has pieced together a compelling comparative portrait of evil in which idealism is polluted by bloody pragmatism and human suffering is used casually as a political tool It s a jaw dropping description of two regimes stripped of moral anchors and doomed to destroy each other and those caught up in the vicious magnetism of their leadership

Thank you utterly much for downloading **German Strategy Against Russia 1939 1941**. Most likely you have knowledge that, people have look numerous times for their favorite books like this German Strategy Against Russia 1939 1941, but stop occurring in harmful downloads.

Rather than enjoying a fine book when a mug of coffee in the afternoon, otherwise they juggled past some harmful virus inside their computer. **German Strategy Against Russia 1939 1941** is affable in our digital library an online admission to it is set as public correspondingly you can download it instantly. Our digital library saves in merged countries, allowing you to get the most less latency era to download any of our books taking into consideration this one. Merely said, the German Strategy Against Russia 1939 1941 is universally compatible later any devices to read.

German Strategy Against Russia 1939 1941 Introduction

German Strategy Against Russia 1939 1941 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. German Strategy Against Russia 1939 1941 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. German Strategy Against Russia 1939 1941 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for German Strategy Against Russia 1939 1941 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks German Strategy Against Russia 1939 1941 Offers a diverse range of free eBooks across various genres. German Strategy Against Russia 1939 1941 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. German Strategy Against Russia 1939 1941 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific German Strategy Against Russia 1939 1941, especially related to German Strategy Against Russia 1939 1941, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to German Strategy Against Russia 1939 1941, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some German Strategy Against Russia 1939 1941 books or magazines might include. Look for these in online stores or libraries. Remember that while German Strategy Against Russia 1939 1941, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow German Strategy Against Russia 1939 1941 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites.

While this might not be the German Strategy Against Russia 1939 1941 full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of German Strategy Against Russia 1939 1941 eBooks, including some popular titles.

FAQs About German Strategy Against Russia 1939 1941 Books

What is a German Strategy Against Russia 1939 1941 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a German Strategy Against Russia 1939 1941 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a German Strategy Against Russia 1939 1941 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a German Strategy Against Russia 1939 1941 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a German Strategy Against Russia 1939 1941 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
