## **German Question A Cultural Historical And Geopolitical Exploration:**

The German Question Dirk Verheyen, 2018-05-04 The German Question long a subject of debate is considered here at the close of a turbulent century after Germany's defeat in two world wars the Weimar failure and Nazi disaster Cold War division and the nation's unexpected recent reunification This book systematically explores the issue in terms of its four central dimensions Germany's identity national unity power and role in world politics Ambitious in conception and meticulous in execution Dirk Verheyen's wide ranging analysis incorporates historical and geopolitical considerations in an intellectually rigorous yet accessible discussion

The German Question since 1919 Stefan Wolff, 2003-06-30 Wolff examines the domestic and international dynamics of the German question one of the 20th century's most interesting and complex phenomena since its 1919 inception The German question is best described as the incompatibility of the territory of any German state with the extent of German cultural space and the different ways in which Germany and the relevant European and world powers have responded to the various problems arising from this incompatibility The German question cannot be reduced merely to the issue of German reunification and sovereignty as was often the case between 1945 and 1990 Rather it has always involved other aspects including the situation of German minorities in Europe migration the definition of a German national identity and so on From this perspective unification in 1990 only resolved one aspect of the German question while others continue to exist and remain with varying prominence on the political agenda at least in Europe Still contrary to previous decades none of the remaining aspects of the German question today poses a serious threat to European and international security and stability Wolff goes beyond the usual focus on this question and includes the postwar expulsions and migration of ethnic Germans from Central and Eastern Europe and their integration in the two German states as well as the legacy of the complex German Polish and German Czech relations as they play out in the current negotiations of the two countries accession to the European Union

The United States, the Soviet Union and the Geopolitical Implications of the Origins of the Cold War Nicolas Lewkowicz, 2018-10-30 The United States the Soviet Union and the Geopolitical Implications of the Origins of the Cold War 1945-1949 describes how the United States and the Soviet Union deployed their hard and soft power resources to create the basis for the institutionalization of the international order in the aftermath of World War Two The book argues that the origins of the Cold War should not be seen from the perspective of a magnified spectrum of conflict but should be regarded as a process by which the superpowers attempted to forge a normative framework capable of sustaining their geopolitical needs and interests in the post war scenario The United States the Soviet Union and the Geopolitical Implications of the Origins of the Cold War 1945-1949 examines how the use of ideology and the instrument of political intervention in the spheres of influence managed by the superpowers were conducive to the establishment of a stable international order It postulates that the element of conflict present in the early period of the Cold War served to demarcate the scope of manoeuvring available to each of the superpowers and studies the notion that the United States and the Soviet

Union were primarily interested in establishing the conditions for the accomplishment of their vital geostrategic interests. This required the implementation of social norms imposed in the respective spheres of influence, a factor that provided certainty to the spectrum of interstate relations after the period of turmoil that culminated with the onset of World War Two.

**The Germans And Their Neighbors** Dirk Verheyen, Christian Soe, 2019-07-09 For Germany's neighbors perhaps more acutely than for observers elsewhere the 1990 reunification of divided Germany has raised old memories and new concerns in public and scholarly discourse. The shape and influence of these issues are the subject of this unique ambitious book. Organized into country specific chapters the book offers original expert analyses of Germany's relations with seventeen European neighbors as well as with the United States. The contributors explore the essential concerns these nations have faced in their bilateral relations with Germany past present and future. In their introduction the editors trace both commonality and diversity in various national conceptions of the German Question and the ways in which these perceptions in turn generate shared as well as divergent national policy agendas vis a vis united Germany.

*Generational Shifts in Contemporary German Culture* Laurel Cohen-Pfister, Susanne Vees-Gulani, 2010 The concept of the generation in today's German culture and literature and its role in German identity. In the debates since 1945 on German history and culture the concept of generations has become ever more prominent. Recent and ongoing shifts in how the various generations are seen and see themselves in relation to history and to each other have taken on key importance in contemporary German cultural studies. The seismic events of twentieth century German history are no longer solely first generational lived experiences but are also historical moments seen through the eyes of successor generations. The generation seen as a category of memory thus holds a key to major shifts in German identity. The changing generational perspectives of German writers and filmmakers not only reflect but also influence these trends exposing both the expected differences between generational views and unexpected continuities. Moreover as younger artists reframe recent history older generations like the 1968ers are also contributing to these shifts by reassessing their own experiences and cultural contributions. This volume of new essays applies current discourse on generations in German culture to contemporary works dealing with major sociohistorical events since the Nazi period. Contributors Svea Brünert Laurel Cohen Pfister Friederike Eigler Thomas C Fox Katharina Gerstenberger Erin McGlothlin Brad Prager Ilka Rasch Susanne Rinner Caroline Schaumann Maria Stehle Reinhild Steingraber Susanne Vees Gulani Laurel Cohen Pfister is Associate Professor of German at Gettysburg College and Susanne Vees Gulani is Assistant Professor of German and Comparative Literature at Case Western Reserve University.

**Place and Politics: Local Identity, Civic Culture, and German Nationalism in North Germany during the Revolutionary Era** Katherine Aaslestad, 2005-12-01 This study examines North Germany during the transformative era of the French Revolution Napoleonic occupation and Wars of Liberation. It reveals international exploitation military occupation economic destruction of the city state Hamburg as well as the republic's liberation and post Napoleonic autonomy. Examining shifts within local

culture and the role of public opinion on civic morality this book underscores the relationship between the civic ethics public language and collective memory in the construction of political identity and concludes that the transformation in values at the local level ultimately provides the crucial direction in the process of modern nation building Throughout the 1800s the public commemoration and memory of occupation and liberation rather than the actual Napoleonic experience shaped the development of German nationalism

**Germany's Cold War** William Glenn Gray, 2003 Gray examines West Germany's efforts to deny international acceptance of East Germany as a legitimate state following World War II in the process telling an important story of the reassertion of Germany as an important power after the disaster of the war

The Official Concept of the Nation in the Former GDR Joanna McKay, 2019-01-04 First published in 1998 this volume joined the effort to understand the former German Democratic Republic with the aim of reaching a better understanding of the psychologically painful process of German reunification following the collapse of East German communism in 1989 While born illegitimate and artificial the country determined the lives of millions of people despite having now disappeared from the map This study from Joanna McKay incorporates previously unavailable archive material and focuses on some of the most challenging ever present tasks for the GDR leaders In particular she examines how they approached explaining the division with West Germany without undermining the legitimacy of the GDR

**East German Distinctiveness in a Unified Germany** Jonathan Grix, P Cooke, 2003-02-28 This book explores the nature of the dramatic growth in a distinct sense of East German identity in the years since the events that led to formal unification in 1990 While it is problematic to see East Germanness as a singular and homogenous identity it can be perceived as a distinctive phenomenon and a level of identification that exists alongside local regional and national identities The essays in this volume hope to challenge the commonly held misconception that East German regional identity is a problem that needs to be overcome in the process of unification Through analyses of the social political and cultural behaviour of East Germans and their perception of their own place in German society this volume makes a complex and nuanced contribution to discussions on German national identity and the unification process

Germany's Civilian Power Diplomacy C. Arora, 2006-08-07 This book assesses the diplomatic path of influence taken by German decision makers during the early nineties in pursuit of their cautiously articulated interest in and commitment to the eastward enlargement of NATO

**Ibss: Political Science: 1991** British Library of Political and Economic Science, 1993 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

**Between Heimat and Hatred** Philipp Nielsen, 2019-04-15 In the decades between German unification and the demise of the Weimar Republic German Jewry negotiated their collective and individual identity under the impression of legal emancipation continued antisemitism the emergence of Zionism and Socialism the First World War and revolution and the republic For many German Jews liberalism and also increasingly Socialism became attractive propositions Yet conservative parties and political positions

right of center also held appeal for some German Jews Between Heimat and Hatred studies German Jews involved in ventures that were from the beginning or became increasingly of the Right Jewish agricultural settlement Jews participation in the so called Defense of Germandom in the East their place in military and veteran circles and finally right of center politics form the core of this book These topics created a web of social activities and political persuasions neither entirely conservative nor entirely liberal For those German Jews engaging with these issues their motivation came from sincere love of their German Heimat a term for home imbued with a deep sense of belonging and from their middle class environment as well as to repudiate antisemitic stereotypes of rootlessness intellectualism or cosmopolitanism This tension stands at the heart of the book The book also asks when did the need for self defense start to outweigh motivations of patriotism and class Until when could German Jews espouse views to the right of the political spectrum without appearing extreme to either Jews or non Jews In an exploration of identity and exclusion Philipp Nielsen locates the moments when active Jewish members of conservative projects became the radical other He notes that the decisive stage of the transformation of the German Right occurred precisely during a period of republican stabilization when even mainstream right of center politics abandoned the state centric Volk based ethnic concepts of the Weimar republic The book builds on recent studies of Jews relation to German nationalism the experience of German Jews away from the large cities and the increasing interest in Germans obsession with regional roots and the East The study follows these lines of inquiry to investigate the participation of some German Jews in projects dedicated to originally or increasingly illiberal projects As such it shines light on an area in which Jewish participation has thus far only been treated as an afterthought and illuminates both Jewish and German history afresh

**After The Wall** Patricia J Smith, 2019-05-20 Since the fall of the Berlin Wall in November 1989 Germany has faced complex challenges The rapid introduction of political economic and social union in 1990 joined East and West in an experiment without precedent as the former German Democratic Republic adopted the structures of the Federal Republic of Germany Related issues include the ado **Money and Security** Hubert Zimmermann, 2002-04-22 This study links the transatlantic security system and the international monetary system during the Cold War era The Correspondence of Karl Heinrich Ulrichs, 1846-1894 Douglas Ogilvy Pretsell, 2020-05-20 This book will be the first critical edition of all the surviving correspondence to from and about Karl Heinrich Ulrichs between 1846 and 1894 Ulrichs a former Hanoverian lawyer was the first to articulate a personal identity of sexuality that defined individuals by their sexual object This articulation of sexual modernist identities is Ulrichs abiding legacy to the world He wrote twelve short books between 1864 and 1879 arguing for the removal of laws and prejudice against urnings and articulating a scientific theory that placed them as a third gender He is a foundational figure in the history of sexuality yet there has never been an edition of his complete correspondence in either English or the original German The correspondence between the years of 1846 and 1894 covers three definable periods the years before Ulrichs began writing 1846 1864 the years between which all his principle works his lobbying and

all his activism took place 1865 1879 and his final years in exile 1880 1895 The analysis will contend that the correspondence reveals that Ulrichs project was not just a lonely campaign against legal prohibition of the hydra of public contempt but instead was part of a far wider campaign of community led self definition that was actively promoted at home and abroad

*Never Again* Andrew I. Port, 2023-05-02 What do Germans mean when they say never again Andrew Port examines German responses to the genocides in Cambodia Bosnia and Rwanda showing how these events transformed the meaning of the Holocaust in Germany inspired partial remilitarization and changed the country's relationship to refugees fleeing war torn regions

The American Bibliography of Slavic and East European Studies Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology

A Politics of Inevitability Ross Beveridge, 2011-11-03 This book provides a detailed analysis of the controversial privatisation of the Berlin Water Company BWB in 1999 As with other cases of privatisation around the world the city's government argued there was no alternative in a context of public debts and economic restructuring Drawing on post structuralist theory the analysis presented here steps outside the parameters of this neat straightforward explanation It problematises the hard facts upon which the decision was apparently made presenting instead an account in which facts can be political constructions shaped by normative assumptions and political strategies A politics of inevitability in 1990s Berlin is revealed one characterised by depoliticisation expert dominated policy processes and centred upon the perceived necessities of urban governance in the global economy It is an account in which global and local dynamics mix where the interplay between the general and the specific between neoliberalism and politicking and between globalisation and local actors characterise the discussion

*The Road to the European Union* Jacques Rupnik, Jan Zielonka, 2003-11-08 Publisher Description

**United City, Divided Memories?** Dirk Verheyen, 2010-02-03 United City Divided Memories focuses on the basic question of how Berlin today deals with three specific Cold War era legacies the presence of the four Great Powers the East German Stasi and the Berlin Wall Dirk Verheyen looks at monuments museums and memorial sites as illustrations of Berlin's struggle to craft an effective shared identity that ties together its western and eastern halves Verheyen's comprehensive and critical analysis is considered against the broader background of Germany's efforts at coming to grips with its dual twentieth century totalitarian past This book demonstrates that important elements of east west contrast linger and complicate the city's efforts at crafting a more definitively future oriented united identity United City Divided Memories will stimulate debate among German studies scholars as well as among those interested in German history and cultural studies

## German Question A Cultural Historical And Geopolitical Exploration Introduction

German Question A Cultural Historical And Geopolitical Exploration Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. German Question A Cultural Historical And Geopolitical Exploration Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. German Question A Cultural Historical And Geopolitical Exploration : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for German Question A Cultural Historical And Geopolitical Exploration : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks German Question A Cultural Historical And Geopolitical Exploration Offers a diverse range of free eBooks across various genres. German Question A Cultural Historical And Geopolitical Exploration Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. German Question A Cultural Historical And Geopolitical Exploration Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific German Question A Cultural Historical And Geopolitical Exploration, especially related to German Question A Cultural Historical And Geopolitical Exploration, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to German Question A Cultural Historical And Geopolitical Exploration, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some German Question A Cultural Historical And Geopolitical Exploration books or magazines might include. Look for these in online stores or libraries. Remember that while German Question A Cultural Historical And Geopolitical Exploration, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow German Question A Cultural Historical And Geopolitical Exploration eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books

often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the German Question A Cultural Historical And Geopolitical Exploration full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of German Question A Cultural Historical And Geopolitical Exploration eBooks, including some popular titles.

### FAQs About German Question A Cultural Historical And Geopolitical Exploration Books

1. Where can I buy German Question A Cultural Historical And Geopolitical Exploration books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
