The Geopolitics of Energy in South Asia Marie Lall, 2009 Energy security has become a central concern for all the countries in the Asian region and the search for sufficient sources of energy to fuel economic growth has drastically influenced relations among the South Asian countries as well as their respective relations with their neighbours China Myanmar Iran and Afghanistan The recent nuclear deal between India and the US is also indicative of how energy and power politics are linked and how these new inter linkages underlie relations between states This book aims to give a South Asian perspective on the geopolitics of energy with a central focus on India The chapters address how India's global and regional foreign policy making has changed in light of India's search for energy and how this is affecting the relationship on a global level between India and the US as well as on a regional level between India and the other Asian countries The book also offers views from Pakistan and Bangladesh as well as how this shifting reality is affecting relations between India and Southeast Asia

The Geopolitics of South Asia Graham Chapman, 2019-11-07 Anyone who is planning on carrying out

research in South Asia or indeed anyone who simply wishes to understand more about this cultural heartland should read this book. It shows how geological movements moulded the land of this unique cradle and how they still impact on it. Discussions are woven around the three major forces of integration: These are identitive forces, bonds of language, ethnicity, religion or ideology, utilitarian forces, bonds of common material interest and coercion, the institutional use or threat of physical violence. By studying these forces, Professor Chapman shows how the organization of territory has been central to the region's historic cultural, linguistic and economic development. In addition to the material on the Northwest frontier, Afghanistan and Kashmir, which was added for the second edition, the Northeastern borderlands are also now examined in this fully revised third edition. The current geopolitical state of the region is completely updated and greatly enhanced.

Decoding the Chessboard of Asian Geopolitics Debasish Nandy, Monojit Das, 2025-06-20. The edited volume titled *Decoding the Chessboard of Asian Geopolitics: Asian Powerplay in South Asia, Central Asia and West Asia* offers a distinctive examination of the power rivalries within the Asian region. It highlights the significant influence of extra regional powers on South Asia's political, economic, foreign policy and security landscapes. This volume also delves into the intricate power dynamics in Central Asia and West Asia. In light of recent global transformations, Asia emerges as a formidable entity that not only confronts the challenges of uncertainty but also plays a pivotal role in shaping contemporary geopolitics. Comprising 22 chapters, this volume provides a critical analysis of both internal and external factors influencing Asian Powerplay. It emphasizes the significance of the Indo-Pacific region, the Non-Alignment Movement and the concept of multipolarity. Furthermore, it addresses various issues from traditional security to human security across four distinct sectors. The scholars of International Relations, Defence Studies, Political Science, Strategic Studies, Journalism, Peace and Conflict Studies etc. will be benefited by this volume across the globe. This book is part of a two-volume set and the other volume in this set delves into the geopolitical dynamics and power relations in East and Southeast Asia and the Global North. *United States and Pakistan in the 21st Century* Syed Tahseen Raza, 2020-11-11. This book historically maps and examines the evolving contemporary geostrategic and geopolitical imperatives of the United States within Pakistan and the South Asian region, especially after September 11, 2001. It offers a detailed and theoretical account of the rapidly changing context of US foreign policy towards Pakistan after 2001. The history of the US-Pakistan relationship has been a complex and inscrutable mix of cooperation and conflict, has turned even more challenging after 9/11. This book covers the latest developments and relevant themes from world politics as it discusses the impact of the unprecedented rise in religious extremism in Pakistan stemming from the US War on Terror, as well as Pakistan's economic vulnerability and military dictatorship. India's offer to support the US in its war in Afghanistan, Pakistan's nuclear capability and the US administration's decision to end financial aid to Pakistan. The study highlights the fact that from the receding of British influence in the region through the Cold War and post-Cold War phases to the post-9/11 period, US South Asia policy has been informed by the theoretical paradigm of the grand

strategy of primacy This topical book will be useful to scholars and researchers of international relations politics political studies strategic and defence studies security and peace studies foreign policy area studies and South Asian studies It will also interest diplomats politicians policymakers security experts journalists and think tanks interested in India Pakistan and the United States on issues of international politics world affairs and terrorism

Geographic Realities in the Middle East and North Africa George Joffé, Richard Schofield, 2020-10-25 Celebrating the work of Keith McLachlan a well known and much admired geographer of the Middle East and North Africa this book combines three interrelated topics that define the region The Middle East has been integral to the growth of the global oil industry an aspect of its evolution since 1908 which has had profound geopolitical implications as well The territory was also the arena for the last European experiment in colonialism a development that has left its legacy even today And historically it has been the location of the great hydraulic civilisations of Egypt and Mesopotamia yet is still dependent on the flow of its two major river systems the Nile and the Tigris Euphrates in an era of impending climate crisis These themes form the essence of themes that are discussed in the chapters that follow Keith McLachlan played a significant role in our understanding of these themes and of their effects in the contemporary world as the comments of those who worked with him and have contributed towards this book reveal Examining agriculture oil and state construction this volume offers an insight into how the contemporary Middle East was constructed after the collapse of the Ottoman Empire It is a key resource for scholars and students interested in geopolitics and the geography of the Middle East The Political Geography of South Asia Robert W. Bradnock, 2000 This text seeks to examine the geopolitics environment economic development and demography of India Pakistan Bangladesh Sri Lanka and Nepal through the prism of the discipline of political geography

Energy and Geopolitics in the South China Sea ASEAN Studies Centre, 2009 China has long claimed the ownership of a network of widely scattered islands and their surrounding waters and resources in the South China Sea These claims overlap in a substantial way with those of at least three ASEAN countries Vietnam the Philippines and Malaysia To this day the South China Sea has remained one of the regions most dangerous flashpoints Despite regional efforts to calm the situation the complicated nature of the issue continues to challenge regional security The ASEAN Studies Centre has taken this initiative to host a discussion on Energy and Geopolitics in South China Sea with contributions from Michael Richardson and a number of experts in this area to put across their analytical views of the issue **Geography in the 21st Century** Jayson J.

Funke, Waquar Ahmed, Ipsita Chatterjee, Stephen M. McCauley, 2025 These 40 chronologically arranged entries examine the key events that have most profoundly shaped global society in the opening decades of the 21st Century **The Oxford Handbook of Indian Foreign Policy** David M. Malone, C. Raja Mohan, Srinath Raghavan, 2015-07-23 Following the end of the Cold War the economic reforms in the early 1990s and ensuing impressive growth rates India has emerged as a leading voice in global affairs particularly on international economic issues Its domestic market is fast growing and India is becoming

increasingly important to global geo strategic calculations at a time when it has been outperforming many other growing economies and is the only Asian country with the heft to counterbalance China Indeed so much is India defined internationally by its economic performance and challenges that other dimensions of its internal situation notably relevant to security and of its foreign policy have been relatively neglected in the existing literature This handbook presents an innovative high profile volume providing an authoritative and accessible examination and critique of Indian foreign policy The handbook brings together essays from a global team of leading experts in the field to provide a comprehensive study of the various dimensions of Indian foreign policy *India and Southeast Asia in a Changing World* Shailza Singh, Philip

Varghese, Shalini Balaiah, Sarish Sebastian, 2024-12-16 This book presents a comprehensive analysis of India's relationship with the Southeast Asian nations in the context of the changing dynamics of international relations and the emergence of Indo Pacific as the theatre of world politics It covers a wide range of themes from strategic to political economic diplomatic and security aspects and assesses how India's redefining of its role in world politics unfolds through its posture towards the Southeast Asian region The volume will be of great interest to scholars and researchers of Asian studies both South Asian and Southeast Asian studies and politics and international relations It will also be useful for public policy analysts and think tanks and policymakers **Indonesia's Foreign Policy and Grand Strategy in the 21st Century** Vibhanshu

Shekhar, 2018-03-14 This book examines the changes in Indonesian foreign policy during the 21st century as it seeks to position itself as a great power in the Indo Pacific region The rise of 21st century Indonesia is becoming a permanent fixture in both the domestic and global discourses Though there has been an increasing level of discussion on Indonesia's emerging power status there has been little discussion on how the country is debating and signalling its new found status This book combines the insights of both neo classical realism and social identity theory to discuss a reset in an emerging Indonesia's foreign policy during the 21st century while emphasizing domestic drivers and constraints of its international behaviour There are three key organizing components of the book emerging power status signalling and the Indo Pacific region The Indo Pacific region constitutes a spatial framing of the book the emerging power provides an analytical category to explain Indonesia's changing international status and status signalling explains multiple facets of international behaviour through which the country is projecting its new status Though leaders are adding different styles and characteristics to the rising Indonesia narrative there are a few unmistakable overarching trends that highlight an increasing correlation between the country's rising power and growing ambition in international behaviour This book is built around four key signalling strategies of Indonesia as an emerging power expanded regional canvas power projection leadership projection and quest for great power parity They represent Indonesia's growing desire for a status consistent behaviour its response to the prevailing strategic uncertainty in the Indo Pacific region and its attempt to advance its strategic interests This book will be of much interest to students of South East Asian politics strategic studies international diplomacy security studies and IR in general
