George C. Marshall Forrest C. Pogue,1973 **George C. Marshall** ,1973 Forfatteren til v rket er Director of the Research Center of the George C Marshall Research Foundation og har skrevet andre milit rhistoriske b ger Disse fire bind udkom i rene fra 1964 til 1987 og har f lgende undertitler 1 Education of a General 1880 1939 2 Ordeal and Hope 1939 1942 3 Organizer of Victory 1943 1945 4 Statesman 1945 1959 *George C. Marshall* ,1964 Forfatteren til v rket er Director of the Research Center of the George C Marshall Research Foundation og har skrevet andre milit rhistoriske b ger Disse fire bind udkom i rene fra 1964 til 1987 og har f lgende undertitler 1 Education of a General 1880 1939 2 Ordeal and Hope 1939 1942 3 Organizer of Victory 1943 1945 4 Statesman 1945 1959 **Organizer of victory 1943-1945** Forrest C. Pogue,1963

George C. Marshall: Organizer of Victory 1943-45 Forrest C. Pogue,1963 George C. Marshall Forrest Carlisle Pogue,1973 The Life and Work of General Andrew J. Goodpaster C. Richard Nelson,2016-09-29 General Andrew J Goodpaster 1915 2005 was a brilliant military leader a scholar and most of all an exceptional presidential adviser who served under seven successive administrations A respected strategist he participated at the highest levels of government in many of the most important decisions of the second half of the twentieth century As President Eisenhower s Staff Secretary he was the de facto originator of the National Security Council process and served as a mentor and role model to his successors down to the present day He was involved in many security challenges such as establishing and sustaining NATO planning for nuclear weapons and arms control and implementing d tente He developed a collaborative method of approaching national security affairs a style that reflected a strong capacity to engage effectively the necessary people to work together to achieve the best possible outcomes In doing so he learned and taught best practices in national security that still influence decision making today This biography shows the importance of experienced soldier scholars with high integrity on national security teams and provides the first systematic mining of the documents Goodpaster wrote on national security Organized chronologically it demonstrates how Goodpaster was able to adapt best practices to a constantly changing political military economic and technological environment It also explains why he was so frequently selected as an insider in national security decision making His life and work reveal how best to approach complex national security problems and the kind of collaborative leadership needed to get the job done Still today his method confirms General Scowcroft s view that Goodpaster is too important to ignore *Arms and Men: A Study in American Military History* Walter Millis,2022-05-27 As the author explains it its Foreword the book is a brief review of the now rather extensive military history of the United States in relation to its political economic and social implications This is a book for the years a distinguished job of writing Millis is a

penetrative analyst vigorous expression and the steady flow of challenging ideas keep the book from ever becoming dull The book is a total study of the evolution of American military power The author knows weapons politics and human nature His perceptive grasp of these complexes shines in the writing The New York Times After the passage of a generation *Arms and Men* remains the most satisfactory one volume survey of the military history of the United States showing an unrivalled depth of insight into the interrelationships between American military history and the whole history of the United States with a constant regard for the still larger context of American military history in world history Reviews in American History A remarkable example of synthesis and readability excellent Political Science Quarterly Mr Walter Millis has written the most penetrating and stimulating of the studies on American military affairs This is not a detailed study of battles and tactics it is instead an examination of the interaction of a changing society and technology on military institutions Mr Millis has a superb sense of history a graceful style and a lively civilized wit This is a volume which should be read by all who are concerned with the most pressing problem of our day New York History *Arms and Men* in my view is the best single study dealing with American military history as a whole which has been written in the last half century and virtually nothing of the sort was written earlier Military Affairs Although Mr Millis who has devoted many years to the subject calls this only a commentary on the history of American military policy it is a most useful and well written survey Foreign Affairs A good book readable and admirable for its factual accuracy and general thoughtfulness The American Historical Review Millis well phrased analysis of American military history is a tremendous contribution to the thoughtful citizen Current History No more searching or more stimulating study of the subject has been published for a decade International Affairs This is a review of the military history of the United States in relation to the economic political and social phases of our history This book is well written excellently organized with logical arguments It should be widely read and generously consulted The Annals of the American Academy of Political and Social Science The changes made by the forces of democracy and by public opinion in the conduct of wars is traced in *Arms and Men* It is a brilliant exposition of the factors that brought such evolution in warfare Walter Millis has written many profound works but this readable book is his best World Affairs It is a brilliant survey of American military history acutely conceived and beautifully written one of those rare creative works of interpretation and synthesis Saturday Review Millis twin gifts of perception and expression are again apparent in *Arms and Men* a mature commentary on America's record of preparation or non preparation and performance in its wars New York Herald Tribune *From the Danube to the Yalu* Mark Clark, 2025-07-07 A frank instructive and on the whole well written account of the problems both military and political which faced General Mark Clark between May 1952 when he was appointed Commander of United Nations Forces in Korea and the signing of the armistice in July 1953 the book is a combination of military prowess honesty of purpose and considerable political sagacity International Affairs General Clark firmly believes that we could have obtained better truce terms quicker shortened the war and saved lives if we had got tough sooner His book explains why he thought so and gives

as well detailed accounts of the prisoner of war controversy truce negotiations relations with President Syngman Rhee and other matters of administration the honest opinions of a good soldier who obeyed orders even when they were contrary to his deepest convictions International Journal General Clark gives a blow by blow account of the Korean negotiations leading up to the armistice General Clark speaks for those Americans who deplore soft handling of Communism and feel that peace will come to us only if we are strong if the Russians and their followers know we are strong and if they are convinced we have the determination and courage to use that strength both politically and militarily to achieve victory Ordnance A book that should be read by every American citizen who wishes to be well informed on the subject of dealing with the Communists a fascinating account of the first two years of the cold war Military Affairs *Working with Roosevelt* Samuel I. Rosenman, 2023-07-29 *Working With Roosevelt* is not only one of the most readable and perceptive of the wide array of New Deal memoirs it is also the finest account and analysis of the way in which Franklin D Roosevelt's speeches took shape Indeed it is the indispensable book on presidential speech writing Foreword by Frank Freidel Harvard University to Counsel and Advise A Political Biography of Samuel I Rosenman A close associate of Roosevelt from 1928 to 1945 Judge Rosenman's principal job was to prepare and assist in the drafting of the President's speeches The memoirs of those years of collaboration are a valuable addition to the history of the New Deal and F D R's role in the Second World War Henry L Roberts Foreign Affairs A detailed and authoritative account of how the public utterances of a President of the United States are put together The particular value of the Rosenman account is that it deals with a President who was conspicuously successful in his employment of the method It is all the better because it carefully describes the errors as well as the triumphs The book admits that Roosevelt made mistakes and points them out Indeed it goes further it admits that Samuel Rosenman made mistakes and points them out too This makes it admirable as a textbook for aspiring politicians G W Johnson New York Herald Tribune Book Review An engrossing study of the late President in one of his less familiar roles that of man of letters Judge Rosenman an admiring but by no means purblind biographer conveys an excellent idea of the development of both the content of and the philosophy behind most of Roosevelt's major addresses and analyzes as far as possible the literary contributions made by the President's collaborators The New Yorker Mr Rosenman gives an honest and revealing appraisal of the man with whom he worked for so many years and in his presentation of the background of the major speeches offers a fascinating account of the years and events so decisive in America's recent history The American Scholar A unique contribution to our knowledge of F D R and the modern American presidency An outstanding virtue of this book is the well rounded picture it presents of F D R Thomas H Greer The Mississippi Valley Historical Review Admiral "Bull" Halsey John Wukovits, 2025-06-25 The definitive biography of America's best known naval officer who commanded the legendary fast carrier force during WWII From the tragic aftermath of Pearl Harbor when he fashioned America's first response to the attack to the war's final day in Tokyo Bay when he witnessed Japan's surrender Admiral William F Halsey stamped a mighty

imprint on the Pacific during World War II He led or participated significantly in the Navy's first offensive strikes against the Marshall Islands and Wake Island the Guadalcanal campaign and the offensive toward Japan As a commander he never shied from engaging the enemy but boldly entered into battle ready for a fight As a consequence Halsey became the face of the Navy and its most attractive public relations phenomenon Due to his bold tactics and quotable wit Halsey continues to be a beloved and debated figure In this balanced biography historian John Wukovits illuminates the life of a man who ultimately deserves recognition as one the great naval commanders in U S history Europe had Patton the Pacific had Admiral William the Bull Halsey

American Airpower Comes of Age General Henry H. Arnold, 2004-10 This volume has richly enhanced General Henry H Hap Arnold's reputation as the father of today's United States Air Force Major General John W Huston himself an Army Air Forces combat veteran of the war has edited each of Arnold's World War II diaries and placed them in their historical context while explaining the problems Hap faced and evaluating the results of his travels General Huston a professional historian has taught at both the US Air Force Academy and the US Naval Academy A former Chief of the Office of Air Force History and an experienced researcher both here and abroad in the personal and official papers of the war's leaders he has been careful to let Hap speak for himself The result is an account of the four year odyssey that took Arnold to every continent but one as he took part in deliberations that involved Allied leaders in major diplomacy strategy meetings with Franklin D Roosevelt Harry S Truman Winston Churchill Josef Stalin Charles de Gaulle and Chiang Kai shek At those meetings Hap recorded the comments of the various participants His 12 diaries contain his own thoughts which range from being lost over the Himalayas to comforting the wounded as they were airlifted from the Normandy beaches He experienced an air raid in London and viewed the carnage in recently liberated Manila Arnold recorded his honest impressions from private meetings with King George VI in Buckingham Palace to eating from mess kits with his combat crews in the North African desert all while perceptively commenting on the many issues involved and assessing the people the culture and the surroundings This volume offers the best assessment we have of Hap as he survived four wartime heart attacks and continued to work tirelessly for proper recognition of airpower It will also continue my emphasis while Chief of Staff of the US Air Force on encouraging professional reading through making historical accounts available to personnel of the finest air force in the world a success achieved in large part because of Hap Arnold Ronald R Fogleman General United States Air Force Retired

American Airpower Comes Of Age—General Henry H. “Hap” Arnold’s World War II Diaries Vol. II [Illustrated Edition] Gen. Henry H. “Hap.” Arnold, 2015-11-06 Includes the Aerial Warfare In Europe During World War II illustrations pack with over 180 maps plans and photos Gen Henry H Hap Arnold US Army Air Forces AAF Chief of Staff during World War II maintained diaries for his several journeys to various meetings and conferences throughout the conflict Volume 1 introduces Hap Arnold the setting for five of his journeys the diaries he kept and evaluations of those journeys and their consequences General Arnold's travels brought him into strategy meetings and personal conversations with virtually all

leaders of Allied forces as well as many AAF troops around the world He recorded his impressions feelings and expectations in his diaries Maj Gen John W Huston USAF retired has captured the essence of Henry H Hap Arnold the man the officer the AAF chief and his mission Volume 2 encompasses General Arnold s final seven journeys and the diaries he kept therein

America's Nine Greatest Presidents Frank P. King,1997-01-01 Among the 42 men who have held the office of the President of the United States some are remembered more easily than others for the strength of their administration The nine greatest presidents were all attractive in one way or another writes Frank P King Far more important and difficult to appreciate and understand they had superb characters derived from principles commitments and habits They all seem even now to be remarkably like us The success of presidents and congresses and governments is measured by achievements which advance the commercial and strategic health of the nation our culture and the prosperity of the nation s people The peacekeepers armed with swords spoons or pens have been our greatest blessing Making and keeping friends and allies is more than a hobby King chronicles the lives of Dwight D Eisenhower Harry S Truman Franklin D Roosevelt Theodore Roosevelt Abraham Lincoln James K Polk James Monroe Thomas Jefferson and George Washington and places them in historical perspective in this detailed study He examines their legislative military and political actions and offers analysis of each man s character values progressiveness and political performance

World War II in Asia and the Pacific and the War's Aftermath, with General Themes Loyd Lee,1998-10-23 A companion to World War II in Europe Africa and the Americas this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific It also covers themes pertaining to societies at war culture the arts and science and technology as well as international relations and the postwar world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter s themes and issues and concludes with a bibliography Recent original scholarship is included when it aids new understanding and older works of enduring value also find a place The essays in this volume will interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature

Sumner Welles: FDR's Global Strategist Benjamin Welles,2022-07-11 Sumner Welles 1892 1961 ranks among the half dozen most influential American career diplomats of this century And among high officials brought down by sexual scandal he has no rivals This long awaited biography by his son Benjamin blends an adequate narrative of diplomatic achievement with a candid and painful description of the subject s alcohol fueled bisexual excess in an era when unconventional sexual behavior was often a matter of criminal prosecution As a diplomat and shaper of foreign policy Welles like Roosevelt showed an appreciation of the importance of power a liberal commitment to the Good Neighbor policy toward

Latin America cautious support for the establishment of the United Nations and a belief that difficult problems with the Soviet Union could be worked out He wrote and spoke with educated precision and was able to do more work in a day than most people could do in a week as a candid sympathetic portrait of a great and tragic figure in a bygone era of aristocratic privilege the biography succeeds admirably The New York Times An absorbing study of an enigmatic character who for nearly a decade after 1933 as Franklin Roosevelt s trusted adviser wielded great influence over American foreign policy While the author treats convincingly the diplomatic episodes in which his father played a significant role it is as a study in character that the book makes its most important contribution Foreign Affairs Affectionate yet scrupulously candid this biography by his son is an act of homage Publishers Weekly This is one of the saddest stories of a good soldier that I have ever read Until 1943 Sumner Welles an often arrogant patrician who had attended Groton School and Harvard College a decade after Franklin Delano Roosevelt was one of the most distinguished members of the interwar foreign service rising to become undersecretary of state in Roosevelt s administration He had elaborated the Good Neighbor Policy in the 1930s he wrote the Atlantic Charter which Roosevelt and Winston Churchill endorsed in 1941 he drafted the United Nations charter and supported the creation of Israel as a national homeland for Jews Unfortunately scandal destroyed Welles career a compassionate but ruthlessly honest biography Neither harsh nor apologetic Benjamin Welles shows a deep understanding of his father s character The Los Angeles Times Benjamin Welles has provided a very complete portrait a significant contribution to scholarship in its own right The National Interest A fascinating look at a little remembered contributor to 20th century history Benjamin Welles is also to be commended for seeing his father s weaknesses and not pulling punches when discussing them Kirkus A detailed and sympathetic portrait that does not disguise the flaws of its subject Benjamin Welles s book should stand as the definitive biography for a long time Latin American Research Review This is a graceful life and times summary as well as a look at the sometimes troubled personal life of an important figure a personal life that did affect Welles s public life A son s perspective is unique The International History Review Benjamin Welles has written the best biography and account of Sumner Welles and his diplomatic career the scope of research is extensive and impressive the author has conscientiously laid out his father s painful personal issues alcoholism adultery and homosexuality which adversely affected Welles s career Welles the author has written the best account about his father s diplomatic career The Americas The diplomat s son has done a remarkable job of seeking to present a balanced picture of his father s service The book is an important one Presidential Studies Quarterly
