## **George C Marshall Statesman 1945 1959:**

**George C. Marshall: Statesman, 1945-1959** Forrest C. Pogue, 1987 Biography of George C Marshall general and statesmen **George C. Marshall** Forrest C. Pogue, 1986 *George C. Marshall* Forrest C. Pogue, 1987 **George C. Marshall**, 1987 Forfatteren til værket er Director of the Research Center of the George C Marshall Research Foundation og har skrevet andre militærhistoriske bøger Disse fire bind udkom i rækkerne fra 1964 til 1987 og har følgende undertitler 1 Education of a General 1880 1939 2 Ordeal and Hope 1939 1942 3 Organizer of Victory 1943 1945 4 Statesman 1945 1959

**George C. Marshall**, 1964 Forfatteren til værket er Director of the Research Center of the George C Marshall Research Foundation og har skrevet andre militærhistoriske bøger Disse fire bind udkom i rækkerne fra 1964 til 1987 og har følgende undertitler 1 Education of a General 1880 1939 2 Ordeal and Hope 1939 1942 3 Organizer of Victory 1943 1945 4 Statesman 1945 1959 **The Diplomats, 1939-1979** Gordon A. Craig, Francis L. Loewenheim, 2019-01-15 This volume offers a unique perspective on a turbulent and dangerous age by focusing on the activities and accomplishments of its diplomats Its twenty three interconnected essays discuss the politics of ambassadors foreign ministers and heads of state from Acheson and Adenauer to Sadat and Gromyko as well as the special problems of the professionals in the foreign offices and the role of the media in modern diplomacy Among its contributors are such distinguished international scholars as Akira Iriye Michael Brecher Stanley Hoffmann W W Rostow and Norman Stone Expanding the field of inquiry covered by its acclaimed predecessor The Diplomats 1919 1939 which concentrated on Europe and the coming of the Second World War these essays showcase the major diplomatic practitioners of the period against the broader background of the problems and crises that confronted them among others the Polish question at the end of World War II the onset of the Cold War the defeat of EDC in 1954 the Suez crisis Khrushchev's Berlin note in 1958 the Middle East War of 1967 and the oil shock of 1973 the Iranian revolution and the Soviet invasion of Afghanistan This account of the pendular swing from crisis and detente and back again is given a global perspective by careful treatment of the diplomacy of new nations like India Communist China and Israel and the transformation of the Middle East and Japan Among the new perspectives offered here are Geoffrey Warner's critical view of Ernest Bevin's attitude toward the United States John Lewis Gaddis's judgment of Henry Kissinger's detente policy W W Rostow's analysis of the diplomatic method of Paul Monnet Rena Fonseca's assessment of Nehru's policy of nonalignment Shu Guang Zhang's fresh look at the relationship between Zhou Enlai and Mao and Paul Gordon Lauren's critique of UN crisis management from Trygve Lie to Perez de Cuellar Highly original also are Steven Miner's portrait of Molotov Michael Brecher's pioneering study of the diplomacy of Abba Eban and James McAdams's analysis of German Ostpolitik Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the

Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**A Military History of the Cold War, 1944-1962** Jonathan M. House, 2014-04-28 The Cold War did not culminate in World War III as so many in the 1950s and 1960s feared yet it spawned a host of military engagements that affected millions of lives This book is the first comprehensive multinational overview of military affairs during the early Cold War beginning with conflicts during World War II in Warsaw Athens and Saigon and ending with the Cuban Missile Crisis A major theme of this account is the relationship between government policy and military preparedness and strategy Author Jonathan M House tells of generals engaging in policy confrontations with their governments political leaders among them Anthony Eden Nikita Khrushchev and John F Kennedy many of whom made military decisions that hamstrung their own political goals In the pressure cooker atmosphere of atomic preparedness politicians as well as soldiers seemed instinctively to prefer military solutions to political problems And national security policies had military implications that took on a life of their own The invasion of South Korea convinced European policy makers that effective deterrence and containment required building up and maintaining credible forces Desire to strengthen the North Atlantic alliance militarily accelerated the rearmament of West Germany and the drive for its sovereignty In addition to examining the major confrontations nuclear and conventional between Washington Moscow and Beijing including the crises over Berlin and Formosa House traces often overlooked military operations against the insurgencies of the era such as French efforts in Indochina and Algeria and British struggles in Malaya Kenya Cyprus and Aden Now more than fifty years after the events House describes understanding the origins and trajectory of the Cold War is as important as ever By the late 1950s the United States had sent forces to Vietnam and the Middle East setting the stage for future conflicts in both regions House s account of the complex relationship between diplomacy and military action directly relates to the insurgencies counterinsurgencies and confrontations that now occupy our attention across the globe

**Generals of the Army** James H. Willbanks, 2013-05-01 A concise account of the extraordinary careers of the five men who had perhaps the greatest impact on the US military of the late twentieth century Andrew Wiest author of *The Boys of 67* Charlie Company s War in Vietnam Formally titled General of the Army the five star general is the highest possible rank awarded in the U S Army in modern times and has been awarded to only five men in the nation s history George C Marshall Douglas MacArthur Dwight D Eisenhower Henry H Arnold and Omar N Bradley In addition to their rank these distinguished soldiers all shared the experience of serving or studying at Fort Leavenworth Kansas where they gained the knowledge that would prepare them for command during World War II and the Korean War In *Generals of the Army* James H Willbanks assembles top military historians to examine the connection between the institution and the success of these exceptional men Historically known as the intellectual center of the Army Fort Leavenworth is the oldest active Army post west of Washington D C and one of the most important military installations in the United States Though there are many biographies of the five star generals this

innovative study offers a fresh perspective by illuminating the ways in which these legendary figures influenced and were influenced by Leavenworth This concise volume offers an intriguing look at the lives of these remarkable men and the contributions they made to the defense of the nation An excellent review of the lives and challenges on and off the battlefield during trying times for our country Ike Skelton Former Chairman House Armed Services Committee US Congress George C. Marshall Mary Sutton Skutt,2004 *George C. Marshall* ,1973 Forfatteren til værket er Director of the Research Center of the George C Marshall Research Foundation og har skrevet andre militærhistoriske bøger Disse fire bind udkom i rækkerne fra 1964 til 1987 og har følgende undertitler 1 Education of a General 1880 1939 2 Ordeal and Hope 1939 1942 3 Organizer of Victory 1943 1945 4 Statesman 1945 1959 The United States Army in China, 1900-1938 Alfred Emile Corneise,2015-07-04 A study of U S Chinese relations involving the U S Army this work focuses at the personnel level on the Army's service in China While studies have been published of the U S Marines and U S Navy's involvement in China little attention has been given the Army's missions in this theater Operations in China were a key part of the history and traditions of the 9th 14th 15th and 31st Regiments whose coats of arms still feature dragons as symbols of their service there Many who served in the 15th in China went on to impressive careers as general officers prompting one soldier to ask what other infantry regiment of those days can boast of such an alumni list Also covered is the 31st Regiment's involvement in Shanghai during the Second Sino Japanese War the prelude of the coming of World War II in Asia **History of American Foreign Policy, Volume 2** Jerald A Combs,2017-07-28 First Published in 2017 Now thoroughly updated this respected text provides a clear concise and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present This is Volume II and is from 1895 The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship The History of American Foreign Policy chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves **America in the World** Michael J. Hogan,1995 A survey of the historical literature on intelligence and national security during the Cold War *Criminologists on Terrorism and Homeland Security* Brian Forst,Jack R. Greene,James P. Lynch,2011-02-07 This volume presents 19 original essays addressing what is widely regarded as the most serious problem confronting America today and for years to come terrorism from the unique perspective of criminology The chapters collected here address such issues as the prevention of terrorism the applicability of community policing and routine activities models of crime to the problem of terrorism how to balance liberty and security and how to think about and manage the fear of terrorism as well as the coordination of federal and local efforts to prevent and counter terrorism *Criminologists on Terrorism and Homeland Security* will be of interest to anyone concerned about violence prevention in general and terrorism in particular policing prosecution adjudication sentencing and restorative justice *Rickover: The Struggle for Excellence* Francis

Duncan, 2021-06-17 Admiral Hyman G Rickover 1900 1986 the Father of the Nuclear Navy was born Chaim Godalia Rickover in eastern Poland to Jewish parents Fleeing Russian antisemitic pogroms in 1906 with his mother and sister he joined his father who had traveled to America since 1897 in New York City The family soon moved to Chicago where Rickover's father worked as a tailor Congressman Adolph Sabath a Czech Jewish immigrant nominated Rickover for appointment to the US Naval Academy Rickover passed the entrance exams and entered the Academy in 1918 After sea duty on several ships and submarines he served as head of the Electrical Section in the Bureau of Ships and in 1946 was sent to Oak Ridge to start working on nuclear naval propulsion reactors a program he would lead for the rest of his career He became a four star admiral in 1973 Rickover's work on nuclear propulsion had a profound effect on the post World War II world and on the development of civilian nuclear reactors for electricity generation His demand for excellence and accountability was felt far beyond the naval community yet few other flag officers in the US Navy have been so controversial Drawing on the admiral's private papers and the personal insights of friends and family members this biography examines Rickover's extraordinary naval career and his private life Francis Duncan in his long awaited full biography of Hyman Rickover achieves that difficult dual goal of close personal insight and honesty of distance Duncan details Rickover's many controversies his towering rages and his contempt for tradition bureaucracy and stupidity a very readable cruise through the life of a notorious curmudgeon who after all served his country well and had a major impact on the ships of the U S Navy on the engineering profession and on the development of nuclear power in the United States Rodney Carlisle The Journal of American History This fine treatment of a remarkable man is highly recommended Malcolm Muir Jr Technology and Culture Francis Duncan is uniquely qualified to write the biography of Admiral Hyman G Rickover He is the only person to whom Admiral Rickover ever made himself available for interviews and allowed use of his personal papers including the letters between himself and his first wife Ruth This is an enjoyable book especially for the thousands who served or serve now in the nuclear programs civilian or military It is also an important addition to the history of a man who was one of the giants of the twentieth century United States Robert Loewenthal The Journal of Military History Victorious in his struggle for excellence Rickover's personal baton of highly disciplined professionalism was passed without a hitch to those he had selected educated and trained to run nuclear power plants safely and efficiently We still feel his presence his legacy endures This book does him long awaited justice Admiral James D Watkins USN Ret Chief of Naval Operations 1982 86 Impressively researched insightful and readable Duncan captures the Rickover behind the myths and sea stories This account of his remarkable life an only in America story will appeal to a wide audience midshipman to CEO Admiral Bruce DeMars USN Ret Director Navy Nuclear Propulsion 1988 96 This excellent book offers insights not available to previous authors who did not enjoy Francis Duncan's close association with Rickover and his family Particularly useful are early chapters that define the character of the man Admiral Kinnard R McKee USN Ret Director Navy Nuclear Propulsion 1982 88 This is the authentic biography of Hyman Rickover one of the

most influential persons in naval history and in the creation of an international civilian nuclear power industry Duncan has given us a national treasure that is both authoritative and enjoyably readable There s something in it for everyone Dr Theodore Rockwell former technical director of Rickover s naval reactors program Rickover The Struggle for Excellence is an original and absolutely fundamental contribution both to naval history and to a general understanding of nuclear power development It is very objective and accessible There is no comparable book Dr Gary Weir Naval Historical Center I believe Rickover The Struggle for Excellence by Francis Duncan is the best biography of Admiral Rickover Robert Rickover son of Admiral Rickover

**No Substitute for Victory** David Rigby,2014-11-11 An important look at how America has won its wars in the past and how it can continue winning in the future Is there a recipe for military success In No Substitute for Victory author David Rigby grapples with this issue and determines that in the case of the United States there are a number of different strategies that have brought victory in battle to American forces over the years In a clear energetic prose Rigby explains how the dropping of chocolate bars from airplanes over Berlin turned out to be one of the most successful applications of the Cold War strategy of containment He argues too that far from being a radical change in policy by a desperate President Lincoln the Emancipation Proclamation was in fact an essential part of Lincoln s plan to reunite the nation While the focus in No Substitute for Victory is on military maneuvers that have been successful Rigby brilliantly uses the Vietnam War as a touchstone for comparison purposes on how not to fight a war While the writing of military strategy is a crowded field Rigby s approach is unique in that he draws examples from conflicts throughout American history from the Revolution up through the modern day Rigby s ability to find similarities in and to draw conclusions from the successes attained by American forces in battles as seemingly dissimilar as Gettysburg and Midway makes No Substitute for Victory essential reading for anyone interested in the riveting history of our nation s military Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

**Encyclopedia of War and American Society** Peter Karsten,2006 Publisher description

**The Decision to Use the Atomic Bomb** Gar Alperovitz,1996-08-06 With a new preface by the author Controversial in nature this book demonstrates that the United States did not need to use the atomic bomb against Japan Alperovitz criticizes one of the most hotly debated precursory events to the Cold War an event that was largely responsible for the evolution of post World War II American politics and culture

**Before The Bomb** John Chappell,2014-10-17 Almost forgotten in the haze of events that followed Nagasaki and Hiroshima the summer of 1945 witnessed an intense public debate over how best to end the war against Japan Weary of fighting the American people were

determined to defeat the imperial power that had so viciously attacked them in December 1941 but they were uncertain of the best means to accomplish this goal. Certain of victory, the inevitable triumph promised by Franklin Roosevelt immediately after Pearl Harbor, Americans became increasingly concerned about the human cost of defeating Japan. Particularly after the brutal Iwo Jima and Okinawa campaigns, syndicated columnists, newspaper editorialists, radio commentators, and others questioned the necessity of invasion. A lengthy naval and aerial siege would have saved lives but might have protracted the war beyond the public's patience. Advertisers filled the media with visions of postwar affluence even as the government was exhorting its citizens to remain dedicated to the war effort. There was heated discussion as well about the morality of firebombing Japanese cities and of using poison gas and other agents of chemical warfare. Chappell provides a balanced assessment of all these debates, grounding his observations in a wealth of primary sources. He also discusses the role of racism, the demand for unconditional surrender, and the government's reaction to public opinion in the decision to drop the atomic bomb. Compelling and controversial, this is the first work to examine the confusing and contradictory climate of the American home front in the months leading up to V J Day.

**Global Mission** Henry Harley Arnold, 2023-07-06

Global Mission is General Hap Arnold's personal story of his life and military career and a history of American military aviation with particular emphasis on World War II. For twenty years prior to World War II, General Arnold was a tireless and effective evangelist for American air power. No one foresaw more clearly than he the revolutionary impact of the airplane upon the methods and conduct of war. Hap Arnold performed still another public duty in recording for us the results and the conclusions of his lifetime experiences. Whatever he has to say about air power deserves the close attention of all his fellow citizens.

General Dwight D. Eisenhower, US Army: The compellingly interesting autobiography of a great soldier, statesman, and one of the finest presentations I have ever seen of the history of American military aviation.

Lieutenant General James H. Doolittle, US Air Force: This book is more than the chronicle of a flier's life; it is in a sense a saga of United States air power and particularly a top-level picture of the United States Army Air Force in World War II. Global Mission will take an important place in the growing library of war books; a delightful book it brings out so strongly the lovable personality of Hap Arnold. It is an important book; these reminiscences are a monument to him.

Hanson W. Baldwin, The New York Times: An interesting and important book.

Robert Gale Woolbert, Foreign Affairs: There are many groups of people who will profit by a careful reading of Global Mission. As General Bradley well said in a recent letter to me: It is must reading for the young military men of today who will have to be the Marshalls and Arnolds and Kings in any future emergency. The thinking people of the United States will make wiser decisions in the selection of their leaders, both military and civil, if they have read Global Mission. They will understand more clearly the frightful errors which have been made in the past and their cost in blood and treasure. Any who are tempted to be pacifists or isolationists in the future had better read Global Mission to learn the implications which can flow from false doctrines. The historian who has the difficult job of painting the true picture of the Second World War needs to

read Global Mission for background Here alone will he find some of the missing pieces in his puzzle by any yardstick Global Mission is worthy reading for any American Lieutenant General Ira C Eaker USAF Ret Air University Quarterly Review General Arnold s book is a very important contribution to the history of the Second World War one reads it with passionate interest from start to finish It is written in a lively way and also with that frankness that outspokenness which always surprises French people from the pen of such a high authority It is also extremely revealing about the American character Ren Jouan Revue d histoire de la Deuxi me Guerre mondiale This book will be of enduring value Ordnance

## **George C Marshall Statesman 1945 1959** Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable.
