## **George Washington First Us President Revolutionary War Leaders Paperback:**

**Washington's Revolution** Robert Middlekauff, 2016-02-09 Focusing on Washington's early years Bancroft Prize winner and Pulitzer Prize finalist Robert Middlekauff penetrates his mystique revealing his all too human fears values and passions Rich in psychological detail regarding Washington's temperament idiosyncrasies and experiences this book shows a self-conscious Washington who grew in confidence and experience as a young soldier businessman and Virginia gentleman and who was transformed into a patriot by the revolutionary ferment of the 1760s and 70s Middlekauff makes clear that Washington was at the heart of not just the revolution's course and outcome but also the success of the nation it produced This vivid insightful new account of the formative years that shaped a callow George Washington into an extraordinary leader is an indispensable book for truly understanding one of America's great figures **George Washington** Molly

Aloian, 2012-12-15 Born into a wealthy plantation owning family George Washington grew up in privilege He quickly rose in the ranks of the Continental Army until ultimately he became its commander in chief Committed to the ideals of republicanism he led the army to victory against Great Britain in the American Revolutionary War and the United States of America was born Discover how George Washington's inspired military leadership during the Revolutionary War guaranteed his election as the first President of the United States Having fended for themselves for nearly two generations many citizens in America's 13 colonies resented having to pay taxes to Great Britain a country far away across the ocean Protest against the British government grew into rebellion rebellion quickly turned into war Understanding the American Revolution describes the events that led up to the fight for an independent United States of America the battles between British and Patriot forces and what life was like during the conflict Book jacket **George Washington** Tara Baukus Mello, 1999 A

biography of George Washington the general who led the American army in the Revolutionary War and then became the first president of the United States **The First of Men** John E. Ferling, 2010-02-04 Written by John Ferling one of America's leading historians of the Revolutionary era The First of Men offers an illuminating portrait of George Washington's life with emphasis on his military and political career Here is a riveting account that captures Washington in all his complexity recounting not only Washington's familiar sterling qualities courage industry ability to make difficult decisions ceaseless striving for self-improvement love of his family and loyalty to friends but also his less well-known character flaws Indeed as Ferling shows Washington had to overcome many negative traits as he matured into a leader The young Washington was accused of ingratitude and certain of his letters from this period read as if they were written by a pompous martinet and a whining petulant brat As commander in chief of the Continental Army he lost his temper more than once and indulged flatterers Aaron Burr found him a boring colorless person As president he often believed the worst about individual officials Ferling concludes that Washington's personality and temperament were those of a self-centered and self-absorbed man one who since youth had exhibited a fragile self-esteem And yet he managed to realize virtually every grand design he ever

conceived Ferling's Washington is driven fired by ambition envy and dreams of fame and fortune Yet his leadership and character galvanized the American Revolution probably no one else could have kept the war going until the master stroke at Yorktown and helped the fledgling nation take and survive its first unsteady steps This superb paperback makes available once again an unflinchingly honest and compelling biography of the father of our country

**A Picture Book of George Washington** David A. Adler, 2018-09-11 The life and legacy of our nation's first president also known as commander of the Continental Army husband to Martha and an avid farmer and equestrian Over two hundred years after his death George Washington remains one of the most studied figures in American history This clear and concise picture book biography covers the important facts and historical background complemented by charming illustrations The text details Washington's early life as well as the Revolutionary War and his impressive career as leader of the newly formed United States Young readers will love learning more about the man who was first in war first in peace and first in the hearts of his countrymen Back matter features a timeline Repackaged paperback edition has an elegant new series design For almost thirty years David Adler's Picture Book Biography series has profiled famous people who changed the world Colorful kid friendly illustrations combine with Adler's expert mixtures of facts and personality Booklist to introduce young readers to history through compelling biographies of presidents heroes inventors explorers and adventurers These books are ideal for first and second graders interested in history or who need reliable sources for school book reports

George Washington: The First President Sarah Albee, 2017-12-05 The life of George Washington is introduced in this early reader biography After General Washington led the American colonists to victory in the Revolutionary War everyone thought he should become the first president of the United States Washington would turn out to be a strong leader and a wise president Beginning readers will learn about the milestones in George Washington's life in this Level Two I Can Read biography which combines a traditional illustrated narrative with historical illustrations at the back of book complete with a timeline illustrations and interesting facts about the United States first president Kids will learn about George Washington's spy ring and how one of his dogs was named Sweetlips George Washington The First President is a Level Two I Can Read geared for kids who read on their own but still need a little help

*George Washington On Leadership* Richard Brookhiser, 2009-04-14 FIRST IN WAR FIRST IN PEACE FIRST IN LEADERSHIP Richard Brookhiser's revolutionary biography Founding Father took George Washington off the dollar bill and made him live Now with his trademark wit and precision Brookhiser expertly examines the details of Washington's life that fullscale biographies sweep over to instruct us in true leadership George Washington on Leadership is a textbook look at Washington's three spectacularly successful careers as an executive general president and tycoon Brookhiser explains how Washington maximized his strengths and overcame his flaws and inspires us to do likewise It shows how one man's struggles and successes 200 years ago can be a model for leaders today Washington oversaw two startups the army and the presidency He chaired the most important meeting in American history the Constitutional Convention

Washington rose from being a third son who was a major in the militia to one of the most famous men in the world. At every stage in his career he had to deal with changing circumstances from tobacco prices to geopolitics and with wildly different classes of men from frontiersmen to aristocrats. Washington's example is so crucial because of the many firsts he is responsible for.

George Washington Woodrow Wilson, 2023-12-15

In *George Washington*, Woodrow Wilson offers a profound exploration of the life and legacy of America's first president, blending historical narrative with an insightful analysis of Washington's character and leadership. The book is marked by Wilson's eloquent prose and keen attention to detail, reflecting his background as a historian and political leader. He situates Washington within the broader context of the American Revolution and the nascent Republic, illustrating the philosophical and political challenges faced by a nation on the brink of defining its identity. Wilson's narrative not only chronicles pivotal events in Washington's life but also delves into the moral and ethical dimensions that informed his decisions as a leader contributing to the foundation of American democracy.

Woodrow Wilson, the 28th President of the United States, was not only an accomplished politician but also an academic deeply invested in the study of history and governance. Wilson's scholarly pursuits, including his time at Princeton University, shaped his understanding of leadership and public service themes that resonate throughout the book. His admiration for Washington as an exemplary leader and his insights into the formative years of American political thought inform every page of this work, providing readers with a rich perspective on why Washington's legacy remains pertinent today.

*George Washington* is a must-read for anyone interested in American history, political science, or leadership studies. Wilson's articulate portrayal of Washington invites readers to reflect on the qualities that define great leadership and the intricate interplay between personal virtue and public duty. This scholarly work not only enriches our understanding of a pivotal figure in American history but also encourages contemporary readers to draw lessons that remain relevant in our ongoing civic discourse.

*The Complete Book of Presidents & States, Grades 4 - 6*, 2012-09-01

The *Complete Book of Presidents and States* for grades 4 to 6 features interesting information on each U.S. President, basics about the foundation of our government, and fun facts about each state.
