Reynolds, Jr., 2013-02-18 Brigadier General Andrew Pickens was a primary force bringing about the end of British control in the Southern colonies His efforts helped drive

General Cornwallis to Yorktown Virginia His later actions on behalf of the Cherokee Nation are fully explored and much never before published information about him his family and his peers is included Andrew Pickens loved his country and was a fearless exemplar of leadership He earned the unyielding respect of his superiors his fellow officers and most importantly his militiamen **Revolutionary Leadership** Pat Williams, Jim Denney, 2021-05-11 Times of crisis call for revolutionary leadership What better model could we have for courage and creativity under fire than those who found themselves in positions of leadership during the American Revolutionary War Men and women famous and obscure of European and African descent the leaders of the revolution faced outrageous odds and dire consequences should they fail Yet they stuck to their principles winning the most unlikely of victories and not only shaping a new country but reshaping the world Now Pat Williams helps you apply their genius to your sphere of influence Through the remarkable stories of more than 25 leaders of the American Revolution you ll discover fresh insight into how great leaders are formed refined tested and strengthened As Thomas Paine wrote We have it in our power to begin the world over again Let Pat Williams show you how to lead in our day with revolutionary courage confidence and a serving heart
