George Grant In Conversation:

George Grant in Conversation David Cayley, 1995-10-01 Historian Ramsay Cook called George Grant one of Canada's two most important political thinkers in the twentieth century. In these lively conversations recorded not long before Grant's death, David Cayley explores with Grant the deep roots of his faith, his evolution as a thinker, and his views on the future of Canada.

George Grant in Conversation, 1995. Historian Ramsay Cook called George Grant one of Canada's two most important political thinkers in the twentieth century. In these lively conversations recorded not long before Grant's death, David Cayley explores with Grant the deep roots of his faith, his evolution as a thinker, and his views on the future of Canada.

George Grant T.F. Rigelhof, 2001-01-01 George Grant's Lament for a Nation led some to call him a Red Tory and the dominant force behind the Canadian nationalist movement of the 1970s. Today reading George Grant's books helps us to understand the full implications of American-led technology-driven globalization on everyday life.

Collected Works of George Grant George Parkin Grant, 2000 The fourth and final volume of the Collected Works of George Grant contains his writings from the last period of his life and includes unpublished material such as lectures, interviews, and excerpts from his notebooks.

Christian Moral Theology in the Emerging Technoculture Brent Waters, 2016-05-23 We are living in an emerging technoculture. Machines and gadgets not only weave the fabric of daily life but more importantly embody philosophical and religious values which shape the contemporary moral vision, a vision that is often at odds with Christian convictions. This book critically examines those values and offers a framework for how Christian moral theology should be formed and lived out within the emerging technoculture. Brent Waters argues that technology represents the principal cultural background against which contemporary Christian moral life is formed. Addressing contemporary ethical and religious issues, this book will be of particular interest to students and scholars exploring the ideas of Heidegger, Nietzsche, Grant, Arendt, and Borgmann.

Waiting at the Foot of the Cross Pamela R. McCarroll, 2013-12-24 How do we hope in the face of modernity's failure and postmodernity's absence of foundations? How do we hope when the future seems fearful and no clear way forward appears? How do we hope when despair, indifference, and cynicism dominate the psychic landscape of English-speaking North America? In dialogue with theologians of the cross, George Grant and Douglas John Hall, this book unmasks the failure of hope in our time and the vacuum of meaning that remains. As an exercise in the theology of the cross, *Waiting at the Foot of the Cross* explores the North American context as one in which true hope is discovered only when life's negations are engaged from a posture of waiting trust. Such hope is not passive or blind; rather, it is attentive, active, open, and spiritually grounded in the One who meets us when all hope is spent. The final chapter proposes a way toward hope for today that inspires subversive resilience in the face of the ambiguities and vicissitudes of life. Readers interested in the theology of the cross, in thinking theologically in our time and place, and those interested in the character of Christian hope will find this book compelling.

Gardens, Covenants, Exiles Dennis

Duffy, 1982-12-15 Scrap tags fragments of the United Empire Loyalist heritage dot the Ontario landscape Something of Loyalism lies in the very Ontario air and pervades the imagination of its people In *Gardens Covenants Exiles* Dennis Duffy sets out to describe and analyse the effects of Loyalism on the literary culture of Ontario He explores the enduring nature of an attitude of mind whose historical origins lie in the Loyalist settlements in the forests of Upper Canada No single source can explain a culture's characteristic way of viewing moral social and literary matters This study however reveals how one historical event and the mythology it engendered have helped to shape a province and its literature The collective experience of the Loyalists underlies Ontario's view of the Canadian destiny Their defeat exile endurance and their final mastery of a new land confirmed their belief that their own destiny lay within a larger imperial framework But they lived at the same time as both North Americans and monarchists victims and founders heroes and the dispossessed Writers in this culture faced with the declining importance of the British connection and the rising of American presence were ill prepared by their political and imaginative lives to comprehend the vision of an independent nation In our own time this has led to a renewed sense of fall to a disillusionment that contrasts sharply with the feeling of paradise regained that pervaded an earlier era The book is a study of dislocation seen through vignettes of various authors and their writings William Kirby's *The Golden Dog* Major Richardson's *Wacousta* Charles Mair's *Tecumseh* and the *Jalna* series by Mazouze la Roche Contemporary analogues of the Loyalist habit of mind are pursued in the works of George Grant Dennis Lee Al Purdy and Scott Symons the journey returns to its Loyalist starting point in pain loss and the sense of a vanished home Loyalism both as fact and as myth is one of the cultural forces that has given Ontario its sense of place Professor Duffy concludes that in some way the culture of Upper Canada Ontario remains continuous that it has kept faith with its origins His study heightens our understanding of a nation's roots

Collected Works of George Grant Arthur Davis, Henry Roper Roper, Sheila Grant, 2009-02-28 George Grant 1918-88 has often been called Canada's greatest political philosopher and his work continues to influence the country's political social and cultural discourse and institutions The fourth and final volume of the *Collected Works of George Grant* contains his writings from the last period of his life and includes unpublished material such as lectures interviews and excerpts from his notebooks With comprehensive annotations for his articles reviews and the three books he published during this period *Time as History* *English Speaking* *Justice and Technology* and *Justice* the volume also contains his writings on Nietzsche Heidegger Simone Weil and C line that were central to this phase of his thought Volume 4 reveals his engagement with technology and the nature of technological society that is as insightful today as during Grant's lifetime and is lasting proof of his legacy Arthur Davis is Associate Professor in the School of Social Sciences Atkinson Faculty of Liberal and Professional Studies York University During the 1950s he studied undergraduate philosophy with George Grant

Canadian Books in Print. Author and Title Index, 1975 **Christianity and Liberal Society** Robert Song, 2006-01-13 Liberalism forms the dominant political ideology of the modern world but despite its pervasive influence this is the first book length treatment of

liberal political thought from a Christian theological perspective Song discusses the different aspects and interpretations of liberalism with reference to the critiques of three twentieth century theologians the American Protestant Reinhold Niebuhr on the liberal progressivist philosophy of history the lesser known Canadian George Grant on the threat of technology to fundamental liberal values as articulated in the recent work of John Rawls and the French Thomist Jacques Maritain on the defence of political pluralism Further to this Song explores the implications of this political theology for the issues in fundamental constitutional theory raised by a bill of rights and judicial review of legislation and concludes with an account of the critical but supportive stance of liberalism Christian theology should take *The Vanishing Tradition* Paul Gottfried,2020-07-15 This anthology provides a timely critical overview of the American conservative movement The contributors take on subjects that other commentators have either not noticed or have been fearful to discuss In particular this collection of searing essays hits hard at blatant cult of celebrity and intolerance of dissent that has come to characterize the conservative movement in this country As *The Vanishing Tradition* shows the conservative movement has not often retrieved its wounded instead dispatching them in order to please its friendly opposition and to prove its moderateness The movement has also been open to the influence of demanding sponsors who have pushed it in sometimes bizarre directions Finally the essayists here highlight the movement's appeal to permanent values as a truly risible gesture given how arduously its celebrities have worked to catch up with the Left on social issues This no holds barred critical examination of American conservatism opens debates and seeks controversy Canadian Communication Thought Robert E. Babe,2000-01-01 Babe examines the writings of ten major thinkers in the context of their physical and cultural environments and finds that there is indeed a mode of theorizing that is quintessentially Canadian Moving Images of Eternity William F. Pinar,2019-03-26 William F Pinar presents a comprehensive and original study that demonstrates the significance and pertinence of the scholarship of George Grant for teaching today While there are studies of Grant's political philosophy there has been no sustained study of his teaching Pinar not only draws upon the collected works he has also consulted Grant's PhD thesis at Oxford as well as the philosopher's biography collected letters and the vast secondary literature What emerges is a treatise that reveals Grant's timeliness and his prescience in identifying and critiquing key educational issues nearly half a century ago from academic vocationalism and educational technology to privatization and the ascendancy of research issues that are eminently relevant today Beyond the classroom Grant's concerns extended to the impact of economic globalization which he feared would erase distinctive national histories and cultures As such Grant foresaw the current issues of right wing populism notably in the UK and the US as reactions against these historical tendencies This volume is destined to become an indispensable reference work for students of Grant in particular and for students of education in general This book is published in English S'il existe des tudes portant sur la philosophie politique et la th ologie de George Grant il n y avait jusqu maintenant aucune tude soutenue sur son enseignement et plus pr cis ment sur la relation de son approche p dagogique

celles-ci. Aucune étude ne pouvait de façon aussi poussée l'ouvrage complet y compris ses présentations aux enseignants et sa thèse doctorale d'Oxford en philosophie ou sa biographie sa correspondance et la vaste littérature secondaire. Comme livre de référence pour les adeptes de Grant de même que comme un manuel pour les étudiants en éducation cet ouvrage arrive point nommé. Pinar souligne la prescience de Grant qui identifiait et critiquait il y a déjà cinquante ans des questions d'ordre éducationnel : vocation académique, technologie pédagogique, privatisation de l'enseignement, ascendance de la recherche sur l'enseignement qui sont d'actualité. Grant était aussi préoccupé par le destin de ce qu'il appelait la particularité au Canada et l'étranger et s'inquiétait que la mondialisation économique effacerait les histoires et cultures nationales distinctives. Un tatouage mondial universel et homogène les remplacerait ce qui représenterait la pire tyrannie infligée à l'humanité. Grant avait vu venir le populisme de droite que l'on voit actuellement prendre prise notamment au Royaume-Uni et aux États-Unis comme réaction à ces tendances historiques. Ce livre est publié en anglais.

Prometheus Wired Darin Barney, 2011-11-01 From all sides we hear that computer technology with its undeniable power to disseminate information and connect individuals holds enormous potential for a reinvigoration of political life. But will the Internet really spark a democratic revolution? And will the changes it brings be so profound that past political thought will be of little use in helping us to understand them? In *Prometheus Wired* Darin Barney debunks claims that a networked society will provide the infrastructure for a political revolution and shows that the resources we need for understanding and making sound judgments about this new technology are surprisingly close at hand. By looking to thinkers who grappled with the relationship of society and technology such as Plato, Aristotle, Marx, and Heidegger, Barney critically examines such assertions about the character of digital networks. Along the way, Barney offers an eye-opening history of digital networks and then explores a wide range of contemporary issues such as electronic commerce, telecommuting, privacy, virtual community, digital surveillance, and the possibility of sovereign governance in an age of global networks. Ultimately, Barney argues that instead of placing power back in the hands of the public, a networked economy seems to exacerbate the worst features of industrial capitalism and in terms of the surveillance and control it exerts, reduces our political freedom. Of vital interest to politicians, communicators, and anyone concerned about the future of democracy in the digital age, *Prometheus Wired* adds a provocative new voice to the debate swirling around the Net and the ways in which it will or will not change our political lives.

Hegel and Canada Susan M. Dodd, Neil G. Robertson, 2018-01-01 *Hegel and Canada* is a collection of essays that analyses the real but under-recognized role Hegel has played in the intellectual and political development of Canada. The volume focuses on the generation of Canadian scholars who emerged after World War Two: James Doull, Emil Fackenheim, George Grant, Henry S. Harris, and Charles Taylor.

The River of History Peter Farrugia, 2005 The articles in this collection are dedicated to the proposition that human beings make history not just in the sense of being agents of change in the here and now, but in the sense that we interpret, appropriate, and make use of the past for our own purposes in the future. Covering topics that range from teaching history to the concept of property rights and the

discipline of history in the television age these essays will radically alter the notion of how we make history It will show that we are never fully able to bend history to our will and that as we attempt to do so we are often shocked at the turns it takes despite our best efforts to shape it for future generations

Retrieving Origins and the Claim of Multiculturalism Antonio Lopez, Javier Prades, 2014-11-10 This book explores the philosophical legal and theological roots of Western multiculturalism that is the encounter and coexistence of different cultures within a liberal society Rather than concerning themselves with the particulars of cultural dialogue the authors of this volume go deeper and question the very reality of multiculturalism itself The contributors represent different cultures and faith traditions but are united in friendship and in the conviction that the Christian faith enables an authentic approach to long standing debates on multiculturalism Publisher

Border Within Ian H. Angus, 1997 A *Border Within* addresses the question of English Canadian identity by exploring whether a plurality of discourses can lead to other than a fragmented society Ian Angus examines the relationship between globalizing social movements and the particularities of identity politics by extending the theories on identity of Harold Innis and George Grant two seminal figures in Canadian political philosophy to develop a philosophy applicable to the contemporary social issues of multiculturalism and environmentalism

Canada and the Ethics of Constitutionalism Samuel V. LaSelva, 2018-12-30 Canada is caught between two empires and between two constitutional systems However neither the British model of a single sovereign nor the American people's sacred fire of liberty matched the pluralistic identity of Canada so Canadians engaged in constitutional experimentation In *Canada and the Ethics of Constitutionalism* Samuel LaSelva argues that in order to understand the old Canada of Confederation and the new one that followed the Charter of Rights and Freedoms it is necessary to see how distinctive Canadian constitutionalism is and how that distinctiveness does not depend on borrowings from the British or American constitutional models LaSelva supports his argument by exploring different aspects of Canada's contribution to the ethics of constitutionalism including the limits of free expression the Charter's notwithstanding clause the origins and functions of judicial review the Quebec secession debate Aboriginal self government and the conception of Canada as a multicultural and multinational mosaic Through a careful consideration of how Canadian constitutional pluralism with its focus on the rights of others differs from American and British ideas *Canada and the Ethics of Constitutionalism* provides engaging answers to contested questions about how Canada was founded and what it has become

Thank you very much for downloading **George Grant In Conversation**. Maybe you have knowledge that, people have search hundreds times for their favorite books like this George Grant In Conversation, but end up in malicious downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some infectious virus inside their computer.

George Grant In Conversation is available in our digital library an online access to it is set as public so you can download it instantly.

Our digital library saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

George Grant In Conversation Introduction

In the digital age, access to information has become easier than ever before. The ability to download George Grant In Conversation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download George Grant In Conversation has opened up a world of possibilities. Downloading George Grant In Conversation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading George Grant In Conversation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download George Grant In Conversation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading George Grant In Conversation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading George Grant In Conversation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download George Grant In Conversation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About George Grant In Conversation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. George Grant In Conversation is one of the best book in our library for free trial. We provide copy of George Grant In Conversation in digital format, so the resources that you find are reliable.
