## **Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906:**

**Georgia Sharpshooter** William Rhadamanthus Montgomery, 1997 William Rhadamanthus Montgomery 1839 1906 was present at some of the most memorable battles of the Civil War Among them were Chickahominy Seven Pines Malvern Hill Manassas Sharpsburg Fredricksburg Gettysburg Chickamauga Lookout Mountain the Wilderness Spottsylvania and Cold Harbor Wounded seven or eight times Montgomery remained in service throughout the entire war After the war he returned to Marietta where he lived out the rest of his days The diary and the letters contained herein is a testament to his time as a soldier during the Civil War But as the diary and letters indicate the war was not the end all of his life His loyalty for the South was surpassed only by his loyalty for and to his family

**Civil War Petersburg** A. Wilson Greene, 2006 Few wartime cities in Virginia held more importance than Petersburg Nonetheless the city has until now lacked an adequate military history let alone a history of the civilian home front The noted Civil War historian A Wilson Greene now provides an expertly researched eloquently written study of the city that was second only to Richmond in size and strategic significance Industrial commercial and extremely prosperous Petersburg was also home to a large African American community including the state's highest percentage of free blacks On the eve of the Civil War the city elected a conservative pro Union approach to the sectional crisis Little more than a month before Virginia's secession did Petersburg finally express pro Confederate sentiments at which point the city threw itself wholeheartedly into the effort with large numbers of both white and black men serving Over the next four years Petersburg's citizens watched their once beautiful city become first a conduit for transient soldiers from the Deep South then an armed camp and finally the focus of one of the Civil War's most protracted and damaging campaigns The fall of Richmond and collapse of the Confederate war effort in Virginia followed close on Grant's ultimate success in Petersburg At war's end Petersburg's antebellum prosperity evaporated under pressures from inflation chronic shortages and the extensive damage done by Union artillery shells Greene's book tracks both Petersburg's civilian experience and the city's place in Confederate military strategy and administration Employing scores of unpublished sources the book weaves a uniquely personal story of thousands of citizens free blacks slaves and their holders factory owners merchants all of whom shared a singular experience in Civil War Virginia

**Confederate Generals in the Western Theater: Essays on America's Civil War** Lawrence L. Hewitt, Arthur W. Bergeron, 2010 Confederate Generals in the Western Theater ultimately comprise several volumes that promise a host of provocative new insights into not only the South's ill fated campaigns in the West but also the eventual outcome of the larger conflict Book Jacket

**The Chickamauga Campaign** David A. Powell, 2016-09-15 Winner of the Laney Book Prize from the Austin Civil War Round Table The post battle coverage is simply unprecedented among prior Chickamauga studies James A Hessler award winning author of Sickles at Gettysburg This third and concluding volume of the magisterial Chickamauga Campaign trilogy a comprehensive examination of one of the most important and complex military operations of the Civil War examines the immediate aftermath of the battle

with unprecedented clarity and detail The narrative opens at dawn on Monday September 21 1863 with Union commander William S Rosecrans in Chattanooga and most of the rest of his Federal army in Rossville Georgia Confederate commander Braxton Bragg has won the signal victory of his career but has yet to fully grasp that fact or the fruits of his success Unfortunately for the South the three grueling days of combat broke down the Army of Tennessee and a vigorous pursuit was nearly impossible In addition to carefully examining the decisions made by each army commander and the consequences Powell sets forth the dreadful costs of the fighting in terms of the human suffering involved Barren Victory concludes with the most detailed Chickamauga orders of battle including unit strengths and losses ever compiled and a comprehensive bibliography more than a decade in the making Includes illustrations *The Antietam Campaign* Gary W.

Gallagher,2012-01-01 The Maryland campaign of September 1862 ranks among the most important military operations of the American Civil War Crucial political diplomatic and military issues were at stake as Robert E Lee and George B McClellan maneuvered and fought in the western part of the state The climactic clash came on September 17 at the battle of Antietam where more than 23 000 men fell in the single bloodiest day of the war Approaching topics related to Lee s and McClellan s operations from a variety of perspectives contributors to this volume explore questions regarding military leadership strategy and tactics the impact of the fighting on officers and soldiers in both armies and the ways in which participants and people behind the lines interpreted and remembered the campaign They also discuss the performance of untried military units and offer a look at how the United States Army used the Antietam battlefield as an outdoor classroom for its officers in the early twentieth century The contributors are William A Blair Keith S Bohannon Peter S Carmichael Gary W Gallagher Lesley J Gordon D Scott Hartwig Robert E L Krick Robert K Krick Carol Reardon and Brooks D Simpson **The 1997 Genealogy**

**Annual** Thomas Jay Kemp,1999 The Genealogy Annual is a comprehensive bibliography of the year s genealogies handbooks and source materials It is divided into three main sections p liFAMILY HISTORIES licites American and international single and multifamily genealogies listed alphabetically by major surnames included in each book p liGUIDES AND HANDBOOKS liincludes reference and how to books for doing research on specific record groups or areas of the U S or the world p liGENEALOGICAL SOURCES BY STATE liconsists of entries for genealogical data organized alphabetically by state and then by city or county p The Genealogy Annual the core reference book of published local histories and genealogies makes finding the latest information easy Because the information is compiled annually it is always up to date No other book offers as many citations as The Genealogy Annual all works are included You can be assured that fees were not required to be listed

*Southern Communities* Steven E. Nash,Bruce E. Stewart,2019-07-15 Community is an evolving and complex concept that historians have applied to localities counties and the South as a whole in order to ground larger issues in the day to day lives of all segments of society These social networks sometimes unite and sometimes divide people they can mirror or transcend political boundaries and they may exist solely within the cultures of like minded people This volume explores the nature of

southern communities during the long nineteenth century The contributors build on the work of scholars who have allowed us to see community not simply as a place but instead as an idea in a constant state of definition and redefinition They reaffirm that there never has been a singular southern community As editors Steven E Nash and Bruce E Stewart reveal southerners have constructed an array of communities across the region and beyond Nor do the contributors idealize these communities Far from being places of cooperation and harmony southern communities were often rife with competition and discord Indeed conflict has constituted a vital part of southern communal development Taken together the essays in this volume remind us how community focused studies can bring us closer to answering those questions posed to Quentin Compson in *Absalom Absalom* Tell us about the South What s it like there What do they do there Why do they live there Why do they live at all

**Flora and Fauna of the Civil War** Kelby Ouchley,2010-11-01 During the Civil War humans impacted plants and animals on an unprecedented scale as soldiers on both sides waged the most environmentally destructive war ever on American soil Refugees and armies alike tramped across the landscape foraging for food shelter and fuel Wild plants and animals formed barriers for armies and carried disease yet also provided medicine and raw materials necessary to implement war greatly influencing the day to day life of soldiers and civilians Of the thousands of books written about the Civil War few mention the environment and none address the topic as a principal theme In *Flora and Fauna of the Civil War* Kelby Ouchley blends traditional and natural history to create a unique text that explores both the impact of the Civil War on the surrounding environment and the reciprocal influence of plants and animals on the war effort The war generated an abundance of letters diaries and journals in which soldiers and civilians penned descriptions of plants and animals sometimes as a brief comment in passing and other times as part of a noteworthy event in their lives Ouchley collects and organizes these first person accounts of the Civil War environment adding expert analysis and commentary in order to offer an array of fascinating insights on the natural history of the era After discussing the physical setting of the war and exploring humans attitudes toward nature during the Civil War period Ouchley presents the flora and fauna by individual species or closely related group in the words of the participants themselves From ash trees to willows from alligators to white tailed deer the excerpts provide glimpses of personal encounters with the natural world during the war revealing how soldiers and civilians thought about and interacted with wild flora and fauna in a time of epic historical events Collectively no better sources exist to reveal human attitudes toward the environment in the Civil War era This one of a kind reference book will spark widespread interest among Civil War scholars writers and enthusiasts as well as environmental historians

**The Day Lincoln Was Almost Shot** Benjamin Franklin Cooling III,2013-05-02 *The Day Lincoln Was Almost Shot* The Fort Stevens Story recounts the story of President Abraham Lincoln s role in the Battle of Fort Stevens in July 1864 This engagement stands apart in American history as the only time a sitting American president came under enemy fire while in office In this new study of this overlooked moment in American history Cooling poses a troubling question What if Lincoln had been shot

and killed during this short battle nine months prior to his death by John Wilkes Booth's hand in Ford's Theater. A potential pivotal moment in the Civil War, the Battle of Fort Stevens could have changed with Lincoln's demise the course of American history. *The Day Lincoln Was Almost Shot* however is more than a meditation on an alternate history of the United States. It is also a close study of the attempt by Confederate general Jubal Early to capture Washington DC to remove Lincoln and the Union government from power and to turn the tide of the Civil War in the South's favor. The dramatic events of this attempt to capture Washington and the president with it unfold in stunning detail as Cooling taps fresh documentary sources and offers a new interpretation of this story of the defense of the nation's capital. Commemorating this largely forgotten and underappreciated chapter in the study of Lincoln and the Civil War, *The Day Lincoln Was Almost Shot* is a fascinating look at this potential turning point in American history.

**Marching Masters** Colin Edward Woodward, 2014-03-05

The Confederate army went to war to defend a nation of slaveholding states and although men rushed to recruiting stations for many reasons they understood that the fundamental political issue at stake in the conflict was the future of slavery. Most Confederate soldiers were not slaveholders themselves but they were products of the largest and most prosperous slaveholding civilization the world had ever seen and they sought to maintain clear divisions between black and white master and servant, free and slave. In *Marching Masters* Colin Woodward explores not only the importance of slavery in the minds of Confederate soldiers but also its effects on military policy and decision making. Beyond showing how essential the defense of slavery was in motivating Confederate troops to fight, Woodward examines the Rebels' persistent belief in the need to defend slavery and deploy it militarily as the war raged on. Slavery proved essential to the Confederate war machine and Rebels strove to protect it just as they did Southern cities, towns, and railroads. Slaves served by the tens of thousands in the Southern armies, never as soldiers but as menial laborers who cooked meals, washed horses, and dug ditches. By following Rebel troops, continued adherence to notions of white supremacy into the Reconstruction and Jim Crow eras, the book carries the story beyond the Confederacy's surrender. Drawing upon hundreds of soldiers' letters, diaries, and memoirs, *Marching Masters* combines the latest social and military history in its compelling examination of the last bloody years of slavery in the United States.

*Lee and His Army in Confederate History* Gary W. Gallagher, 2006

Was Robert E. Lee a gifted soldier whose only weaknesses lay in the depth of his loyalty to his troops, affection for his lieutenants, and dedication to the cause of the Confederacy? Or was he an ineffective leader and poor tactician whose reputation was

*The Knoxville Campaign* Earl J. Hess, 2012-11-15

Hess's account of the understudied Knoxville Campaign sheds new light on the generalship of James Longstreet and Ambrose Burnside as well as such lesser players as Micah Jenkins and Orlando Poe. Both scholars and general readers should welcome it. The scholarship is sound, the research superb, the writing excellent. Steven E. Woodworth, author of *Decision in the Heartland: The Civil War in the West*

In the fall and winter of 1863, Union General Ambrose Burnside and Confederate General James Longstreet vied for control of the city of Knoxville and with it the railroad that linked the

Confederacy east and west The generals and their men competed too for the hearts and minds of the people of East Tennessee Often overshadowed by the fighting at Chickamauga and Chattanooga this important campaign has never received a full scholarly treatment In this landmark book award winning historian Earl J Hess fills a gap in Civil War scholarship a timely contribution that coincides with and commemorates the sesquicentennial of the Civil War The East Tennessee campaign was an important part of the war in the West It brought the conflict to Knoxville in a devastating way forcing the Union defenders to endure two weeks of siege in worsening winter conditions The besieging Confederates suffered equally from supply shortages while the civilian population was caught in the middle and the town itself suffered widespread destruction The campaign culminated in the famed attack on Fort Sanders early on the morning of November 29 1863 The bloody repulse of Longstreet s veterans that morning contributed significantly to the unraveling of Confederate hopes in the Western theater of operations Hess s compelling account is filled with numerous maps and images that enhance the reader s understanding of this vital campaign that tested the heart of East Tennessee The author s narrative and analysis will appeal to a broad audience including general readers seasoned scholars and new students of Tennessee and Civil War history The Knoxville Campaign will thoroughly reorient our view of the war as it played out in the mountains and valleys of East Tennessee

**EARL J HESS** is Stewart W McClelland Distinguished Professor in Humanities and an associate professor of history at Lincoln Memorial University He is the author of nearly twenty books including *The Civil War in the West Victory and Defeat from the Appalachians to the Mississippi* and *Lincoln Memorial University and the Shaping of Appalachia*

**On to Petersburg** Gordon C. Rhea, 2017-09-06 With *On to Petersburg* Gordon C Rhea completes his much lauded history of the Overland Campaign a series of Civil War battles fought between Generals Ulysses S Grant and Robert E Lee in southeastern Virginia in the spring of 1864 Having previously covered the campaign in his magisterial volumes on *The Battle of the Wilderness* *The Battles for Spotsylvania Court House and the Road to Yellow Tavern* *To the North* *Anna River and Cold Harbor* Rhea ends this series with a comprehensive account of the last twelve days of the campaign which concluded with the beginning of the siege of Petersburg *On to Petersburg* follows the Union army s movement to the James River the military response from the Confederates and the initial assault on Petersburg which Rhea suggests marked the true end of the Overland Campaign Beginning his account in the immediate aftermath of Grant s three day attack on Confederate troops at Cold Harbor Rhea argues that the Union general s primary goal was not as often supposed to take Richmond but rather to destroy Lee s army by closing off its retreat routes and disrupting its supply chains While Grant struggled at times to communicate strategic objectives to his subordinates and to adapt his army to a faster paced more flexible style of warfare Rhea suggests that the general successfully shifted the military landscape in the Union s favor On the rebel side Lee and his staff predicted rightly that Grant would attempt to cross the James River and lay siege to the Army of Northern Virginia while simultaneously targeting Confederate supply lines Rhea examines how Lee facing a better provisioned army whose troops

outnumbered Lee's two to one consistently fought the Union army to an impasse employing risky innovative field tactics to counter Grant's forces. Like the four volumes that preceded it, *On to Petersburg* represents decades of research and scholarship and will stand as the most authoritative history of the final battles in the campaign. **A Journal of the American Civil War: V5-4** Mark A. Snell, Theodore P. Savas, 2021-12-31. Balanced and in depth military coverage all theaters North and South in a non-partisan format with detailed notes offering meaty in depth articles, original maps, photos, columns, book reviews, and indexes. *Fire Zouaves at First Bull Run*, 1st VA Infantry US in WV. *Guibor's Missouri Battery Ship Island and War in the Gulf*, interview with John Hennessey. *Heart Beats* Catherine Robson, 2015-03-22. Many people in Great Britain and the United States can recall elderly relatives who remembered long stretches of verse learned at school decades earlier, yet most of us were never required to recite in class. *Heart Beats* is the first book to examine how poetry recitation came to assume a central place in past curricular programs and to investigate when and why the once mandatory exercise declined. Telling the story of a lost pedagogical practice and its wide-ranging effects on two sides of the Atlantic, Catherine Robson explores how recitation altered the ordinary people who committed poems to heart and changed the worlds in which they lived. *Heart Beats* begins by investigating recitation's progress within British and American public educational systems over the course of the nineteenth and twentieth centuries and weighs the factors that influenced which poems were most frequently assigned. Robson then scrutinizes the recitational fortunes of three short works that were once classroom classics: Felicia Hemans's *Casabianca*, Thomas Gray's *Elegy Written in a Country Churchyard*, and Charles Wolfe's *Burial of Sir John Moore after Corunna*. To conclude the book considers W. E. Henley's *Invictus* and Rudyard Kipling's *If*, asking why the idea of the memorized poem arouses such different responses in the United States and Great Britain today. Focusing on vital connections between poems, individuals, and their communities, *Heart Beats* is an important study of the history and power of memorized poetry. *American Book Publishing Record*, 1997-09. **Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles**, 2003. Volume IV. Compiled and revised by Silas Felton. 1063 pp. revised with books missed in vols I, II, and III: regimental publications, personal narratives, biographies, campaigns and battles. Northern and Southern. Felton's new compilation is without peer. He covers the subject from five different perspectives: Regimental Publications and Personal Narratives, Union and Confederate Biographies, General References, Armed Forces, and Campaigns and Battles. And making the work extremely useful, the last 236 pages contain a complete Index of Authors of Volumes I through IV, as well as a new Index of Titles in the Revised Volume IV. Furthermore, to clear up confusion created by the multiple names often used by Confederate units during the war, artillery batteries in particular, which carried a state designation but were commonly known by the battery commander's name, Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion. *Shock Troops of the Confederacy*

Slim Ray,2006      The Civil War Paul A. Cimballa,2008-04-30 Presents a picture of the Civil War soldier s life Includes how the men who signed up with the Union and the Confederacy fought their way through the bloody U S fields how they adjusted to peace often badly wounded and scarred and how they remembered their experiences      **Diehard Rebels** Jason Phillips,2007 Concentrates on diehard rebel soldiers faith in Confederate invincibility and reveals the history of southern culture as a continuum rather than a succession of old South Confederacy new South

## **Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906**

### **Introduction**

Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 Offers a diverse range of free eBooks across various genres. Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906, especially related to Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 books or magazines might include. Look for these in online stores or libraries. Remember that while Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus

Montgomery 1839 1906 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 eBooks, including some popular titles.

### **FAQs About Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 Books**

1. Where can I buy Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Georgia Sharpshooter The Civil War Diary And Letters Of William Rhadamanthus Montgomery 1839 1906 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
