Giovanni Pascoli, Gabriele D'Annunzio, and the Ethics of Desire Elena Borelli, 2017-03-30 This book focuses on the notion of desire in late nineteenth century Italy and how this notion shapes the life and works of two of Italy s most prominent authors at that time Giovanni Pascoli and Gabriele D Annunzio In the fin de si cle the philosophical speculation on desire inspired by Arthur Schopenhauer and Friedrich Nietzsche intersected the popularization of Charles Darwin s theory of evolution Within this context desire is conceptualized as an obscure force and remnant of mankind s animalistic origins Both Pascoli and D Annunzio put into play the drama of desire as a force splitting the unity of the characters in their works and variously attempt to provide solutions to this haunting force within the human self *Developmental Ruptures* Anna Maria Nicolò, 2024-02-29 This book questions the diagnostic categories applied to adolescents from a developmental viewpoint putting forth an alternative perspective for assessment that considers prognostic and risk indicators Going beyond the classification of adult psychopathology Anna Maria Nicol presents a multidimensional approach to the adolescent mind that

explores its complexities through a clinical lens and accompanying theoretical prism Often crises in adolescence might well mark the onset of a psychotic process that does not respect phase specific tasks Yet in other cases such developmental ruptures are the opportunity for a positive reorganisation of personality In this way adolescence may highlight latent childhood functioning or allow for new integrations Therefore accurate diagnosis and early intervention are necessary to enable the developmental reorganisation of both the patient and the family Drawing on clinical case material this book provides readers with the practical and theoretical tools to intervene in developmental ruptures Developmental Ruptures will appeal to psychoanalysts psychiatrists and developmental psychologists as well as to people working with psychotic onset and crises emerging particularly at the outset of puberty or young adulthood **Giovanni's Return** Frederick

Bonnart,2005-06 It is the 17th century in quiet Castile northern Spain Giovanni an orphan at an early age is brought up with a duke s youngest son on the duke s country estate where his father a minor Italian noble had been the administrator A combination of his aristocratic environment and his own inferior position as well as a childhood romance with a bitter end influence his character Succeeding in his first ambition he is commissioned in the duke s regiment in the Spanish Army which takes him from Northern Italy through Germany to the Low Countries in the battles of the 30 Years War He distinguishes himself in these but meets misfortune as well as success Wrongly accused of murder and rape he has to fight for his life against greed jealousy and prejudice in this his loyal friends provide help and support His romantic engagements begin early and continue lightly some of them more seriously than others until one of them results in a fundamental change of his life A powerful dream provides a thread for him throughout his adventures and seems to lead him on to great heights but his biggest test comes when he has to face reality in the end **Future Perfect** Howard Bruce Franklin,1995 Critics

science fiction writers scientists and scholars throughout the world hailed the original publication of Future Perfect in 1966 as a book that would transform our evaluation of science fiction and our understanding of American culture The praise has proved well founded for Future Perfect has been more responsible than any other single work for the recognition of the value and significance of science fiction **The Dream and Human Societies** G. E. Von Grunebaum,Roger Caillois,2023-07-28

The study of dreams and their role in human societies particularly within classical Islam provides a fascinating lens through which to understand both individual and collective psychology In medieval Islamic culture dreams were seen not only as personal experiences but as profound communications from the divine or supernatural This belief system imbued the dream with cognitive power often interpreting dreams as forms of prophecy or divine messages a view that transcended the individual s inner psyche and extended into the realm of objective truth Dreams were considered a bridge to understanding the future the Hereafter and the will of God with scholars like Abdalghani an N bulus developing elaborate systems for interpreting their meanings These interpretations drew heavily from religious texts such as the Koran and Hadith and offered guidance on a variety of matters ranging from personal conduct to political affairs The significance of dreams within classical

Islam is also evident in their societal and political implications. Dreams were not only seen as personal revelations but also as instruments of prophecy often used to predict the death of rulers, the success of military campaigns or the outcomes of political struggles. They were deeply intertwined with religious doctrines with the Prophet Muhammad and various saints appearing in dreams to guide or advise key figures in Islamic history. These dream visions were viewed as essential tools for navigating both the personal and political spheres, reinforcing the belief that the dream world was closely linked with the divine order. The widespread acceptance of dreams as a form of truth is a striking contrast to contemporary Western thought where dreams are more commonly seen as reflections of the subconscious mind. In this sense, the historical and cultural context of classical Islam elevated the dream to a status that intertwined it with both personal and societal identity, suggesting a powerful intersection of religion, politics, and individual experience.

*The Hero Journey in Literature* Evans Lansing Smith, 1997. This book provides an overview of the hero journey theme in literature from antiquity to the present, with a focus on the imagery of the rites of passage in human life: initiation at adolescence, mid-life, and death. This is the only book to focus on the major works of the literary tradition, detailing discussions of the hero journey in major literary texts. Included are chapters on the literature of Antiquity, Sumerian, Egyptian, Biblical, Greek, and Roman, the Middle Ages, with emphasis on the Arthurian Romance, the Renaissance, to the Enlightenment, Shakespeare, Milton, Marvell, Pope, Fielding, the Arabian Nights, and Alchemical Illustration, Romanticism, and Naturalism, Coleridge, Selected Grimm's Tales, Brontë, Bierce, Whitman, Twain, Hawthorne, E. T. A. Hoffman, Rabindranath Tagore, and Modernism to Contemporary, Joyce, Gilman, Alifa Rifaat, Bellow, Lessing, Pynchon, Eudora Welty.

**Gothic dreams and nightmares** Carol Margaret Davison, 2024-03-19. Gothic dreams and nightmares is an edited collection on the compelling yet under-theorised subject of Gothic dreams and nightmares, ranging across more than two centuries of literature, the visual arts, and twentieth and twenty-first century visual media. Written by an international group of experts, including leading and lesser-known scholars, it considers its subject in various national, cultural, and socio-historical contexts, engaging with questions of philosophy, morality, rationality, consciousness, and creativity.

*The Argosy* Mrs. Henry Wood, Charles William Wood, 1893. A magazine of tales, travels, essays, and poems.

**Edmond Dantes** Alexandre Dumas, 1911. *The Failure* Giovanni Papini, 1924. An autobiographical novel serving as a vestibule to the Life of Christ.

**Film Festivals, Ideology and Italian Art Cinema** Rachel Johnson, 2025-10-01. Film Festivals, Ideology and Italian Art Cinema is the first systematic study of the role ideology plays in film festivals, construction of dominant ideas about art cinema. Film festivals are considered the driving force of the film industry outside Hollywood, disseminating ideals of cinematic art and humanist politics. However, the question of

what drives them remains highly contentious In a rare consideration of the European competitive film festival circuit as a whole this book analyses the shared economic geopolitical and cultural histories that characterise European A festivals It offers too the first extensive analysis of such festivals role in the canonisation of select Italian films from Rome Open City to The Great Beauty and Gomorrah The book proposes a new approach to ideology critique one that enables detailed examination of how film festivals construct ideas about not only contemporary art cinema but assumptions about gender race colonialism and capitalism

*Histories of Dreams and Dreaming* Giorgia Morgese, Giovanni Pietro Lombardo, Hendrika Vande Kemp, 2019-06-13 In the late nineteenth century dreams became the subject of scientific study for the first time after thousands of years of being considered a primarily spiritual phenomenon Before Freud and the rise of psychoanalytic interpretation as the dominant mode of studying dreams an international group of physicians physiologists and psychiatrists pioneered scientific models of dreaming Collecting data from interviews structured observation surveys and their own dream diaries these scholars produced a large body of early research on the sleeping brain in the late nineteenth and early twentieth centuries This book uncovers an array of case studies from this overlooked period of dream scholarship With contributors working across the disciplines of psychology history literature and cultural studies it highlights continuities and ruptures in the history of scientific inquiry into dreams

**The Mirage of America in Contemporary Italian Literature and Film** Barbara Alfano, 2013-07-15 The Mirage of America in Contemporary Italian Literature and Film explores the use of images associated with the United States in Italian novels and films released between the 1980s and the 2000s In this study Barbara Alfano looks at the ways in which the individuals portrayed in these works and the intellectuals who created them confront the cultural construct of the American myth As Alfano demonstrates this myth is an integral part of Italians discourse to define themselves culturally in essence Italian intellectuals talk about America often for the purpose of talking about Italy The book draws attention to the importance of Italian literature and film as explorations of an individual s ethics and to how these productions allow for functioning across cultures It thus differentiates itself from other studies on the subject that aim at establishing the relevance and influence of American culture on Italian twentieth century artistic representations

*Hope and the Longing for Utopia* Daniel Boscailon, 2015-02-26 At present the battle over who defines our future is being waged most publicly by secular and religious fundamentalists Hope and the Longing for Utopia offers an alternative position disclosing a conceptual path toward potential worlds that resist a limited view of human potential and the gift of religion In addition to outlining the value of embracing unknown potentialities these twelve interdisciplinary essays explore why it has become crucial that we commit to hoping for values that resist traditional ideological commitments Contextualized by contemporary writing on utopia and drawing from a wealth of times and cultures ranging from Calvin s Geneva to early twentieth century Japanese

children's stories to Hollywood cinema these essays cumulatively disclose the fundamental importance of resisting tantalizing certainties while considering the importance of the unknown and unknowable Beginning with a set of four essays outlining the importance of hope and utopia as diagnostic concepts and following with four concrete examples the collection ends with a set of essays that provide theological speculations on the need to embrace finitude and limitations in a world increasingly enframed by secularizing impulses Overall this book discloses how hope and utopia illuminate ways to think past simplified wishes for the future
