Abramson,Steven D. Pinkerton,2002-10-17 Challenging everything from the mandates of the Catholic Church to the hotly debated ethics of pornography and from the controversy surrounding gay rights to issues of gender and feminism *With Pleasure* explores a new theory of human sexuality that ignites every hot topic in the public domain What role authors Paul Abramson and Steven Pinkerton ask does sexual pleasure play in our lives Is the pursuit of sexual enjoyment in our blood Our brains Our very nature Regardless of the source it can be agreed that the joys of sex are widely appreciated Why then is pleasure so often overlooked in discussions of sexual behaviour and why do cultural historical and religious treatises so often fail to emphasise or outright ignore this obvious aspect of human sexuality Responding to these and many other questions about our most

private affairs *With Pleasure* provides a profoundly original challenge to the cherished truisms of human sexuality Abramson and Pinkerton proclaim the paramount importance of pleasure while at the same time overthrowing traditional ideas about gender pornography contraception homosexuality abortion and much more Supported by rigorous research and co written by one of the foremost authorities on sex *With Pleasure* argues that human sexuality cannot be understood if its significance is limited to reproduction alone The authors posit that in humans reproduction itself occurs as a byproduct of pleasure not the other way around and that it is the strong drive for pleasure that makes people overcome many obstacles and even life threatening dangers such as AIDS to have sex Ranging from discussions about the church to current debates about pornography and from evolutionary theory to questions about the future of sex and pleasure Abramson and Pinkerton argue persuasively that the pleasurability of sex cannot be restricted to purely reproductive behaviour *With Pleasure* advances a startling and original new theory about human sexuality one which the authors believe will replace all existing notions about sex The book standing in direct and deliberate opposition to traditions that try to confine sexuality to procreation is sure to ignite a firestorm of controversy *The Times Index* ,2013-04 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement The NIH Catalyst ,2002 **New Rider's Official World Wide Web Yellow Pages** Marcia Layton,1998 Organized into categories and set up with an easy to use A to Z tab format this book is the definitive guide to what s on the Internet With thousands of site listings including FTP Gopher newsgroup and mailing list sites New Rider s Official World Wide Web Yellow Pages is the must have reference for any using the Internet More esoteric subjects include paranormal phenomena and the rich and famous A section called Related sites at the end of each category lists additional FTP Gopher Web sites and Newsgroups that might be of interest to the reader Features include The most up to date site listings and descriptions to ensure the user has accurate listings to what s on the Internet Editor s Choice sidebars provides a quick glance at the top sites in each category Informational sidebars cover useful information about Browsers provide helpful surfing tips and define terms for the new and intermediate user
