Handbook on the Satellite Armies

United States. Department of the Army,1960

Gebirgsjaeger Ray Merriam,1999-03

McDonaldization Society Now

Ian Tinny,Dead Writers Club,Micky Barnetti,Dr. Rex Curry, McDonald s started in 1940 in the USA At that time much of the planet was being terrorized by Stalinization and Hitlerization German socialism and Soviet socialism had partnered in a pact to divide up Europe launching World War II invading Poland together and going onward leading to the socialist Wholecaust of which the Holocaust was a part It was a globalization conspiracy to make everyone in the world as equal as a cog in a collectivist wheel After the Allies defeated German socialism Soviet socialism continued the sordid plot on its own Stalin s anti consumption dogma had already starved millions to death under his collectivization of food His get poor quick scheme continued to impoverish multitudes for decades In contrast in the USA McDonald s began posting the number of hamburgers sold in 1955 The signs over the golden arches said over a million served Soviet socialists colluded with Chinese socialists despite Stalin s earlier experience cooperating with German socialists The Chinese mimicked Stalin s one size fits all food bureaucracy Soon Mao s death toll by starvation rivaled Stalin s Their bogus right to free socialized medicine could not cure

stage 4 hunger not even pain pills nor palliative care was provided Soviet socialism and Chinese socialism both independently caused cannibalism think of it as slow food not fast food While McD s asked Do you want fries with that socialists asked Do you want flies with that Due to the lack of reliable electricity and refrigeration Similar unhappy meals followed the same irrational socialization chaos in other countries Socialism is a high mortality dogma In 1991 the Union of Soviet Socialist Republics ceased to exist because its socialization economy collapsed In 1993 The McDonaldization of Society by George Ritzer was published In the book Ritzer writes as if he is ignorant that members of Hitler s group did not call themselves Nazis but called themselves socialists and touted socialism by the very word in voluminous writings and speeches In that regard Ritzer perpetuates widespread ignorance among college students Ritzer seems ignorant of the death tolls under Stalin and Mao who also glorified socialism voluminously by the very word It says more about Ritzer than it does about McDonald s In 1994 McDonald s stopped counting hamburgers served because the quantity surpassed 99 billion Today McDonald s is so loved that it can boast that billions and billions have been served During that same time socialists can boast that millions and millions have been starved To death The USA has avoided many monotonous horrors of collectivization and socialism s trademark mass starvations McDonaldization and other all capitalism saved us from McStalinization McHitlerization McMaoism and defeated other McSocialization in America Even so The McDonaldization of Society is used as a textbook in American college classes that bad mouth capitalism and glorify socialism Young people are being brainwashed in schools and universities In how many other ways is the USA being victimized by anti capitalist propaganda The USA was the origin of Nazi salutes and Fascist behavior through the propaganda of an American Socialist Francis Bellamy author of the USA s Pledge of Allegiance to the Flag America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 near McDonald s start What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past American youth groups Scouting adopted Bellamy s American Nazi salute with Bellamy s encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another shocking revelation swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book **Front toward Enemy** Daniel R. Green,2021-11-20 A unique and much needed perspective on the transitions veterans go through after returning home from war service It is a difficult time to be a veteran of a small war in the United States After twenty years of combat and counter insurgency a generation of Afghan Iraq and Global War on Terror veterans struggle to integrate back into civilian society and lead productive lives As the wars these men and women have participated in continue while they simultaneously recede to the past many feel a sense of estrangement from their country friends and prior lives They often

long to return to war but hope to never go again and are stuck in a nether world of war without end and peace that does not exist In Front toward Enemy War Veterans and the Homefront Daniel R Green uses his own experiences with war from having served five military and civilian tours in Afghanistan and Iraq and provides a different perspective on the transition home Using sociological philosophical literary cultural historical and political perspectives he provides a venue for the countless conversations he has had with his fellow veterans about their own experiences as a way to assist others with their transition from war and the military to peace and civilian life Green provides not just a war veteran s views but the amplifying perspective of a political scientist as well as a reserve officer in order to rescue the issue of the returning veteran from the field of psychology and to broaden the understanding of the experience of war for veterans This book bridges the gap between war veterans and their fellow citizens sheds light on the quiet conversations that take place among veterans about their experiences and enriches the collective understanding of how wars affect people **Uniforms and Insignia of the Cossacks in the German Wehrmacht in World War II** Peter Schuster,2003-10 This book examines the uniforms and badges of an almost forgotten group of soldiers Don Kuban Terek and Siberian Cossack units that fought with the German Wehrmacht during World War II With the cooperation of former members of many Cossack units the authors have collected a great deal of material much of the information I this book appears in print here for the first time Among the subjects covered are Cossacks in the Imperial Russian Army the uniforms and badges of the Cossacks in the Wehrmacht in World War II including collar insignia Cossack headgear sleeve badges arm shields Cossack qualification badges decorations awarded to Cossacks flags and command symbols of the Cossack units *Army* ,1973 Deutsche Afrikakorps ,
