Nafziger, 1994 *Best Little Stories from World War II* C. Brian Kelly, 2010-11-01 The untold stories of bravery triumph and redemption in the depths of the darkest world war Behind the great powers global military conflict and infamous battles are more than 100 incredible stories that bring to life the Second World War During the six years of war were countless little known moments of profound triumph and tragedy bravery and cowardice and good and evil These amazing and unbelievable stories of brotherhood redemption escape and civilian courage shed new light on the war that gripped the entire world Experience the action through the eyes of people like Lieutenant Jacob Beser who was aboard both the Enola Gay and Bock's Car and felt the force of the shockwave that nearly destroyed the planes after dropping the H bombs that obliterated Hiroshima and Nagasaki Professor William Miller who collapsed during a death march of POWs in Germany and was saved by the same man who had rescued him from what would have been a fatal car wreck in Pennsylvania five years earlier The brave civilians who answered the British Admiralty's call to help rescue an army from Dunkirk during the height of a dangerous battle and sailed small fishing boats into relentless German fire ultimately saving 335 000 men from This is the perfect book for any history buff looking for the untold stories of military and civilian daring during World War 2 **Operation Barbarossa: the Complete Organisational and Statistical Analysis, and Military Simulation**

Volume IIA Nigel Askey,2013-11-01 Operation Barbarossa Volume IIA concerns the Wehrmacht All the significant German weapon systems and combat squads used in the campaign are analysed using the quantitative methodology detailed in Volume I along with the contextual history An assessment of each weapon system s inherent combat power is provided as well as attributes such as the relative anti tank anti personnel and anti aircraft values Volume IIA then focuses on the detailed Kriegstarkenachweisungen KStN or TOE for German land units including those in the West as well as the unit s actual organisation and equipment All significant units in the German Army Heer Waffen SS Luftwaffe and security forces are included ranging from the largest panzer divisions down to small anti aircraft companies military police units Landesschutzen battalions and rail road and construction companies In all cases the data is presented in detailed tables using the weapon systems and combat squads previously analysed

The Organization and Order of Battle of Militaries in World War II D. Pettibone Charles D. Pettibone,Charles D. Pettibone,2009-11 **The Organization and Order or Battle of Militaries in World War II** Charles D. Pettibone,2012-01-16 There are numerous Order of Battle books on the market So what makes this one so special Why should one decide on this particular book Most Order of Battle books usually deal only at the division and corps level of a countrys army Most higher commands are not covered This book deals with all the branches of a countrys military giving a breakdown of all the major echelons of command from theater down to brigade under each component army group armies corps division and brigade and the equivalent command for the other military branches are included Second it attempts to give an overall command structure of the countrys military showing the central headquarters command structure as well as the major components army groups armies corps etc Third most Order of Battle books list the commander and their dates of tenure This one includes those but also lists their next duty assignments or where they went after leaving the post One can literally trace a general officers career through the upper echelons of command making this series completely different from all the others on the market

World War II German Battle Insignia Gordon Williamson,2012-03-20 The remarkable war effort of the German armed forces on three fronts between 1939 and 1945 was recognised by a wider range of insignia than seen in the Allied armies While the Wehrmacht displayed fewer unit insignia than the Allies a glance at a German soldier s tunic could reveal much more about his actual combat experience In this book Gordon Williamson an experienced researcher explains and illustrates the Battle and Assault Badges of the Army Waffen SS and Luftwaffe ground troops the sleeve shields and cuffbands issued to mark service in particular campaigns wound badges commemorative medals and other types of insignia
