

German Refugees

Albert A Gayle

German Refugees:

Refugees From Nazi Germany and the Liberal European States Frank Caestecker, Bob Moore, 2010-01-01 The exodus of refugees from Nazi Germany in the 1930s has received far more attention from historians social scientists and demographers than many other migrations and persecutions in Europe However as a result of the overwhelming attention that has been given to the Holocaust within the historiography of Europe and the Second World War the issues surrounding the flight of people from Nazi Germany prior to 1939 have been seen as Vorgeschichte pre history implicating the Western European democracies and the United States as bystanders only in the impending tragedy Based on a comparative analysis of national case studies this volume deals with the challenges that the pre 1939 movement of refugees from Germany and Austria posed to the immigration controls in the countries of interwar Europe Although Europe takes center stage this volume also looks beyond to the Middle East Asia and America This global perspective outlines the constraints under which European policy makers and the refugees had to make decisions By also considering the social implications of policies that became increasingly protectionist and nationalistic and bringing into focus the similarities and differences between European liberal states in admitting the refugees it offers an important contribution to the wider field of research on political and administrative practices

Hitler's Refugees and the French Response, 1933-1938 Julius Fein, 2021-03-01 Julius Fein examines the French response to the large number of German refugees between 1933 and 1938 Fein demonstrates how the Quai d Orsay sought a compromise between the Republican canon which said France must help the persecuted and the factors that limited its willingness to accept refugees including economic depression mass unemployment anti Semitism and anti German sentiment

The Refugee in the Post-War World Jacques Vernant, 2024-06-28 First published in 1953 The Refugee in the Post War World presents a comprehensive survey on the global refugee situation after the Second World War Chapter I and II of Part I attempt a definition of what is meant by a refugee and states the problems to which the refugees give rise for the receiving countries and the international community chapter III contains a brief account of the work of the international bodies concerned with refugees from the First World War onwards and chapter IV tells the story of the various ethnic and national groups of refugees after the Second World War The other parts give an analysis of the refugees situation in the different countries The latter are classified in two ways according to their place on the map and to their capacity to absorb refugees Each chapter describing the refugee position in a particular country is divided further into three sections an introduction intended to afford a bird s eye view of the general refugee problem in that country a second section setting forth the main legislative provisions applicable to aliens and more specially to refugees and the third which gives an account of the refugees economic and social conditions This is an important historical reference work for scholars and researchers of refugee studies international relations political studies and immigration studies

Admission of German Refugee Children United States. Congress. House. Committee on Immigration and Naturalization, 1989

Admission of German Refugee

Children United States. Congress. Senate. Committee on Immigration, 1939 Refugees and expellees in post-war Germany Ian Connor, 2018-02-28 At the end of the Second World War some 12 million German refugees and expellees fled or were expelled from their homelands in Eastern and Central Europe into what remained of the former Reich The task of integrating these dispossessed refugees and expellees in post war Germany was one of the most daunting challenges facing the Allied occupying authorities after 1945 The first study in English of the economic social and political integration of the German refugees and expellees in post war Germany this book is based on extensive research in German archives and also incorporates the findings of numerous local and regional studies undertaken by German scholars While its main focus is on the German Federal Republic the book also provides coverage of the refugee problem in the German Democratic Republic This accessible book on a key aspect of post war German history will be of particular interest to undergraduates of history politics and German *Documents on German Foreign Policy, 1918-1945, from the Archives of the German Foreign Ministry* Germany. Auswärtiges Amt, 1962 Unwelcome Exiles. Mexico and the Jewish Refugees from Nazism, 1933-1945 Daniela Gleizer, 2013-10-02 Unwelcome Exiles Mexico and the Jewish Refugees from Nazism 1933 1945 reconstructs a largely unknown history during the Second World War the Mexican government closed its doors to Jewish refugees expelled by the Nazis In this comprehensive investigation based on archives in Mexico and the United States Daniela Gleizer emphasizes the selectiveness and discretionary implementation of post revolutionary Mexican immigration policy which sought to preserve mestizaje the country s blend of Spanish and Indigenous people and the ideological basis of national identity by turning away foreigners considered inassimilable and therefore undesirable Through her analysis of Mexico s role in the rescue of refugees in the 1930s and 40s Gleizer challenges the country s traditional image of itself as a nation that welcomes the persecuted This book is a revised and expanded translation of the Spanish *El exilio inc modo M xico y los refugiados jud os 1933 1945* which received an Honorable Mention in the LAJSA Book Prize Award 2013 **Refugee Facts** American Friends Service Committee, 1939 *Refugees from Nazi Germany and the Liberal European States* Frank Caestecker, Bob Moore, 2010 The exodus of refugees from Nazi Germany in the 1930s has received far more attention from historians social scientists and demographers than many other migrations and persecutions in Europe However as a result of the overwhelming attention that has been given to the Holocaust within the historiography of Europe and the Second World War the issues surrounding the flight of people from Nazi Germany prior to 1939 have been seen as Vorgeschichte pre history Based on a comparative analysis of national case studies this volume deals with the challenges that the pre 1939 movement of refugees from Germany and Austria posed to the immigration controls in the countries of interwar Europe Publisher s description

Canada's Refugee Policy Gerald E. Dirks, 1977 *Nationality and Statelessness in the International Law of Refugee Status* Eric Fripp, 2016-09-22 International refugee law anticipates state conduct in relation to nationality statelessness and protection Refugee status under the Convention relating to the Status of Refugees 1951 and regional and domestic

instruments referring to it can be fully understood only against the background of international laws regarding nationality statelessness and the consequences of national status or the lack of it In this significant addition to the literature a leading practitioner in these fields examines in the light of international law key issues regarding refugee status including identification of the country of his nationality concepts of effective nationality and the inclusion within persecution of a range of acts or omissions focused on nationality

Mutual Security Act Extension... Hearings... March-June, 1953 United States. Congress. House. Committee on Foreign Affairs,1953

Hearings United States. Congress. House. Committee on Foreign Affairs,1953

Refugee Crisis: The Borders of Human Mobility Melina Duarte,Kasper Lippert-Rasmussen,Serena Parekh,Annamari Vitikainen,2018-10-08

How should we respond to the worst refugee crisis since the World War II What are our duties towards refugees and how should we distribute these duties among those at the receiving end of the refugee flow What are the relevant political solutions Are some states more responsible for creating the current refugee situation and if so should they also carry a larger burden on solving this situation Is people smuggling always morally wrong Are some groups for example children owed more than others and should we thus take active measures to remove them from conflict zones How are the existing refugee regimes in Europe North America or Australia challenged by the current crisis Are some of their measures more justified than others

Refugee Crisis The Borders of Human Mobility discusses the various ethical dilemmas and potential political solutions to the ongoing refugee crisis providing both theoretical and practical reflections on the current crisis as well as the ways in which this crisis has been handled in public debate The contributors to the volume include some of the most prominent political theorists and experts on the current refugee situation as well as some of the upcoming young scholars working on the theme This book was originally published as a special issue of the *Journal of Global Ethics*

Hotel Bolivia: The Culture of Memory in a Refuge from Nazism Leo Spitzer,2019-08-09

Desperate to escape the increasingly vehement persecution in their homelands thousands of refugees from Nazi dominated Central Europe the majority of them Jews found refuge in Latin America in the 1930s Bolivia became a principal recipient of this influx one of the few remaining places in the entire world to accept Jewish refugees after the German Anschluss of Austria in 1938 Some 20 000 refugees arrived in Bolivia more than in Canada Australia New Zealand South Africa the leading British Commonwealth countries combined In Bolivia the refugees began to reconstruct a version of the world that they had been forced to abandon Their own origins and social situations had been diverse in Central Europe ranging across generational class educational and political differences and incorporating various professional craft and artistic backgrounds But it was Austro German Jewish bourgeois society that provided them with a model for emulation and a common locus for identification in their place of refuge Indeed at the very time when that dynamic social and cultural

amalgam was being ruthlessly and systematically destroyed by the Nazis the Jewish refugees in Bolivia attempted to recall and revive a version of it in a land thousands of miles from their home in a country that offered them a haven but in which many of them felt themselves as mere sojourners *Hotel Bolivia* explores an important but generally neglected aspect of the experience of group displacement the relationship between memory and cultural survival during an era of persecution and genocide Employing oral histories family photographs artistic and documentary portrayals it considers the Third Reich background for the emigration the refugees perceptions of past and future and the role of images and stereotypes in shaping refugee and Bolivian cross cultural communication and acceptance It examines how the immigrants remembered recalled and reshaped the European world they had been forced to abandon in the institutions culture and community they created in Bolivia In documenting life stories and reclaiming the memories and discourses of ordinary persons who might otherwise remain hidden from history *Hotel Bolivia* contributes to a major objective of contemporary historical studies But it is also directly concerned with theoretical issues increasingly evident in historical writing focusing on the contextualization of memory and the interdependence and tension between memory and history In reflecting on remembered experience over time and between people the ultimate objective of this book is to contribute to the historical study of memory itself A curiously inspiring corner of Holocaust history the story is of how culture and memory survive and change in the shock of new surroundings Adam Hochschild author of *King Leopold's Ghost* A form of doing history that offers fresh intellectual insights while touching the heart Ruth Behar University of Michigan author of *The Vulnerable Observer* and *Translated Women* It is rare that a scholarly book reads like a novel Leo Spitzer's compelling *Hotel Bolivia* not only is beautifully written but changes the way we think about history This groundbreaking book will become required reading in numerous fields including Latin American studies Jewish studies diaspora studies immigration studies and ethnic studies Jeffrey Lesser Brown University author of *Welcoming the Undesirables* Brazil and the Jewish Question Evocative thoughtful and otherwise impressive Vividly introduces readers to a little known aspect of refugee history during the Holocaust Kirkus A searing account of the Jewish refugees checkered experience Part memoir part oral history Spitzer's eye opening study uses interviews with surviving refugees now widely dispersed around the world plus letters photographs family albums and archival documents to explore the trauma of displacement Publishers Weekly [The Refugee in International Law](#) Guy S. Goodwin-Gill, Jane McAdam, 2021-09-09 The status of the refugee in international law and of everyone entitled to protection has ever been precarious not least in times of heightened and heated debate people have always moved in search of safety and they always will In this completely revised and updated edition the authors cast new light on the refugee definition the meaning of persecution including with regard to gender and sexual orientation and the protection due to refugees and those affected by statelessness or disasters They review the fundamental principle of non refoulement as a restraint on the conduct of States even as States themselves seek new ways to prevent the arrival of those in search of refuge Related principles of

protection non discrimination due process rescue at sea and solutions are analysed in light of the actual practice of States UNHCR and treaty monitoring bodies The authors closely examine relevant international standards and the role of UNHCR States and civil society in providing protection contributing to the development of international refugee law and promoting solutions New chapters focus on the evolving rules on nationality statelessness and displacement due to disasters and climate change This expanded edition factors in the challenges posed by the movement of people across land and sea in search of refuge and their interception reception and later treatment The overall aim remains the same as in previous editions to provide a sound basis for protection in international law taking full account of State and community interests and recognizing the need to bridge gaps in the regime which now has 100 years of law and practice behind it *Immigration and Asylum*

Matthew J. Gibney, Randall Hansen, 2005-06-21 A comprehensive and timely examination of the history and current status of immigrants and refugees their stories the events that led to their movement and the place of these movements in contemporary history and politics *Immigration and Asylum From 1900 to the Present* is an accessible and up to date introduction to the key concepts terms personalities and real world issues associated with the surge of immigration from the beginning of the 20th century to the present It focuses on the United States but is also the first encyclopedic work on the subject that reflects a truly global perspective With contributions from the world s foremost authorities on the subject *Immigration and Asylum* offers nearly 200 entries organized around four themes immigration and asylum the major migrating groups around the world expulsions and other forced population movements and the politics of migration In addition to basic entries the work includes in depth essays on important trends events and current conditions There is no better resource for exploring just how profoundly the voluntary and forced movement of asylum seekers and refugees has transformed the world and what that transformation means to us today

German Refugees Introduction

In today's digital age, the availability of German Refugees books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Refugees books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Refugees books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Refugees versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Refugees books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Refugees books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Refugees books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Refugees books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Refugees books and manuals for download and embark on your journey of knowledge?

FAQs About German Refugees Books

1. Where can I buy German Refugees books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a German Refugees book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of German Refugees books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are German Refugees audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read German Refugees books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
