Resources in Education ,1993-07 Transatlantic Images and Perceptions David E. Barclay, Elisabeth Glaser-Schmidt,2003-02-13 Over the last two centuries Germans and Americans have been rivals friends opponents and most recently allies This 1997 cross disciplinary collection of essays analyses how German and American views of each other developed and periodically shifted providing a fresh analysis of the often complex German American relationship The images that resulted from encounters between the two countries frequently reflected significant cross currents of the contemporary relations and often foreshadowed important trends The nine German and eight American contributors to this volume analysed travelogues private letters diaries diplomatic reports and newspaper articles from the wake of US independence through the reunification of Germany and also post 1945 movies that reflect these cross cultural encounters and illustrate how political agendas prejudices stereotypes and pragmatic forces influenced individual group and mass perceptions of the other society Germanics Under Construction Jörg Roche, Thomas Salumets, 1996 Michigan Germanic Studies , 1977

The Cumulative Book Index ,1901 A world list of books in the English language Critical Issues in Foreign Language Instruction Ellen S. Silber, 2013-09-13 First Published in 1991 This is Volume 22 of the Source Books on Education series Politically speaking the study of foreign languages and cultures helps maintain a strong competitive position in an increasingly global marketplace It was hard to imagine in 1957 that the launching of a Soviet rocket would push the United States into its greatest investment ever in foreign language education As American policy makers attempted to play catch up with our brothers and sisters behind the iron curtain this country infused federal dollars into extensive foreign language teacher training and the creation of new foreign language educational programs As suddenly as federal support was given however so was it taken away and its withdrawal was responsible for one of the darkest periods in the history of foreign language education in America Drawing on the expertise of a number of the nation's most experienced and creative foreign language educators this volume edited by Ellen S Silber addresses some of the crucial problems we face in foreign language education today Monatshefte ,1977 Catalog of Copyright Entries.
