The Radical Left Party Family in Western Europe, 1989-2015 Paolo

Chiocchetti,2016-10-04 This book provides an innovative analysis and interpretation of the overall trajectory of the Western European radical left from 1989 to 2015 After the collapse of really existing communism this party family renewed itself and embarked on a recovery path seeking to fill the vacuum of representation of disaffected working class and welfarist constituencies created by the progressive neoliberalisation of European societies The radical left thus emerged as a significant factor of contemporary political life but despite some electoral gains and a few recent breakthroughs SYRIZA in Greece PODEMOS in Spain it altogether failed to embody a credible alternative to neoliberalism and to pave the way for a turn to a different developmental model This book investigates why this was the case combining aggregate 17 countries case study Germany Italy and France and comparative methods It accurately charts the evolution of the nature strength cohesion and influence of the Western European radical left offering new insights in explaining its behaviour success and limits It is essential reading for scholars students and activists interested in the radical left and in contemporary European politics

Demographic Consequences of Economic Transition in Countries of Central and Eastern Europe Dimităr Filipov,Jürgen Dorbritz,2003-01-01 The social political and economic transformations experienced by the formerly socialist countries of central and eastern Europe since the beginning of the 1990s have resulted in abrupt shifts in demographic trends whose consequences on nuptiality fertility mortality and migration will be significant and irreversible The present study analyses and offers explanations about this process and compares these developments with the demographic changes that occurred earlier in western Europe A thorough knowledge of these demographic trends offers an essential tool for social policy makers and researchers and the comparative approach of the study furthers our understanding of the underlying processes taking place in all European countries

The Top Books of the Year Germany In The Nineties The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Germany In The Nineties : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Germany In The Nineties : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
