Haydee Del Moncada A Casa:

Haydée Santamaría, Cuban Revolutionary Margaret Randall, 2015-09-02 Taking part in the Cuban Revolution's first armed action in 1953 enduring the torture and killings of her brother and fiancé assuming a leadership role in the underground movement and smuggling weapons into Cuba Haydée Santamaría was the only woman to participate in every phase of the Revolution Virtually unknown outside of Cuba Santamaría was a trusted member of Fidel Castro's inner circle and friend of Che Guevara Following the Revolution's victory Santamaría founded and ran the cultural and arts institution Casa de las Américas which attracted cutting edge artists exposed Cubans to some of the world's greatest creative minds and protected queer black and feminist artists from state repression Santamaría's suicide in 1980 caused confusion and discomfort throughout Cuba despite her commitment to the Revolution communist orthodoxy's disapproval of suicide prevented the Cuban leadership from mourning and celebrating her in the Plaza of the Revolution In this impressionistic portrait of her friend Haydée Santamaría Margaret Randall shows how one woman can help change the course of history

Che on My Mind Margaret Randall, 2013-09-24 An impressionistic look at the life death and legacy of Che Guevara by the renowned feminist poet and activist Margaret Randall **Haydée** Celia Hart Santamaría, Che Guevara, 2005 **Haydée** Celia Hart, 2009 *Cuban Studies 18* Carmelo Mesa-Lago, 1988-10-01 Essays in volume 18 include discussions of Cuba's approach to the Latin American debt crisis its two century old race problem and its impact on Cuba's relations with Africa differences between urban and rural living conditions and development and the recent housing situation in Cuba Examinations of scholarly research include a survey of major historical works on Cuba over the past twenty five years and an analysis of how the revolution has affected the scholar's craft and access to manuscripts and archives The Debate section features comments on discussions in Cuban Studies 17 of sex and gender relations in today's Cuba as well as the ongoing issue of Cuba's economic planning and management system **Haydée habla del Moncada** Haydée Santamaría, 2005 La historia más reciente de Cuba está estrechamente vinculada al proceso revolucionario que liderado por Fidel Castro Ruz arrebató por la fuerza el poder a la oligarquía imperante en la isla hasta 1959 para instalar un gobierno de tendencia popular que más tarde se definiría como Socialista Aquella particular contienda caribeña tuvo como antecedente histórico un ataque comandado y ejecutado por los rebeldes algunos años antes en 1953 contra un cuartel militar radicado en Santiago de Cuba Varios de los jóvenes que más tarde formarían parte del gobierno cubano participaron en la frustrada operación Haydée Santamaría entre ellos Ella es una de las mujeres símbolo de todo aquel movimiento Su hermano también combatiente fue torturado y asesinado en ese entonces Aquí conoceremos su versión de los hechos también detalles inditos o poco conocidos de toda la contienda To Defend the Revolution Is to Defend Culture Rebecca Gordon-Nesbitt, 2015-09-01 Grounded in painstaking research To Defend the Revolution Is to Defend Culture revisits the circumstances which led to the arts being embraced at the heart of the Cuban Revolution Introducing the main protagonists to the debate this previously untold story

follows the polemical twists and turns that ensued in the volatile atmosphere of the 1960s and 70s The picture that emerges is of a struggle for dominance between Soviet derived approaches and a uniquely Cuban response to the arts under socialism The latter tendency which eventually won out was based on the principles of Marxist humanism As such this book foregrounds emancipatory understandings of culture To Defend the Revolution Is to Defend Culture takes its title from a slogan devised by artists and writers at a meeting in October 1960 and adopted by the First National Congress of Writers and Artists the following August which sought to highlight the intrinsic importance of culture to the Revolution Departing from popular top down conceptions of Cuban policy formation this book establishes the close involvement of the Cuban people in cultural processes and the contribution of Cuba s artists and writers to the policy and praxis of the Revolution Ample space is dedicated to discussions that remain hugely pertinent to those working in the cultural field such as the relationship between art and ideology engagement and autonomy form and content As the capitalist world struggles to articulate the value of the arts in anything other than economic terms this book provides us with an entirely different way of thinking about culture and the policies underlying it **Haydée Santamaría** Betsy Maclean,2003 Haydee Santamaria led a full and painful life As one of the female leaders of the Cuban Revolution she suffered horrible torture in Batista s prisons After 1959 she established the world renowned Latin American literary institution Casa de las Americas She remained its director for 20 years providing intellectual and physical refuge for artists and writers in exile from dictatorships Betsy Maclean has collected both Santamaria s own writings including her poignant letter to Che on the news of his death and tributes from others

Women, Revolution, and Autobiographical Writing in the Twentieth Century Kristine A. Byron,2007 This book considers issues of gender and representation through an analysis of twentieth century female revolutionary figures from Ireland Spain Cuba Nicaragua and El Salvador Since revolutions and their siblings civil wars occasion social transformation under often chaotic conditions they open up space for the potential transformation of gender relations These women s life writings illustrate gender relations in flux expose the political symbolism of the strong woman at moments of nation formation and transformation and display the multiple ways that gender enters into literary historical and visual narratives

The Moncada Attack Antonio Rafael De la Cova,2007 The account of Fidel Castro s rise to power is not complete without mention of the failed attacks of July 26 1953 on the Cuban army garrisons at Moncada and Bayamo This text views this initial overthrow attempt as a propaganda victory that marked the start of Castro s ascent to national power **Fidel** Nestor Kohan,2011-01-04 In the United States ninety miles from Cuban shores tempers flare on the subject of Fidel Castro some say he is a liberator some say a dictator In Fidel Nestor Kohan and Nahuel Scherma present one of the towering figures of the twentieth century as he is seen by Latin Americans as the leader who for over fifty years has stood up to the greatest military power in the world and remained standing Here in Kohan s incisive prose and Scherma s passionate illustrations is the man who inspired by decades of Latin American Marxist thinking fought from the mountains of the Sierra Maestra to free

his country the man who walked the razor s edge between military threats by the United States and political coercion by the Soviet Union the man who became a leader in the revolution against colonial governments from Angola to Vietnam to Latin America the man who fought above all to transform the conscience of his people spreading literacy culture and free medical care to everyone on the island Here is Fidel the man who became the symbol of the revolution in the New World
