*An Anti-Zionist Path to Embodied Jewish Healing* Wendy Elisheva Somerson, PhD, 2025-05-13 Unapologetically anti Zionist and firmly rooted in Jewish spiritual values a liberatory model for Jewish healing Body based tools and faith based practices for processing trauma reclaiming our agency and building a world where never again means never again for anyone an accessible pathway for healing from historical trauma releasing it from our bodies and preventing it from being passed on to future generations This may well be the missing piece for breaking the pattern of violence undergirding Israeli apartheid and occupation Naomi Klein author of *Doppelganger A Trip Into the Mirror World* Dr Wendy Elisheva Somerson PhD shows how Jewish history lives in Jewish bodies and how antisemitism and oppression disrupt our access to safety dignity and belonging This unmetabolized trauma can lock us into a survival state that brings historical grief into the present

moment and keep us from exploring critical questions that help us tend our legacies and live into a better world How does ancestral grief live on in our bodies and keep us from feeling safe and how is that fear enacted on other peoples How do we reconcile a history of persecution with the state power of Israel today Each chapter invites us back into the body exploring healing as a spiritual and political reclamation With skills based wisdom for trauma safety spiritually grounded intentions and resourcing ourselves for difficult conversations this book also helps readers understand Trauma and healing through our bodies Jewish longing belonging legacies of assimilation Healing shame of not being Jewish enough of being too much and of being complicit Embodied experiences of Jewish resilience ritual and grief Rooted in justice care and spiritual depth this book asks us to live into a Judaism beyond Zionism It invites us to heal toward liberation to reclaim Jewish faith and release Jewish identity from the colonial project of Israel in power skill and community
