White, 2018-09-05 Branded a traitor by her people Shea and her warlord the fiercely dangerous Fallon travel to the Pathfinders seat of power at her father's request hoping to form an alliance despite the distrust between them It doesn't take long before Shea and Fallon realize something is dangerously wrong in the place she once called home Ancient deadly creatures gone for hundreds of years once again walk the lands awakened from a deep sleep Worse it seems the Pathfinders are keeping a secret one that could destroy them all On the brink of battle with each other the Pathfinders and Trateri must join forces if they hope to defeat the evil at the heart of the Badlands As the tension rises between the two peoples and Shea and her family Shea and Fallon must convince them to overcome their differences if they are to triumph over impossible odds Because the beasts may be the least of their worries Sometimes betrayal comes from within and the most dangerous monsters may be those closest to them Chinese Healing Exercises Livia Kohn, 2008-09-30 Daoyin the traditional Chinese practice of guiding the qi and stretching the body is the forerunner of Qigong the modern form of exercise that has swept through China and is making increasing inroads in the West Like other Asian body practices Daoyin focuses on the body as the main vehicle of attainment sees health and spiritual transformation as one continuum leading to perfection or self realization and works intensely and consciously with the breath and with the conscious guiding of internal energies This book explores the different forms of Daoyin in historical sequence beginning with the early medical manuscripts of the Han dynasty then moving into its religious adaptation in Highest Clarity Daoism After examining the medieval Daoyin Scripture and ways of integrating the practice into Tang Daoist immortality the work outlines late imperial forms and describes the transformation of the practice in the modern world Presenting a rich crop of specific exercises together with historical context and comparative insights Chinese Healing Exercises is valuable for both specialists and general readers It provides historical depth and opens concrete details of an important but as yet little known health practice *Healer* Kay L. Brubaker,1999-02-25 The Byzantines used imagery to communicate a wide range of issues In the context of Iconoclasm the debate about the legitimacy of religious art conducted between c AD 730 and 843 Byzantine authors themselves claimed that visual images could express certain ideas better than words Vision and Meaning in Ninth Century Byzantium deals with how such visual communication worked and examines the types of messages that pictures could convey in the aftermath of Iconoclasm Its focus is on a deluxe manuscript commissioned around 880 a copy of the fourth century sermons of the Cappadocian church father Gregory of Nazianzus which presented to the Emperor Basil I founder of the Macedonian dynasty by one of the greatest scholars Byzantium ever produced the patriarch Photios The manuscript was lavishly decorated with gilded initials elaborate headpieces and a full page miniature before each of Gregory s sermons Forty six of these including over 200 distinct scenes survive Fewer than half however were directly inspired by the homily that they accompany Instead

most function as commentaries on the ninth century court and carefully deconstructed both provide us with information not available from preserved written sources and perhaps more important show us how visual images communicate differently from words
