Kingdom Triangle J. P. Moreland, 2009-07-22 J P Moreland Christian philosopher theologian and apologist issues a call to recapture the drama and power of kingdom living to cultivate a revolution of Evangelical life spirituality thought and Spirit led power Drawing insights from the early church he unpacks three essential ingredients of this revolution Recovery of the Christian mind Renovation of Christian spirituality Restoration of the power of the Holy Spirit Western society is in crisis the result of our culture s embrace of naturalism and postmodernism and a biblical worldview has been pushed to the margins Christians have been strongly influenced by these trends with the result that their personal lives often reflect the surrounding culture more than the way of Christ and the church s transforming influence on society has waned as a result Kingdom Triangle is divided into two major sections The first examines and provides a critique of secular worldviews and shows how they have ushered in the current societal crisis The second lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world Moreland believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision With clear insight he puts the thoughtful Christian in a position to understand our current cultural struggle and to return to a responsible presentation of the way of Christ as not just a way of right living but also a way of knowledge and meaningful life *The Routledge Handbook of Religion, Medicine, and Health* Dorothea Lüddeckens, Philipp Hetmanczyk, Pamela E. Klassen, Justin B. Stein, 2021-11-24 The relationships between religion spirituality health biomedical institutions complementary and alternative healing systems are widely discussed today While many of these debates revolve around the biomedical legitimacy of religious modes of healing the market for them continues to grow The Routledge Handbook of Religion Medicine and Health is an outstanding reference source to the key topics problems and debates in this exciting subject and is the first collection of its kind Comprising over thirty five chapters by a team of international contributors the Handbook is divided into five parts Healing practices with religious roots and frames Religious actors in and around the medical field Organizing infrastructures of religion and medicine pluralism and competition Boundary making between religion and medicine Religion and epidemics Within these sections central issues debates and problems are examined including health and healing religiosity spirituality biomedicine medicalization complementary medicine medical therapy efficacy agency and the nexus of body mind and spirit The Routledge Handbook of Religion Medicine and Health is essential reading for students
