

PRAYER FOR STRENGTH AND HEALING

Almighty Lord,

I look up to you for strength and healing

Shine your face on me and fill me with your
life-giving powers. Calm my fears and bring
comfort and peace to my body.

I trust and know that Jesus carried my
sickness and my sins on the cross. So by the
power of the blood, I decree and declare that
any sickness in my body be gone. I rebuke
and cast out any diseases and infections in
my body. I lose myself from every infirmity
and weakened immune system.

Let your divine healing flow into every cell of
my body. Let it flow through my veins and my
blood.

Lord, I believe in your healing power and I
believe that by touching the hem of your
garment, I've received my healing through the
blood of Jesus Christ,

Amen

Washington, 2022-08-01 Sweet Mother of Christ Hallelujah Seems like an avalanche has rolled up to my door The mailbox was stuffed with letters from several different organizations and a couple of catalogs and being a Tuesday there was also a wad of junk mail Remembering the thick manila envelope I received from the VFW Veterans of Foreign Wars in mid January with an assortment of gifts a nice tablet size calculator all occasion cards address labels a couple of notepads a calendar even a gift bag My conscience just wouldn't let me rest after receiving all these cool little gifts I just had to send a donation to help with postage and handling I think that's what caused the avalanche of mail that landed at my door Deciding right then to keep a count of all incoming mail I began to write down the names and contents of each envelope thinking it couldn't possibly be too many more after this shipment Boy was I ever wrong I started receiving cards of all kind prayer booklets prayer relics rosaries crucifixes and medals Besides the letters the phone calls started so I started listing them too Within a couple of weeks I had accumulated several pages of organizations requesting help either by phone or postal service And the brain being the peculiar organ that it is my brain anyway it gets restless at times for more activity Firing up the computer I started a real list of all the charitable organizations I hear from daily and decided to make my list an open project
