Starks, 2013-03-07 Why have multiple mega church leaders Ted Haggard and Bishop Eddie Long for example committed acts of sexual misconduct This book discusses the reasons in depth and examines how these acts are impacting the future of megachurches Mega churches churches with congregations that number in the thousands of worshippers are growing in popularity in America and around the world Shockingly a growing number of megachurch leaders have committed acts of sexual misconduct While these scandalous crimes have received much attention through the media literature that examines the topic in detail has been lacking This book examines the various aspects of sexual misconduct by megachurch leaders providing a comprehensive review of the topic that discusses the direct and indirect reasons for these crimes The book provides unbiased factual coverage of megachurch sexual abuse cases covering issues surrounding the victims in specific cases the role of the church and notable ministers such as Ted Haggard of New Life Church Colorado Springs CO Bishop Eddie Long of New Birth Missionary Baptist Church Lithonia GA and Joe Barron of

Prestonwood Baptist Church Dallas TX The author also discusses how these incidences have impacted societal perceptions of religion and large churches and religious organizations and provides recommendations to curb future cases of sexual abuse within megachurches     *Serving Jesus with Integrity* Dwight P. Baker, Douglas Hayward, 2010-06-28 The word ethics carries an aura of countervailing views overlapping claims uncertain footing and seductive attractions Some issues are as clear as the horizontal versus vertical axes in Sawai Chinnawong s striking painting Joseph and Potiphar s Wife that graces the cover of this book At the same time because we are involved because our interests our inclinations our plans and relationships are at stake the issues that engage missionary practitioners can be frustratingly labyrinthine curling endlessly back on themselves Evangelical missionaries and mission agencies are concerned about personal morality and rightly so But as the chapters in this volume attest evangelical mission s ethical engagement extends far beyond simply avoiding compromising sexual situations and not absconding with the finances How should we talk about others beliefs and practices to ourselves To them How should we represent ourselves to others What role does tolerance for ambiguity play in missionaries mental preparation How should accountability be structured in intercultural partnerships Are there ways to enable organizational justice to flourish in mission institutions What might integrity in short term mission outreach look like How does care for creation relate to mission What role can a code of ethics for missionary practice play Limited and fallible and marred by the fall we need both guidance and admonition and deep reflection on the conduct of evangelical mission such as is provided in this volume so that we may serve Jesus with true integrity
