

Healing Pagan And Christian 1935

G. Freeland,Anthony Corones

Healing Pagan And Christian 1935:

Healing George Gordon Dawson, 2013-10 This is a new release of the original 1935 edition **Understanding**
Sacramental Healing Father John Kasza, 2022-01-07 The sacrament of the Anointing of the Sick plays a significant role in the lives of many throughout the Church but confusion over the sacrament can result in individuals not receiving this important comfort from the Church Understanding Sacramental Healing Anointing and Viaticum explores the rich history of the sacrament and addresses the changes that have occurred since the Second Vatican Council by providing a theological basis for the history and pastoral practice of the sacrament of the sick Father John Kasza offers a cohesive and concise synthesis of the disciplines of theology canon law medicine anthropology and liturgy geared toward assisting the practitioner in using the ritual to the fullest extent possible He also builds a greater appreciation of the sacrament and its part in the Church's role as healer in today's society By recognizing the theological tradition of the sacrament of the sick Understanding Sacramental Healing Anointing and Viaticum becomes an incisive reflection on the current state of the sacrament that will bring all priest and ministers of care to a greater understanding of the sacrament The author examines The liturgical development of the sacrament in light of the Second Vatican Council The practical implementation of the sacrament in both parish and diocesan venues in the 40 years since the close of the Council The nature of illness how illness affects someone and how the Church responds to those suffering from an illness The criteria for the reception of the sacrament and how its use may be broadened The First Nationwide Alcoholics Anonymous History Conference Dick B., 2006 Dick B is a writer historian Bible student retired attorney and recovered AA He is active in the fellowship and has sponsored more than 100 men in their recovery He has devoted 18 years to investigating researching analyzing and disseminating the facts about early AA origins roots history principles and practices He has published 33 titles and more than 170 articles on the subject and frequently speaks within and outside the fellowship He is the leading AA early history scholar The James Club and the Original A. A. Programs Absolute Essentials Dick B., 2011-07-26 For years AA has quietly acknowledged primarily through one publication that the early AA pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible AA cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus's Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul's famous chapter on love You can find the foregoing remarks in AA's DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co-founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob's wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the AA fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for

studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World

When Early AAs Were Cured and why Dick B.,2006 Dick B s latest exploration of and report on the solid evidence that early AAs were cured of alcoholism and said so for the first decade after their founding This title tells HOW It explains the many reports of religious healings through the ages the many in or observers of A A who proved that they were cured the myths about God alcoholism and no cure and the key origins roots and elements of the early Akron Christian Fellowship where the cures occurred A book for believers who know God s power and want to know how it was applied in the healing of alcoholism by A A pioneers

The Good Book - Big Book Guide Book Dick B.,2011-07-26 You don t need to leave A A or any other 12 Step program or even a treatment program just because you are a Christian Nor do you need to flee to an exclusively Christian Fellowship Christian Treatment Program or Christian Track Program just to believe or profess your beliefs in connection with your own recovery You re the boss You need all the help you can get We ve long needed a guide that will use history to help you in your recovery whatever your choice of fellowships groups recovery programs or treatment programs The original Akron A A Christian fellowship with its emphasis on reliance on the Creator of the heavens and the earth acceptance of Jesus Christ as Lord and Savior Bible study prayer

guidance fellowship and witness is nothing to be buried to be hushed up or to be afraid of mentioning It s a part of recovery history the most important part the part that set A A apart in the 1930 s as a cure for the medically incurable an alternative to medicine hospitalization and clergy dominated ideas It embraced them all but stood for the importance of a Society that took these ideas and let drunks be the message carriers You can do this too and probably better if you know your history Include this guide book in your reading Include it in your recovery Include it in your fellowship or group Include it with any other recovery program secular Christian or rational It s history It tells you what worked It tells you how you can choose to use it today if you wish It will help you understand words and phrases and ideas that came from historical roots And it doesn't bash other ideas or fellowships It seeks to inform all and urge them to include history in their curriculum This is a guide to history that has not been available before It s a guide that will supplement and not replace It s a guide for you **Real**

Twelve Step Fellowship History Dick B.,2006 Put Your 12 Step Speakers Sponsors and Counselors to Work You may regularly listen to excellent speakers sponsors and counselors in 12 Step programs Chances are however that they probably rarely if ever talk to you about the origins history and practices of early pioneer recovery programs Why Because there are few histories to inform them few teachers to instruct them and too few people who really want to change Speakers can get lots of applause if they stick to their drunkalogs and make you laugh cry and maybe identify Sponsors have few resources that connect the dots Counselors feel safer telling you about your disease and taking the safe path handing out a Big Book a Twelve x Twelve and a devotional and sending you to outside groups and meetings What does this our book say It says that it is high time to take these talented and admired people to the schoolroom Three decades ago there was no place to look And if one of these people talked about history he or she usually talked about the party line that left out God left out the Bible left out the sources of the Twelve Steps and pointed to a program that simply said you didn't really have to believe anything at all just choose your own higher power and go to meetings We believe the many fine speakers sponsors and facilitators can and should get cracking They should pick up the accurate history books now available learn from them and talk about them Why Because they can then tell the afflicted exactly how and why the pioneers were cured and had a documented 75% to 93% success rate And those who teach you can also train you to look for yourself think for yourself and place your reliance on the Creator rather than teachers This new book tells you our history how to approach it how to teach it and how to use it **The**

Conversion Of Bill W. Dick B.,2006 This is a book unlike any of the many recent biographies of A A co founder William Griffith Wilson known as Bill W It is filled with information about Bill s religious education experiences and beliefs from childhood forward Thus Bill s knowledge of his grandfather Willie s conversion on Mount Aeolus and deliverance from alcoholism the involvement of Bill s grandparents the Wilsons and the Griffiths in the life of the little East Congregational Church on the lawn between the two families houses the reading of the Bible by Bill s grandfather Fayette Griffith and by Bill and his boyhood friend Mark Bill s attendance at the Congregational Sunday School and his attendance at Temperance of

revival meetings his five yes five self described spiritual experiences including his decision for Christ at Calvary Rescue Mission and his hot flash conversion experience at Towns Hospital his conversations with his famous doctor William D Silkworth about the Great Physician Jesus Christ and cure of alcoholism through Christ Bill s extensive involvement with the Oxford Group and particularly Rev Sam Shoemaker and Bill s intensive involvement in prayer Bible study the use of devotionals and seeking of guidance with Dr Bob and Anne Smith at the Smith Home in Akron particularly in the summer of 1935 All these and more are told in this exciting and little known story about Wilson and God Was Bill converted to Christ Did Bill believe in the Creator Did the Creator have an impact on Alcoholics Anonymous through Bill Wilson Did the Hand of the Creator touch the lives of Wilson and of the A A Fellowship Your most detailed questions and the answers about these subject have never been addressed by A A historians in any depth But A A historian and writer Bible student retired attorney and recovered AA Dick B presents this his thirtieth published title as a crowning historical piece on A A church religion God Jesus Christ and the Bible as they really existed at and before the founding of Alcoholics Anonymous on June 10 1935 The Miracles in the Gospels Keith Warrington,2016-01-01 Keith Warrington s book paints a compelling picture of Jesus as miracle worker It shows how miracles functioned as a strategy in his ministry and explains why some miracles are recorded differently in different Gospels In this magisterial study Keith Warrington paints a rounded picture of Jesus as a miracle worker by exploring each of the miracles in the Gospels in their literary and historical setting He demonstrates that while the miracles are historically authentic there are several reasons for their presence in the Gospels other than simply to identify Jesus as a miracle worker They are also intended to function as vehicles of teaching expressing aspects of the mission and person of Jesus providing lessons for his would be disciples and adding theological value for each Gospel s original audience

Introduction to the Sources and Founding of Alcoholics Anonymous Dick B.,2007 Intended for use by recovery newcomers educational and religious alcoholism programs recovery groups and treatment centers and substance abuse agencies Here for the first time is a simple accurate concise statement of the origins trends changes and detours leading up to involved in and evolving from A A s Big Book and Twelve Step spiritual program of recovery A must for introducing the A A 12 Step subject usefully *Miracles : 2 Volumes* Craig S. Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic

Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports

A New Way Out Dick B.,2006 There s a new way out of addictions alcoholism and life controlling problems Disappointed and discouraged many today would abandon A A 12 Step programs treatment and therapy because of low success rates But there is a far better way look to the history principles and practices of early A A with its documented 75% to 93% success rate among medically incurable alcoholics who really tried That s when A A did work Also look to the history principles and practices of the world wide societies which spawned A A ideas and were highly effective the Salvation Army the Rescue and Gospel Missions United Christian Endeavor Society Young Men s Christian Association You will see a common thread You ll see it in early A A too And this book will tell you about it Then look to the history principles and practices of churches clergy para church Christ centered and Christian recovery programs Look to the histories of healing by religious means It dates from the Old Testament and follows through to today When people relied upon the Creator accepted Christ called upon God in Jesus name for cure and believed they received A New Way Out leads to the power of God the name of Jesus Christ the love of God and neighbor and serving others It applauds the good things in A A and 12 Step programs It respects the good things in religion It grounds you in the historical elements of recovery by the power of God and then points you to support groups and church armed as you will be with those elements of each that worked in the earliest days and those that don t work today

The Sleep of Others and the Transformations of Sleep Research Kenton Kroker,2007-01-01 We tend to think of sleep as a private concern a night time retreat from the physical world into the realm of the subconscious Yet sleep also has a public side it has been the focal point of religious ritual philosophic speculation political debate psychological research and more recently neuroscientific investigation and medical practice In this first ever history of sleep research Kenton Kroker draws on a wide range of material to present the story of how an investigative field at one time dominated by the study of dreams slowly morphed into a laboratory based discipline The result of this transformation Kroker argues has changed the very meaning of sleep from its earlier conception to an issue for public health and biomedical intervention Examining a vast historical period of 2500 years Kroker separates the problems associated with the history of dreaming from those associated with sleep itself and charts sleep related diseases such as narcolepsy insomnia and sleep apnea He describes the discovery of rapid eye movement REM during the 1950s and shows how this discovery initiated the creation of dream laboratories that later emerged as centres for sleep research during the 1960s and 1970s Kroker s work is unique in subject and scope and will be enormously useful for both sleep researchers medical historians and anybody who s ever lost a night s sleep

Performance and Cure Karelisa V. Hartigan,2013-10-16 In this fascinating addition to the Classical Inter faces series Karelisa V Hartigan suggests that drama was regularly performed in the theatres built within or adjacent to the ancient sanctuaries of Asklepios She argues that a pageant which showed the enactment of the god healing prompted the dream therapy the patient experienced at the sanctuary Patients who

viewed this drama were ready to receive the nightly ministrations of the deity his attendants and his animals while they slept in the dormitory at the Asklepieion To support her thesis Hartigan discusses the mind body relationship in the healing process a relationship the medical profession is beginning to recognize She concludes by presenting first hand material based on her experience doing Playback Theatre for patients at Shands Hospital at the University of Florida In performing improvisational scenes at bedside or in a community space she has witnessed how the mini dramas lift the patients spirits and offer them hope for a successful outcome to their illness

Must God Remain Greek? Robert Earl Hood, *Must God Remain Greek* brings together in a fascinating and readable way the cultural and religious thought and activities of African peoples Caribbeans and Afro Americans to bear upon Christian theology As a scholar Dr Hood is at home in the three regions as well as in the Western Christian tradition He raises fundamental questions for theology which have tremendous consequences in the present day of Christian expansion and ecumenical movement It is refreshing to see an old problem recast in cultural areas where Christianity is throbbing and thriving John S Mbiti *The Oxford Dictionary of the Christian Church* Frank Leslie Cross, Elizabeth A. Livingstone, 2005 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable one volume reference work on all aspects of the Christian Church It contains over 6 000 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject including theology churches and denominations patristic scholarship the bible the church calendar and its organization popes archbishops saints and mystics In this revision innumerable small changes have been made to take into account shifts in scholarly opinion recent developments such as the Church of England s new prayer book Common Worship RC canonizations ecumenical advances and mergers and where possible statistics A number of existing articles have been rewritten to reflect new evidence or understanding for example the Holy Sepulchre entry and there are a few new articles Perhaps most significantly a great number of the bibliographies have been updated Established since its first appearance in 1957 as an essential resource for ordinands clergy and members of religious orders ODC is an invaluable tool for academics teachers and students of church history and theology as well as for the general reader

"The Poor, the Crippled, the Blind, and the Lame" Louise A. Gosbell, 2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient world
