Folktales Of Strong Women:

Folktales Retold Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with

The Folktales of Palestine Farah Aboubakr, 2019-03-21 Folktales are instrumental in ensuring the survival of oral traditions and strengthening communal bonds Both the stories and the process of storytelling itself help to define social cultural and political identity For Palestinians the threat of losing their heritage has engendered a sense of urgency among storytellers and Palestinian folklorists Yet there has been remarkably little academic scholarship dedicated to the tradition Farah Aboubakr here analyses a selection of folktales edited compiled and translated by Ibrahim Muhawi and Sharif Kanaana in *Speak Bird Speak Again* 1989 In addition to the folktales themselves Muhawi and Kanaana's collection is renowned for providing readers with extensive folkloric historical and anthropological annotations Here for the first time the folktales and the compilers work on them are the subject of scholarly analysis Synthesising various disciplines including memory studies gender studies and social movement studies Aboubakr uses the collection to understand the politics of storytelling and its impact on Palestinian identity In particular the book draws attention to the female storytellers who play an essential role in transmitting and preserving collective memory and culture The book is an important step towards analysing a significant genre of Palestinian literature and will be relevant to scholars of Palestinian politics and popular culture gender studies and memory studies and those interested in folklore and oral literature

Ethel Johnston Phelps,2017-07-17 The third volume in this beautifully illustrated anthology features traditional tales of heroic women from China to Canada and beyond Long before Suzanne Collins created Katniss Everdeen and Octavia Butler wrote Parable of the Sower there were many traditional folktales full of adventure intrigue and intrepid female characters Feminist Folktales from Around the World collects these forgotten classics and presents them with original artwork by designer and illustrator Suki Boynton Volume three in the series Sea Girl features an introduction by Daniel Jose Older the New York Times bestselling author of The Book of Lost Saints In legends from China Finland India Canada and more brave heroines encounter monstrous rivers and ogres nests while outsmarting desperate sharks and hungry tigers They courageously save families and villages and most importantly they always choose their own fate [Fairy Tales of Appalachia](#) Stacy Sivinski,2025-09-02 While taking a graduate course in Appalachian literature at the University of Tennessee Stacy Sivinski was surprised to discover that much of the folklore she had heard while growing up in Schuyler Virginia was rarely represented in popular published collections In particular they lacked the strong female heroines she had come to know and most anthologies were full of Jack Tales stories that focus on the adventures of the character from Jack and the Beanstalk Feminist critics have long discussed the gender inequalities and stereotypes that fairy tales often promote With Fairy Tales of Appalachia Sivinski asks whether such conclusions are inevitable and invites a fresh analysis of these regional tales with a contemporary sense of wonder These tales carefully and thoughtfully transcribed by Sivinski have been passed down through Appalachia s oral histories over decades and even centuries This wonderful selection was mainly drawn from the Archives of Appalachia at East Tennessee State University and special collections at Berea College Drawing on the work of other regional archivists and folklorists Sivinski grapples with issues of gender balance in Appalachian storytelling The problem Sivinski posits does not rest with the fairy tale genre itself but in the canonization process in which women s contributions have been diminished as oral traditions become transcribed Appalachian women have historically demonstrated resilience wit and adaptability and it is time that more collections of regional folklore reorient themselves to make this fact more apparent Stories are living breathing narratives meant not just to be read but to be read aloud This timely selection of unique stories along with beautiful evocative illustrations makes Fairy Tales of Appalachia an intriguing addition to the much

contested fairy tale canon **Tales from Within the Clouds** Carolyn Han,1997-05-01 South of the clouds in the land of the Jade Dragon Snow Mountain dwell the descendants of a once pastoral people the Nakhi In ancient times family names were passed from mother to child there were no marriages and women alone raised children In the Nakhi language there is no word for father Today there are still Nakhi who follow these traditions and Nakhi folktales reflect these beliefs In the legends presented here we are introduced to a fantastic cast of characters plants insects animals all of them female We discover why the Sun hot tempered and impetuous is unpleasant to look at while the graceful Moon attracts us with her silvery light why the goat complains and her sister the sheep only murmurs ba ba why the azalea for all her beauty lives the shortest and saddest of lives The ten stories each illustrated with delightful paintings by celebrated artist Li Ji welcome us into the unique and little known world of the Nakhi Ready-to-tell Tales Bill Mooney,1994 A multicultural collection of traditional tales contributed by more than forty of America s most experienced storytellers with tips for telling the stories **Storytelling** Janice M. The Storyteller's Start-up Book Margaret Read MacDonald, 1993 Instruction on how to tell stories Includes 12 tales from other countries Asian Women, Identity and Migration Nish Belford, Reshmi Lahiri-Roy, 2020-12-29 This book explores the influence which education and migration experiences have on women of Indian origin in Australia and the United Kingdom when re negotiating their identities The intersections of migration and transnationalism are critically examined through multiple theoretical lenses across three thematic domains encompassing socio historical discourses postcolonial theory theories on intersectionality and interceptionality emotional reflexivity and affects In doing so the book highlights the ambiguities around gendered access and equity to education migration experiences the acculturation process dilemmas surrounding transnationality and negotiation of identities belonging and struggles inherent in simultaneously maintaining ties with home and new social fields Chapters highlight the practical methodological and substantive aspects of affective dimensions and voice with a critical understanding of different tensions challenges complexities and conflicts underlining the stories The book raises the question of voice and agency in advocating emotion based writing in recalibrating conditions representing gendered subjective multivocality of women in breaking silences Presenting non Western perspectives through fragmented and often marginalised accounts within transnational and global spaces this book will be of interest to researchers in the fields of Sociology Gender Studies Migration Transnational and Diaspora studies Sociology of Education Feminist Studies Cultural Studies Literature and Cultural Geographies Oral Traditions and Gender in Early Modern Literary Texts Mary Ellen Lamb, Karen Bamford, 2017-11-28 Proposing a fresh approach to scholarship on the topic this volume explores the cultural meanings especially the gendered meanings of material associated with oral traditions The collection is divided into three sections Part One investigates the evocations of the old nurse as storyteller so prominent in early modern fictions The essays in Part Two investigate women's fashioning of oral traditions to serve their own purposes The third section disturbs the exclusive associations between the feminine and oral traditions to discover implications for masculinity as well Contributors explore the plays of Shakespeare and writings of Spenser Sidney Wroth and the Cavendishes as well as works by less well known or even unknown authors Framed by an introduction by Mary Ellen Lamb and an afterword by Pamela Allen Brown these essays make several important interventions in scholarship in the field They demonstrate the continuing cultural importance of an oral tradition of tales and ballads even if sometimes circulated in manuscript and printed forms Rather than in its mode of transmission contributors posit that the continuing significance of this oral tradition lies instead in the mode of

consumption the immediacy of the interaction of the participants Oral Traditions and Gender in Early Modern Literary Texts confirms the power of oral traditions to shape and also to unsettle concepts of the masculine as well as of the feminine This collection usefully complicates any easy assumptions about associations of oral traditions with gender *Women in Storytelling* Afra Kavanagh,2000 *Berkshire Folk Tales* David England,Tina Bilbe,2013-07-01 This collection inspired by the folklore of the Royal County contains a plethora of tales robustly retold for a contemporary audience The exploits of well known figures such as Herne the Hunter and Dick Turpin feature alongside many of the county s lesser known legends From a cruel ordeal by fire and historical trials by combat to the lore of dragons and witches Berkshire Folk Tales is a heady mix of bloodythirsty funny passionate and moving stories But this is not only a book of folk tales It is also a gazetteer to guide you allowing you to make the same journey as the antiquaries and discover this land and its stories for yourself *Georgia Women* Ann Short Chirhart,Betty Wood,2009 This first of two volumes extends from the founding of the colony of Georgia in 1733 up to the Progressive era From the beginning Georgia women were instrumental in shaping the state yet most histories minimize their contributions The essays in this volume include women of many ethnicities and classes who played an important role in Georgia s history Though sources for understanding the lives of women in Georgia during the colonial period are scarce the early essays profile Mary Musgrove an important player in the relations between the Creek nation and the British Crown and the loyalist Elizabeth Johnston who left Georgia for Nova Scotia in 1806 Another essay examines the near mythical quality of the American Revolution era accounts of Georgia s War Woman Nancy Hart The later essays are multifaceted in their examination of the way different women experienced Georgia s antebellum social and political life the tumult of the Civil War and the lingering consequences of both the conflict itself and Emancipation After the war both necessity and opportunity changed women s lives as educated white women like Eliza Andrews established or taught in schools and as African American women like Lucy Craft Laney who later founded the Haines Institute attended school for the first time Georgia Women also profiles reform minded women like Mary Latimer McLendon Rebecca Latimer Felton Mildred Rutherford Nellie Peters Black and Martha Berry who worked tirelessly for causes ranging from temperance to suffrage to education The stories of the women portrayed in this volume provide valuable glimpses into the lives and experiences of all Georgia women during the first century and a half of the state s existence Historical figures include Mary Musgrove Nancy Hart Elizabeth Lichtenstein Johnston Ellen Craft Fanny Kemble Frances Butler Leigh Susie King Taylor Eliza Frances Andrews Amanda America Dickson Mary Ann Harris Gay Rebecca Latimer Felton Mary Latimer McLendon Mildred Lewis Rutherford Nellie Peters Black Lucy Craft Laney Martha Berry Corra Harris Juliette Gordon Low **Inhabited by Stories** Nancy A. Barta-Smith,Danette DiMarco,2012-11-30 Intertextuality has signaled change appropriation adaptation and derivation It has focused readers on irresolvable questions of influence and origination progressive or regressive movement across continents periods and media Inhabited by Stories Critical Essays on Tales Retold takes a different approach What

would a model of literary study look like that steps out of time's river and embraces not only the presence and proximity of the world to the senses but also of the past and the future to the present here and now When stories inhabit us imagination and memory extend our ability to see and feel Phenomenological experience is lived not just thought Such a perspective suggests that the past and future inhabit the present increase the depth of sensory perception itself and enrich the range of our affective and ethical responses Grounded in the lived experience of reading this perspective offers an alternative to an idea of intertextuality as simply following lines of influence and appropriation It focuses on the expansion of experience created by telling and retelling stories Ironically for literary theorists and critics perhaps the highest form of both praise and critique is a tale retold since such retellings attest to literature's instructive power and its perennial regeneration *Folk Legends of Japan* Richard M. Dorson, 2012-09-11 Delightfully illustrated this collection of Japanese myths and fairy tales presents readers with a rich folk tradition *Folk Legends of Japan* contains over one hundred Japanese folk legends These have been selected by a distinguished American folklorist drawn from expert Japanese transcriptions of oral legends and carefully translated in such a way as to bring out the charming unadorned and sometimes disarmingly frank folk quality of the originals Each legend is carefully annotated for the student scholar and a full bibliography is provided Fortunately the scholarly attributes of the book are now allowed to intrude between the general reader and his enjoyment of the legends themselves Anyone who loves a genuine old wives tale who savors firelit evenings of listening to the folk stories will find much pleasure in these Japanese stories At the same time the folklorist will find a mine of information and the Japanophile will discover the folk basis for many of the beliefs and customs that may have puzzled him in the past
