Indeh Eve Ball, Nora Henn, Lynda A. Snchez, 2013-06-14 A fascinating account of Apache history and ethnography. All the narratives have been carefully chosen to illustrate important facets of the Apache experience. Moreover, they make very interesting reading. This is a major contribution to both Apache history and to the history of the Southwest. The book should appeal to a very wide audience. It also should be well received by the Native American community. Indeh is oral history at its best. R.
