Mormon Prophet and Tenth President Joseph Fielding Smith once said Mormonism as it is called must stand or fall on the story of Joseph Smith He was either a prophet of God divinely called properly appointed and commissioned or he was one of the biggest frauds this world has ever seen There is no middle ground If Joseph Smith was a deceiver who willfully attempted to mislead the people then he should be exposed his claims should be refuted and his doctrines shown to be false The doctrines of false teachers will not stand the test when tried by the accepted standards of measurement the Scriptures Doctrines of Salvation 1 188 Brigham Young Prophet and Second President offered this challenge Well now examine the character of the Savior and examine the character of those who have written the Old and New Testament and then compare them with the character of Joseph Smith the founder of this work and you will find that his character stands as fair as that of any man s mentioned in the Bible We can find no person who presents a better character to the world than Joseph Smith Journal of Discourses Vol 14 p 203 Combining their research in Mormonism to author this work Charles A Crane and his son Steven A Crane would like to accept the challenge and show why many even among the LDS faith are Ashamed of Joseph
