light on this discourse of Woolf and the natural world Scott brings to our attention a critical neglected and contested aspect of modernism itself She relies on feminist ecofeminist and postcolonial theory in the process drawing also on the relatively recent field of animal studies By focusing on multiple registers of Woolf's uses of nature the author paves the way for more extended research in modernist practices natural history garden and landscape studies and lesbian queer studies *A Foot in Both Camps* , **Canadian Books in Print** ,2001 *The Vote* Paul Foot,2024-05-28 The dramatic story of the peoples fight for the right to vote in Britain The culmination of a lifetime's work by the great journalist and historian Paul Foot *The Vote* tells the thrilling story of the hard long fought struggle for the right to vote in Britain and the slow erosion that followed In the tradition of history from below Paul Foot examines the great democratic debates that dominated the fight for electoral democracy Taking readers from the smoke filled church of the Putney debates to the dramatic arguments between Thomas Paine and Edmund Burke in the aftermath of the French Revolution to the rise of Chartism and the struggles for votes for women Throughout Foot shows how vested interested first delayed and then hobbled the progress of parliamentary democracy Concentrating on the vital role played by direct action he shows how rank and file resistance to ruling class injustice was followed by retreat into parliamentary impotence Into the twentieth century Foot exposes the gaps between the promises of a succession of Labour governments and their actions once in power and its abandonment of any aspiration to economic democracy A gripping work of narrative history written in Paul Foot's inimitable energy and engaged style this book is a classic work of history and a must read for anyone interested in how today's political scene was formed *The British National Bibliography* Arthur James Wells,2004 **A Foot in England** William Henry Hudson,2020-07-16 Reproduction of the original *A Foot in England* by William Henry Hudson **Reading Dylan Thomas** Edward Allen,2018-11-14 Reading Dylan Thomas attends in detail to the problems and pleasures of deciphering Thomas in the twenty first century teasing out his debts and effects tracing his influence on later artists and suggesting ways to understand his own idiosyncratic reading practices *Canadian Books in Print.
