Powerhouses of Ohio High School Football: The 50s and 60s Tim Raab, Foreword by Bobby Carpenter, 2019 By the middle of the twentieth century, Ohio high school football ranked among the mightiest in the nation. Dynastic programs Massillon and Canton McKinley dominated the 1950s. Not to be outdone, Barberton, Portsmouth, Cleveland Cathedral Latin, and Jackson staked their claims to greatness and championship squads from Benedictine to Marion Harding, and Alliance fought their way to the top of the rankings. Ever steady, Massillon continued their winning ways in the 60s. Along the way, determined newcomers like Niles McKinley, Toledo Central Catholic, Wyoming Sandusky, Bishop Watterson, and Marion Catholic snatched their share of gridiron glory. At the decade's close, the fierce Golden Bears of Upper Arlington forged their own dynasty. Super Squad Colin Whelan, 2024-11-28 *Super Squad* tells the story of those 23 footballers in the 1960s and 70s who had the greatest influence on English football and how that influence laid the path for football as it is today. Football fans of the time witnessed the English First Division produce the two greatest English players and the two greatest Scottish players ever, and one George Best. But we also witnessed the pioneers, those players who did something for the very first time. The book deals with the significance of the abolition of the maximum wage and the almost immediate effect it had on the game, the salaries, and transfer fees. The book also touches upon the huge influence of television, both colour and black and white, during this time. This isn't just the story of those players who stood out through their greatness alone. This is also the story about the players who were overlooked, the players who were unfairly mocked, and the players who were forgotten. *Super Squad* seeks to honour their legacy.

George Waas,2015-04-17 In 2012 I wrote a memoir entitled Retired and Loving It At that time I covered every subject I wanted to write about or so I thought Then after publication I began having second thoughts Wait that s not right I had a second thought and decided not to write anything further Then I had a third thought I understand lots of people claim to have second thoughts about a particular matter but if they have more than one how can the one after the second also be a second thought Frankly I don t know how anyone can have second thoughts about the same subject Anything beyond a second thought is a third fourth fifth etc at least by my count It was on my third thought that since I discovered other things to write about I decided to set them out in a mini memoir as a sequel to my earlier book I checked with an online publishing company and found several books entitled On Second Thought and On Second Thoughts and related titles For those who chose the latter title they probably didn t give it much thought But I did and I didn t find a single book that bore the title On Third Thought So that s the one I chose as they say the third time is the charm This sequel to my 2012 book my mini memoir focuses on three general subjects First my reflections on things past second living in the present since it s the only time we can live the past is history and the future lies ahead and third making sure that to the best of my ability my future is bright and enjoyable by remaining involved in matters of interest and importance to me And if I can write a book about me you can write one about you So get on with it
