Charged under the Sabotage and Suppression of Communism Acts for campaigning to overthrow the government by violent revolution Goldberg was found guilty and sentenced to life imprisonment The only white man convicted during the infamous Rivonia trial he played a historic role in the struggle for justice in South Africa In this remarkable autobiography Goldberg discusses growing up acutely aware of the injustice permeating his homeland He joined the South African Communist Party and helped found the Congress of Democrats It was his role as an officer in the armed underground wing of the African National Congress ANC however that led to his life sentence the outcome of which was a staggering twenty two years behind bars While he was incarcerated the racist dogma of apartheid imposed complete separation from his black comrades and colleagues a segregation that denied him both the companionship and the counsel of his fellow accused Recounted with humor and humility Goldberg s story not only provides a sweeping overview of life in South Africa both during and after apartheid but also illuminates the experiences of the activists and oppressors whose fates were bound together
