King, 2008 This book helps us to shape our destiny and swim with life's currents instead of battling continuously against them. It will take you on a journey of reflection and self-discovery from the past to the present moment to the now where your reality is created. Dipping into this inspirational book that is so much more than a book, you will feel yourself interacting with Spirit as they guide you through all aspects of your busy life. **What Are You Doing Here?** Floella Benjamin, 2022-06-23 Winner at the 2022 Parliamentary Book Awards. Baroness Floella Benjamin is an inspiration, an actress, and much-loved children's television presenter who is a member of the House of Lords. But how did the girl from Trinidad end up lunching with the Queen? In **What Are You Doing Here?** Floella describes arriving in London as a child, part of the Windrush generation, and the pain caused by the racism she encountered every day. It was offset by the love of her parents who gave her the pride in her heritage, self-belief, and confidence that have carried her through life. From winning a role in groundbreaking musical *Hair* while clearly stating she would not take her clothes off to breaking down barriers on *Play School* from refusing to be typecast in roles to speaking out for diversity at the BBC and BAFTA, she has remained true to herself. She also reveals how she met husband Keith, became a mother of two, was befriended by Kenneth Williams, hugged President Obama, and found a purpose that would underpin everything she did: campaigning for the needs of children. Sharing the lessons she has learned imbued with her joy and positivity, this autobiography is the moving testimony of a remarkable woman. **Life's a Puzzle** Brenda McClair, 2018-01-22 Separate pieces fit together to reveal the picture God had intended. *Life's a Puzzle* is a true story about being given a great life where, with hard work, dreams come true. Everything was going according to Brenda's plan. Then, with the loss of her first husband, her dreams died. Did love die too? She chose to have new dreams and found love again. This time she connects with a family that has plenty of ups and downs, with good times and hurtful attacks. Brenda holds on to her past while looking ahead, sometimes getting jarred and shocked by the rough bumps. Brenda's journey leads to motherhood, including a trip into the puzzling world of autism with lessons to learn at every turn. Looking through the contrasts of sadness and happiness, harmony and conflict, wonder and hope were found. Even when things were dark and pieces had flipped upside down, the picture was coming together, becoming beautiful. Brenda discovered incredible realities of life, coming to know without a doubt that love overcomes death and that life is so much more than we can see. She is amazed to find that God has truly been there in every place, in every moment, for everyone. **Forthcoming Books** Rose Arny, 1995-02 **The Good Thief's Guide to Paris** Chris Ewan, 2009-09-15 The moment I'd scanned the outside of the building, I turned to Bruno and said, "First impressions: it looks straightforward. Looking back, I can't help but wonder what I was thinking." I mean, put that line at the opening of a crime novel, and it's practically a guarantee that everything is about to get complicated. Charlie Howard, globe-trotting mystery writer, professional thief, and poor decision maker is in Paris. Flush with the success of his latest book,
