Paris, 1997-10 One of literature s greatest gifts is its portrayal of realistically drawn characters human beings in whom we can recognize motivations and emotions In Imagined Human Beings Bernard I Paris explores the inner conflicts of some of literature s most famous characters using Karen Horney's psychoanalytic theories to understand the behavior of these characters as we would the behavior of real people When realistically drawn characters are understood in psychological terms they tend to escape their roles in the plot and thus subvert the view of them advanced by the author A Horneyan approach both alerts us to conflicts between plot and

characterization rhetoric and mimesis and helps us understand the forces in the author's personalty that generate them The Horneyan model can make sense of thematic inconsistencies by seeing them as the product of the author's inner divisions Paris uses this approach to explore a wide range of texts including Antigone The Clerk's Tale The Merchant of Venice A Doll's House Hedda Gabler Great Expectations Jane Eyre The Mayor of Casterbridge Wuthering Heights Madame Bovary The The Congressional Reporter ,1811 Containing a list of members of the Twelfth Awakening and The End of the Road Congress the President's message the public documents and the debates on all interesting guestions agitated Romantic Suspense January 2018 Box Set Marie Ferrarella, Lisa Childs, Beverly Long, Jane Godman, 2018-01-01 Looking for heart racing romance and breathless suspense Want stories filled with life and death situations that cause sparks to fly between adventurous strong women and brave powerful men Harlequin Romantic Suspense brings you all that and more with four new full length titles in one collection COLTON BABY RESCUE The Coltons of Red Ridge by Marie Ferrarella A murder a family feud a missing suspect and a couple who can t deny their attraction Despite having exact opposite life goals Carson Gage and Serena Colton can t resist each other And when a murderer comes after Serena and her baby Carson is the only one who can save them IN THE BODYGUARD's ARMS Bachelor Bodyguards by Lisa Childs Jordan Manny Mannes would rather risk his life than his heart anytime So finding out that his new assignment Teddie Plummer is a supermodel puts quite a wrench in his plans to avoid relationships But as the danger to Teddie ratchets up so does the desire and they might not have a chance to prove their love before a stalker takes them both out forever POWER PLAY Wingman Security by Beverly Long When Trey Riker's old college roommate asks him to check on his little sister Trey agrees thinking it's the least he can do for the man who once saved his life Kelly McGarry says everything is fine and promises to call her brother When she suddenly goes missing and her apartment has been trashed Trey has to earn her trust before he can save her life SECRET BABY SECOND CHANCE Sons of Stillwater by Jane Godman Beth Wade walked out on Vincente Delaney sixteen months ago Now he discovers she has been hiding his baby daughter from him When Beth is in danger after witnessing a murder Vincente must save the woman he has always loved to claim the family he never knew he wanted The Novels of Walter Scott Sir Walter Scott, 1847
