**Vera** Vera Worthy,2018-09-04 Being successful doesn't mean how much money you may have or how big your house is or even the kind of car you drive To me life is beautiful in every way Somehow I ran from myself for years and became someone else that made me very unhappy That person was Vera which is my first name that was given to me by my parents The person I was named after was an amazing woman in every way possible She was a lovely lady who is no longer with me now but I know now that having that name will make me become the woman I was meant to be And that woman is greatness in every way

For Laughing Out Loud Ed McMahon,David Fisher,1999-07-01 Johnny Carson's well known sidekick on The Tonight Show presents a humorous anecdotal in the know look at his career from the beginning of television to today and pays tribute to some of the medium's greatest stars Reprint

*Carson the Magnificent* Bill Zehme,2024-11-05 The definitive biography of Johnny Carson the entertainer who redefined late night television and American culture told through intimate insights and riveting accounts of his legendary career and complex personal life In 2002 Bill Zehme landed one of the most coveted assignments for a magazine writer an interview with Johnny Carson the only one he'd granted since retiring from hosting The Tonight Show a decade earlier Zehme was tapped for the Esquire feature story thanks to his years of legendary celebrity profiles and the resulting piece portrayed Carson as more human being than American TV icon Following Carson's passing in 2005 Zehme embarked on an exhaustive nearly decade long research journey interviewing dozens of Carson's colleagues and friends to craft this immensely informative and insightful The Minnesota Star Tribune biography although his efforts were halted by a cancer diagnosis When he died in 2023 his obituaries mentioned the Carson book with New York Times comedy critic Jason Zinoman calling it one of the great unfinished biographies Yet the hundreds of pages Zehme managed to complete are astounding both for the caliber of their writing and how they illuminate one of the most legendary talk show hosts of all time A man who brought so much joy and laughter to so many millions but was himself exceedingly shy and private Zehme traces Carson's rise from a magic obsessed Nebraska boy to Navy ensign in World War II to a burgeoning radio and TV personality to eventually host of The Tonight Show which he transformed along with the entirety of American popular culture over the next three decades Without Carson there would be no late night television as we know it On a much more intimate level Zehme also captures the turmoil and anguish that accompanied the success four marriages troubles with alcohol and the devastating loss of a child In one passage Zehme notes that when asked by an interviewer in the mid 80s for the secret to his success Carson replied simply Be yourself and tell the truth Completed with the help from journalist and Zehme's former research assistant Mike Thomas *Carson the Magnificent* offers just that an honest assessment of who Johnny Carson really was

*Frank & Ava* John Brady,2015-10-13 If I had to go back in Hollywood history and name two people who were most desperately and passionately in love with each other I would say Frank Sinatra and Ava Gardner were it Liz Smith It began in Hollywood's golden age when Ava was emerging as a movie star But she fell in and out of love too easily Mickey

Rooney married her because he wanted another conquest Artie Shaw treated her like a dumb brunette giving her a reading list on their honeymoon Neither marriage lasted a year Then after being courted by Howard Hughes and numerous others along came Frank Sinatra His passion for Ava destroyed his marriage and brought him close to ruin Their wild affair broke all the rules of the prudish era as Frank left his wife and children and pursued Ava on an international stage They became romantic renegades with the press following them from location to location Oh God Frank Sinatra could be the sweetest most charming man in the world when he was in the mood said Ava They married but then came the quarrels separations infidelities and reconciliations Eventually there was a divorce and they thought it was over It wasn't Through all of the tortured years of separation and splintered affairs with others they maintained a secretive relationship known only to those who recognized that this was the love of a lifetime Over the years they attempted to reconcile romanced and nurtured each other right to the end The love story of Frank and Ava has never been fully explored or explained until now John Brady's Frank Ava delves deeply into the lives of these two iconic stars and their turbulent lifelong relationship More than anything else this is the story of a romance lived out under battlefield conditions *For Laughing Out Loud* David Fisher, Ed McMahon, 1998 A humorous anecdote filled behind the scenes look at the life of a television icon **The Loudest Voice in the Room** Gabriel Sherman, 2017-02-14 A revelatory journey inside the world of Fox News and Roger Ailes the brash sometimes combative network head who helped fuel the rise of Donald Trump NEW YORK TIMES BESTSELLER NOW A SHOWTIME LIMITED SERIES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR When Rupert Murdoch enlisted Roger Ailes to launch a cable news network in 1996 American politics and media changed forever With a remarkable level of detail and insight Vanity Fair magazine reporter Gabriel Sherman puts Ailes's unique genius on display along with the outsize personalities Bill O'Reilly Sean Hannity Megyn Kelly Sarah Palin Karl Rove Glenn Beck Mike Huckabee Gretchen Carlson Bill Shine and others who have helped Fox News play a defining role in the great social and political controversies of the past two decades From the Clinton Lewinsky scandal to the Bush Gore recount from the war in Iraq to the Tea Party attack on the Obama presidency Roger Ailes developed an unrivaled power to sway the national agenda Even more he became the indispensable figure in conservative America and the man any Republican politician with presidential aspirations had to court How did this man become the master strategist of our political landscape In revelatory detail Sherman chronicles the rise of Ailes a frail kid from an Ohio factory town who through sheer willpower the flair of a showman fierce corporate politicking and a profound understanding of the priorities of middle America built the most influential television news empire of our time Drawing on hundreds of interviews with Fox News insiders past and present Sherman documents Ailes's tactical acuity as he battled the press business rivals and countless real and perceived enemies inside and outside Fox Sherman takes us inside the morning meetings in which Ailes and other high level executives strategized Fox's presentation of the news to advance Ailes's political agenda provides behind the scenes details of Ailes's crucial role as finder and shaper

of talent including his sometimes rocky relationships with Fox News stars such as O'Reilly, Hannity and Carlson and probes Ailes's fraught partnership with his equally brash and mercurial boss Rupert Murdoch. Roger Ailes's life is a story worthy of *Citizen Kane*. Featuring an afterword about Ailes's epic downfall during the extraordinary 2016 election, *The Loudest Voice in the Room* is an extraordinary feat of reportage with a compelling human drama at its heart.

**Leaving on Top** David Heenan, 2012-11-15 *Leaving on Top: Graceful Exits for Leaders* explores what it means to move on from a career with a class and a view for what's next. While most graceful exiters pursue a variety of interests throughout their professional lifetime, others are content to reach the top and then cling to it. Through this research, David Heenan has found that most leaders can be categorized into four exiting types: Timeless wonders. With their skills very much intact, these white-haired prodigies have no need to call it quits. Aging Despots. Reluctant to leave the spotlight, they are past their prime and should turn the reigns over to a new generation. Comeback Kids. Whether to return their enterprises to their former glory or simply save themselves from boredom, these once-departed leaders have returned with a vengeance. Graceful Exiters. Quitting while ahead, they leave a sterling reputation as they move on. Heenan understands how to exit gracefully from his profession; he's done it several times. In *Leaving On Top*, he pairs wisdom derived from his experience with dozens of high-profile exits, both graceful and untimely. Heenan's examination includes ten exiting lessons from leaders of industry such as: Know Thy Situation. Situations change, and the intuitive know when a great career has fizzled. Take Risks. Accept change as a natural part of your transition. Push your comfort zone to confront new challenges. Keep Good Company. Build alliances to help plan your exit strategy; then stay connected. Keep Learning. Graceful exiters remain curious. They are intellectually interested, alert, and adaptable. Know When to Walk Away. Blind determination often backfires. Don't let professional success cloud your personal life.

**TV in the USA** Vincent LoBrutto, 2018-01-04 This three-volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind the enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society, or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three-volume encyclopedia *TV in the USA: A History of Icons, Idols, and Ideas*. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well-known programs and short-lived series alike, broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade(s) covered. Each entry on a specific show investigates the narrative, themes, and history of the program, provides comprehensive information about when the show started and ended and why, and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that

explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data related information and additional insights into the subject matter From Scratch Allen Salkin,2013-10-01 Twenty Years of Dish from Flay and Fieri to Deen and DeLaurentiis Includes a New Afterword I don't want this shown I want the tapes of this whole series destroyed Martha Stewart In those days the main requirement to be on the Food Network was being able to get there by subway Bobby Flay She seems to suggest that you can make good food easily in minutes using Cheez Whiz and chopped up Pringles and packaged chili mix Anthony Bourdain This is the definitive history of The Food Network from its earliest days as a long shot business gamble to its current status as a cable obsession for millions home along the way to such icons as Emeril Lagasse Rachael Ray Mario Batali Alton Brown and countless other celebrity chefs Using extensive inside access and interviews with hundreds of executives stars and employees From Scratch is a tantalizing delicious look at the intersection of business pop culture and food INCLUDES PHOTOS *Adieus to Achievers* Dr. Robert R. Morman,2010-12-31 This book presents a series of mini biographies of famous achievers who contributed uniquely and persuasively to American culture in films politics news broadcasting sports entertainment law enforcement and education Included are such luminaries as Paul Newman Paul Harvey Ed McMahon Farrah Fawcett Michael Jackson Walter Cronkite Edward M Kennedy Merlin Olsen Fess Parker Jaime Escalante John Forsythe Darl F Gates Lena Horne Dennis Hopper John R Wooden Robert C Byrd and George M Steinbrenner Each stellar celebrity made unique contributions in their respective fields of endeavor that withstand the test of time **Stars at War** Marvin D. Pipher,2022-11-30 This book outlines the lives and achievements of one hundred entertainers and athletes mostly Americans who served their nations well both in times of war and in times of peace It spans the period from the Spanish American War 1898 up to 2020 but concentrates most heavily on World War II The book was initiated in response to an apparent difference noted between the reactions of entertainers and athletes to the events of September 11 2001 and those following the attack on Pearl Harbor on December 7 1941 It began as an effort to understand who those earlier people were what they did and why to identify the one hundred who did the most during World War II and to rank them in accordance with their achievements This proved to be an impossible task since there was no way to identify the one hundred and there was no common basis for comparison some were truly heroic some were wounded and some killed while others simply served to the best of their abilities The best that could be done was to categorize the men and women selected and subjectively rank them with their peers Over time this effort expanded to be more inclusive touching lightly upon the Spanish American War World War I the Korean War Vietnam the war on terror and upon more recent events Some of those presented herein served before becoming famous some after some volunteered and some were drafted while others served as civilians in their chosen fields Two became presidents of the United States Three won the Congressional Medal of Honor Aside from their service however these were truly remarkable men and women whose stories deserve to be told if for no other reason than to give us a glimpse

into the kinds of people who made the United States the greatest nation in the history of the world Kathy C. Watson,2006-10-01 For many many years you may have heard that God doesn't still perform miracles A Mother In Mourning will restore your faith if you are among the many who don't believe Kathy will tell you too of the many miracles God has given to her One of the miracles was giving birth to her sons Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place her favorite coffee house A Mother In Mourning is sure to be a best seller of its kind Kathy delivers a truly powerful love story involving herself her two sons and her God From the first day she gave birth to her sons she held them close to her To Aaron and Kendrick she was a one of a kind mother she was their mentor their right hand their best friend and their preparedness for this thing called life Most importantly she was Aaron's and is Kendrick's overseer in making sure that without a doubt their ultimate destination would be heaven A Mother In Mourning will take you on a journey filled with nothing but love joy and the pain of being a mother This heart felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes It's clear that Kathy understood from the very beginning what it took to be a good mother You will also read how God gave her a premonition that something tragic was going to happen five months before his death She didn't know what it was until a knock came on her door one early morning She opened the door only to see two police officers standing there and one of them was holding her son's driver's license Through all of their years together with his following closely in her footsteps she never could have predicted that Aaron would have had such a short life Kathy and her sons were so close it seemed to her that the sun would shine on them forever One Wednesday evening just as the sun was going down God called Aaron's name Even though she has always been a natural teacher of having faith in God the devastation of losing her son has caused her faith to increase even more You will read how God got her through the lowest stage of her life when no one else was there for her A Mother In Mourning is not just for someone who has lost a loved one It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey Yes it is a journey that we all must travel and that will one day make no mistake about it come to an end **Small-Town Dreams** John E.

Miller,2014-03-28 We live these days in a virtual nation of cities and celebrities dreaming a small town America rendered ever stranger by purveyors of nostalgia and dark visionaries from Sherwood Anderson to David Lynch And yet it is the small town that world of local character and neighborhood lore that dreamed the America we know today and the small town boy like those whose stories this book tells who made it real In these life stories beginning in 1890 with frontier historian Frederick Jackson Turner and moving up to the present with global shopkeeper Sam Walton a history of middle America unfolds as entrepreneurs and teachers like Henry Ford George Washington Carver and Walt Disney artists and entertainers like Thomas Hart Benton Grant Wood Carl Sandburg and Johnny Carson political figures like William McKinley William Jennings Bryan and Ronald Reagan and athletes like Bob Feller and John Wooden by turns engender and illustrate the extraordinary cultural shifts that have transformed the Midwest and through the Midwest the nation and the world Many of

these men are familiar icons even Ford and Reagan certainly Ernie Pyle Sinclair Lewis James Dean and Lawrence Welk and others like artists Oscar Micheaux and John Steuart Curry economist Alvin Hansen and composer Meredith Willson less so But in their stories as John E Miller tells them all appear in a new light unique in their backgrounds and accomplishments united only in the way their lives reveal the persisting shaping power of place and particularly the Midwest on the cultural imagination and national consciousness In a thoroughly engaging style Miller introduces us to the small town Midwestern boys who became these all American characters privileging us with insights that pierce the public images of politicians and businessmen thinkers and entertainers alike From the smell of the farm the sounds and silences of hamlets and county seats the schoolyard athletics and classroom instruction and theatrical performance we follow these men to their moments of inspiration innovation and fame observing the workings of the small town past in their very different relationships with the larger world Their stories reveal in an intimate way how profoundly childhood experiences shape personal identity and how deeply place figures in the mapping of thought belief ambition and life s course

**God's New Way** Terri L Castleberry, 2024-10-25 In November 2021 Castleberry lost her mother and in June 2022 her husband of 31 years unexpectedly died Suddenly she was alone having lost the two people in her life who made her feel secure Having kept a prayer journal for almost 40 years Castleberry immediately began to share her pain and questions with God She wrestled with the grief through writing and these writings are the basis for the book Castleberry honestly and uncompromisingly charts the grief journey and describes the perils and the joys on the many roads she travels to reach the final road the road to understanding Using Biblical scriptures and past experiences as well as the words and messages of trusted Christian authors Castleberry weaves a message of hope and faith in a loving God who walks with us through our suffering to fulfill His promise of an abundant life where we find His purpose for us

**The Recycled Pharisee** Richard E. Colby, 2012-08 Some people may think that Pharisees are only found in the Bible However there are pharisees in every culture and generation people who because of their status education cultural advantage or position believe they have earned the right to be right I was such a person for the first half of my life I believed that because of my role as a priest in the

Episcopal Church it was my job to be right so that I could help others avoid being wrong Then I had a face to face confrontation with the one true living God of the universe who began to teach me what being right was really about With God s help during the second half of my life I have grown from being a self righteous and some would say pompous jerk to becoming a humble servant living in His righteousness      *New York Magazine* ,1996-04-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      *Pathway of Light* April Smith,2009-06 Pathway of Light is a book of poems based on the life of the author These are unlike any poems you ve ever read Real life situations are turned into words that rhyme They will touch your heart and soul Through reading these heart felt poems you will be challenged in ways you may not imagine possible You will laugh cry and perhaps even pray The author has been through times of loneliness hopelessness heartache fear and shattered dreams as well as times of great joy peace and hope beyond her dreams She found there s a difference between having religion and having a relationship with God In the hardest time of her life she had little desire to live But something kept her going Someone rather A thirst entered her soul to seek the meaning of life God touched her heart and soul setting her on a quest to understand why most of what she learned in traditional religion was not biblical She found that we must not turn to others to get to Heaven but to God Himself After writing poems through it all she shared some with her husband and close friends who encouraged her to publish them that others may receive hope too As you read be encouraged and discover God s great faithfulness
