*A Few More Stories & Poems* Frank Acri, 2023-01-27 emulate them not I forge not their styles I aspire to their reputations I envy their imprimaturs their prose more esoteric than I could xerox their command of the lexicon incomparable their knowledge of other tongues impeccable their verbosity at times unbearable they are my heroes in literature They are Hemingway Dos Passos Caldwell Fitzgerald Pound Eliot Twain Salinger Wolfe and even Stein and Faulkner They are no more except on library shelves classrooms bonfires and in my heart *Few Selected Stories* HIRANYA BORAH, 2023-02-08 This is a compilation of 35 English short stories written in the last one decade Most of the stories have already been published in different ebooks books and periodicals The stories are mostly fictional but very close to reality of our day to day life Many of the stories have romantic background and most of those are basically based on failed love However some of the stories are based on contemporary social ethos *A Passion for Discovery* Peter Freund, 2007 This fascinating book assembles human stories about physicists and mathematicians Remarkably these stories cluster around some general themes having to do with the interaction between scientists and with the impact of historic events OCo such as the advent of fascism and communism in the twentieth century OCo on scientists behavior Briefly but lucidly some of the beautiful science that brought these scientists together in the first place is explained Author s webpage <http://freund9.googlepages.com/peterfreundwritings> *A Bad Day for Vermin and four more stories* Keith Laumer, 2020-04-14 Great collection of action short stories by Keith Laumer from The Golden Age of Science Fiction Featured here *A Bad Day for Vermin* *The King of the City* *It Could Be Anything* *End as a Hero* and *Doorstep* **The Stories We Are** William Randall, 2013-12-31 From time to time we all tend to wonder what sort of story our life might comprise what it means where it is going and whether it hangs together as a whole In *The Stories We Are* William Lowell Randall explores the links between literature and life and speculates on the range of storytelling styles through which people compose their lives In doing so he draws on a variety of fields including psychology psychotherapy theology philosophy feminist theory and literary theory Using categories like plot character point of view and style Randall plays with the possibility that we each make sense of the events of our lives to the extent that we weave them into our own unfolding novel as simultaneously its author narrator main character and reader In the process he offers us a unique perspective on features of our day to day world such as secrecy self deception gossip prejudice intimacy maturity and the proverbial art of living First published in 1995 this second edition of *The Stories We Are* includes a new preface and afterword by the author that offer insight into his argument and evolution as a scholar as well as an illuminating foreword by Ruthellen Josselson **More Dory's Stories** D. J. DeSai, 2010-12 Gleaned from everyday real life events *More Dory's Stories* presents a collection of thirty three inspirational narratives In this her second compilation author D J DeSai covers a plethora of subjects including car and horse racing animals school tales frightening encounters shocking dilemmas and delightful surprises In the story *Demolition Derby Race* DeSai describes the time her father Amos entered the family s pristine candy

apple red four door Dodge into the local demolition derby No Sure Winner tells how twelve year old D J learned a hard lesson about money and gambling And Saved by the Hood Ornament narrates thirteen year old D J s experience being hit by a car From heartwarming to heartbreaking More Dory s Stories represent a lifetime of down to earth lessons learned some difficult some unpleasant and others that are simply fun The stories reveal the works of God and serve to communicate that life is full of adventure and opportunities for personal and spiritual growth

**A Chosen Few: Short Stories** Frank Richard

Stockton,2019-11-26 In A Chosen Few Short Stories Frank Richard Stockton masterfully weaves together tales that explore the intricacies of human nature and the quirks of society Comprising a collection of stories that range from whimsical to profound Stockton employs a distinctive narrative style characterized by wit irony and a deep understanding of character psychology The collection is situated within the larger context of late 19th century American literature a period marked by a burgeoning interest in realism and the supernatural where Stockton s storytelling stands out for its blend of both elements to evoke moral quandaries and social commentary Frank Richard Stockton was a prominent figure in American literature during his time known for his inventive narratives and playful tone Influenced by his experiences as a writer and editor as well as the cultural movements of his era Stockton s works often reflect a keen observation of everyday life infused with elements of fantasy His unique perspective on the human condition and the societal norms of his time made him a significant voice in the development of the short story genre This collection is highly recommended for readers who appreciate richly layered storytelling that combines humor with thought provoking insights A Chosen Few is not only an engaging read but also serves as a testament to Stockton s literary prowess making it an essential addition to any scholar or enthusiast s library

**Reading** Cathy Mere, 2005 Is there too much emphasis on guided reading in primary classrooms It s a question that many educators like kindergarten teacher and literacy coach Cathy Mere are starting to ask Guided reading provides opportunities to teach students the strategies they need to learn how to read increasingly challenging texts but Cathy found that she needed to find other ways to help students gain independence While maintaining guided reading as an important piece of their reading program teachers need to offer students opportunities during the day to develop as readers to learn to choose books to find favorite genres and authors and to talk about their reading In *More Than Guided Reading* Cathy shares her journey as she moved from focusing on guided reading as the center of her reading program to placing children at the heart of literacy learning not only providing more time for students to discover their reading lives but also shaping instruction to meet the needs of the diverse learners in her classroom By changing the structure of the day Cathy found she was better able to adjust the support she was providing students allowing time for whole class focus lessons conferences and opportunities to share ideas as well as reading from self selected texts using the strategies skills and understandings acquired in reader s workshop The focus lesson is the centerpiece of the workshop It is often tied to a read aloud and connected to learning from the previous day helping to build skills extend thinking and develop independence over time This thoroughly practical text offers numerous sample lessons questions for conferences and ideas for revamping guided reading groups It will help teachers tweak the mix of instructional components in their reading workshops and provoke school wide conversations about the place of guided reading in a complete literacy curriculum *Few and Short - Some Fishing Stories* T.
