An address, etc** Henry Grattan GUINNESS (the Elder, D.D.), 1863 **For Believers Only** Dale Satterthwaite, 2017-07-06 For over 40 years this pastor Pastor Dale Satterthwaite 1909-1973 was in demand at International Baptist meetings He was a pastor to pastors and missionaries His personal library was known as the best in the state He stayed in downtown Los Angeles even though churches elsewhere with big salaries and benefits begged him to come to stay not just speak at their meetings There was no other pastor that was constantly building up valuable church workers only to be thrilled to see them enter full time missionary work This book is a collection of twelve of his sermons taken from the last couple years of his life They cover topics like worry death following God holiness God's knowledge things being good the Christian home and Roman Catholicism This book is offered only to Christian believers who believe that Jesus Christ is God and born of a virgin This book will not be of any real value to an unsaved person The promises mentioned in the book only apply to the child of God It is a mistake to think special teaching aimed at born again believers should be used by nonbelievers Pastor Satterthwaite believed a real disservice had been made by those that applied God's Word to everyone indiscriminately True disciples of our Lord and Savior Jesus Christ will find this book inspiring and very helpful in learning to live a holy and separated Christian life *The Baptism of Adult Believers Only, Asserted and Vindicated; and that of Infants Disproved ... To Every People from Every People Dr. Larry D. Pate, 2022-04-22 *To Every People from Every People* trains people to plant reproducing churches in the mainstream of unreached cultures around the world There are over two billion people living in over seven thousand such cultures who will never have an adequate chance to know Christ as Lord and Savior unless someone plants churches in the mainstream of their culture and language group This book teaches clearly and biblically about why that is important More important it teaches you how to do it It focuses on practical subjects like how to learn another language without studying it in a school and how to make an effective strategy It actually walks you through case studies with illustrations so you can get a mental picture of how to plant reproducing churches in the mainstream of any people group An earlier version of this book was originally written specifically for Latin America It was published by Editora Vida Miami Florida in several editions of Spanish and Portuguese It has long been the best selling book of its kind for many years This English edition has been revised and updated for a global English speaking audience Many thousands of people have used this book to plant new churches in other cultures and even in their own cultures The anthropological communications and sociological principles in this book have also helped people understand the Bible better and how to

apply its truths anywhere Most of all this book is designed to implant vision and passion for cross cultural ministry in the mind and heart of the reader It creates a mental image of how to do it It is a powerful tool intended for the Holy Spirit to use to thrust forth dedicated and effective laborers into the unreached harvest fields of the world **To Save Sinners** Michael Riccardi,2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents *Bread for Believers* Curtis Hutson,2000-08
