**Grounded For Love** Mahogany SilverRain,2023-06-21 In love sometimes we must fight to keep it I m Army Captain Ryla Denver commander of the Death Patrol Squad My squad of soldiers is the most lethal in The Great Army of the Keeper Nation and our first line of defense I am loved by my two closest friends and my pet Everything in my life was in order Until they assigned me as the head of security for the Crown Prince Theodoric Enfield His arrogance was matched only by his cruelty and his dominant nature made it impossible to ignore him It caught me off guard Our love was like a storm wild and passionate but the queen forbids it and sent me away When the palace came under attack I felt compelled to fight for the royal family my nation and most importantly for the love of my life Disobeying Queen Sybil was a risk I needed to take Will the queen give her blessing to Theodoric and me or will she reject us once more *Dinosaur Lake VIII: For Love of Oscar* Kathryn Meyer Griffith,2024-02-11 Chief Ranger Henry Shore once fought the lethal infestation of prehistoric dinosaurs in his beloved Crater Lake National Park The first monster which he called Godzilla then the flying nightmares the Gargoyles then the small evil dinosaurs and finally One Eye and its twin With his wife Ann his rangers and his friends he eliminated the blood thirsty beasts not only in his park but over time in many other places From the beginning of the dinosaur wars he was befriended by a small intelligent telepathic dinosaur he affectionately named Oscar Oscar was a benevolent creature who believed humans the sticks as he thought of them were his friends too Oscar saved Henry s life and others many times Truth be told Oscar actually saved the world when sinister aliens unexpectedly arrived and wanted to annihilate mankind because of our murderous warlike tendencies how humanity had never been able to live in peace Oscar telepathically communicated to the aliens in our defense and humanity was given one final chance an ominous warning to learn to live together Live together in peace or die Or the aliens would return and end our species forever Now Oscar and his expanding family need Henry s help They d been living happily deep in the backwoods of Crater Lake Park hidden from human eyes and malicious human interference when the out of control wildfire flushes them from their safe haven and they end up in Crater Lake Of course they can t remain there They d be seen discovered Exploited or hunted to extinction because people still feared and loathed dinosaurs because of how many humans they d slaughtered during their bloody reign But aside from Henry s love of Oscar the Oscars survival is crucial if the aliens ever return so Henry and his paleontologist son in law Justin must lead the horde away from the lake to a new safe home in another isolated section of the park They must protect the Oscars But one infant dinosaur has been left behind and in saving that little dinosaur returning it to Oscar and its family Henry almost pays

the ultimate price but Henry would do anything for Oscar After all Oscar would and had many times saved Henry s life he saved the planet as well So Henry and Earth are undeniably and forever indebted to the small dinosaur *TIME For Kids Nonfiction Readers: Challenging Teacher's Guide* Chandra Prough,2012-12-01 *Awe for the Tiger, Love for the Lamb* Rod Preece,2006-06-19 Respect for animals has always been a part of human consciousness Poets thinkers philosophers scientists and statesmen have long celebrated our compassion towards Earth s other beasts Awe for the Tiger Love for the Lamb compiles the most significant statements of sensibility to animals in the history of thought From the myths of the ancient world to the Middle Ages to Darwin and beyond Preece captures the most telling and fascinating accounts of humankind s relationship to the wild world placing them in historical context Jung called it an unconscious identity with animals while Wordsworth saw it as the primal sympathy which having been must ever be Linking the diverse chords of human experience that are touched by the animal world Preece shows that despite a historical thread of cruelty there still remains in all humanity a constant underlying concern for other beings as an integral part of the moral community With musings and meditations from Lao Tse to Mohammed from Plato to Jane Goodall from classical religion to parliamentary proceedings Awe for the Tiger Love for the Lamb is an original superbly researched history that deepens our understanding of all living beings

**A Lady's Formula for Love** Elizabeth Everett,2021-02-09 What is a Victorian lady s formula for love Mix one brilliant noblewoman and her enigmatic protection officer Add in a measure of danger and attraction Heat over the warmth of humor and friendship and the result is more than simple chemistry it s elemental Lady Violet is keeping secrets First she founded a clandestine sanctuary for England s most brilliant female scientists Second she is using her genius on a confidential mission for the Crown But the biggest secret of all Her feelings for protection officer Arthur Kneland Solitary and reserved Arthur learned the hard way to put duty first But the more time he spends in the company of Violet and the eccentric club members the more his best intentions go up in flames Literally When a shadowy threat infiltrates Violet s laboratories endangering her life and her work scientist and bodyguard will find all their theories put to the test and learn that the most important discoveries are those of the heart **Love, Peace, and Joy** Very Rev. Fr. Andre Prevot,1984 Based on the actual words of Our Lord to St Gertrude as recorded in her famous Revelations Shows little known ways to gain great graces quickly and advance rapidly in divine love especially by placing all of our own prayers in the Sacred Heart of Jesus that they might be perfected and made more pleasing thereby St Gertrude is one of the greatest Saints in the Church and here indeed are the secrets of a Saint *How to Fall in Love with an Animal* Barbara Gail Barker,2014-08-29 One evening while lying on our sofa watching the news on our television the story was broadcasted describing the torture of various animals It made me sick From that point on I decided to sit down and write this book How to Fall in Love with an Animal Without going into great detail I felt that it was necessary to be able to share my families personal experiences even though some of them were very painful but there are some that ended in a happy ending My story is in regards to our happy animals alongside stories that

are sickening and disturbing from individuals who do not value the life of an animal There is always someone to blame for this pain We as human beings are more than capable of being able to love an animal As a matter of fact this book will help you believe that you can make your life more cheerful and comfortable when adopting an animal I realize that in the world today there is so much hate and evilness that follows and there is very little that I can do besides making monthly donations that will help aid in the rescue of thousands of neglected animals I wish with all my heart that I could do more and I hope by writing this book that it would inspire you and help you become a better person The love we have for our animals happens to be displayed throughout my book I hope this book will touch a soft place in your heart Remember animal life is not over until we decide its not worth hanging on to We all must keep remembering that we are all children of God whether it be human beings or animals      *Open Door* ,1927      Marrying for Love or Money?
