By Joyce Kilmer & Denise Fennell

Look at a map of the United States, find the state of Idaho and find the state that borders it. **WRITE** the governing state in a cell under the heading "Neighbors of Idaho" then **FIND** back, Idaho. If you go back again, directly west of Idaho, where will you land?

**Draw** a square below. Inside the square, **WRITE** the number 25. On each side of the square, on the outside, **WRITE** a different number sentence in which 25 is the answer (for example, 10 + 15 = 25). **PUT** your name below the square and **CUT** the paper to the person indicating the papers for today.

**POST** the letters of your first name below, or underneath the letters next to each other. **WRITE** a word that starts with that letter. You may use the **Dictionary** to find words if you want to. **PUT** your completed paper in the directions below.
